Human Capital in Focus: Global and Local Trends

PwC Azerbaijan published the *"Human Capital in Focus: Global and Local Trends"* article prepared by Farid Isayev, Senior Legal Associate of the PwC Legal Practice for the 16th edition of the *"IMPACT Azerbaijan"* quarterly magazine of the American Chamber of Commerce in Azerbaijan (AmCham Azerbaijan).

In his article in the "IMPACT Azerbaijan" magazine focused on the discussions on human capital and broader labour market dynamics, Farid speaks about emerging key talent trends at the global market, makes comparative analysis of local and international labour legislation, discovers main local labour market trends and practices and informs on the related PwC global and local experience and services.

The full text of the article is available starting at page 8 of the "IMPACT Azerbaijan" 16th edition at this link: <http://amchamaz.org/domains/amcham/assets/file/newsletter/impact16.pdf>.
