

HeadStart audit associates

pwc

Are you a Bermudian graduate who is ready to embark on a challenging and rewarding career with a firm that is committed to your personal and professional development?

Are you...?

- A recent graduate of, or graduating in 2012 from an accredited university with a business-related degree?
- Committed to studying as part of a three year training programme towards a recognised accounting designation?
- Able to self-motivate and take responsibility for your personal growth and development?
- Able to demonstrate strong problem-solving skills, prioritise and handle multiple tasks?

Why not take advantage of our HeadStart audit associate program?

What you can expect...

- Active coaching and mentoring as well as generous financial support;
- Take an active role in delivering PwC's core audit services to clients;
- A challenging professional experience which allows you to acquire distinctive technical career skills while building personal confidence.
