

Experienced Manager Asset Management

PwC is the world's leading network of audit and assurance firms. Our leading edge audit approach focused on quality is designed to meet the needs of private companies to large enterprises. The PwC audit is underpinned by our deep industry knowledge, wide international experience and network of skilled professionals. Due to business growth and the development of our people, we currently have an opening for an Experienced Manager in our Asset Management group.

Experience Manager - Asset Management

As a member of the PwC Bermuda Asset Management Group, you will be involved in the provision of assurance services (principally audit) to a range of clients in the asset management sector. Our client base includes hedge funds, private equity funds, investment managers and other various financial institutions and investment companies. There may also be opportunities to work on clients in banking and other local industries.

Essential Qualifications/Skills:

- CA/CPA or equivalent ICAB recognized qualification required;
- Minimum of 2 years managerial experience in a public accounting firm required;
- Excellent communication, presentation and organizational skills essential;
- Must have a strong technical base and the ability to research and resolve difficult client issues;

- Extensive knowledge of public accounting and audit practices, procedures and reporting standards including knowledge of, U.S. GAAP, IFRS procedures and standards; and
- Proven experience advising Banking, Asset Management and or Corporate Audit clients, on technical accounting and general business issues.

Responsibilities will include and are not limited to:

- Management of a portfolio of medium to high complexity asset management assurance engagements from planning to completion stage often to tight deadlines;
- Implementing and providing expertise on technical accounting standards related to the Asset Management industry;
- Actively coaching staff either through a direct mentoring relationship or through specific engagements to ensure their personal and professional development;
- Building, maintaining and growing client relationships; and
- 2 year commitment preferred however will consider shorter term for individuals with relevant skill sets.

Interested candidates should apply in writing, including your resume to:
