

# Senior Associate - Asset Management

PwC is a leading professional services firm and we pride ourselves on our vision, values and the ability to provide exceptional service to a vast network of clients. We are a firm full of energy, challenge, innovation and opportunities. Our people connect their thinking, experience and solutions to enhance value to our clients.

PwC Bermuda has opportunities for a Senior Associate to join the Asset Management team in August/September of 2013. The role involves the provision of assurance services (principally audit) to a range of clients in the asset management sector. Our client base includes hedge funds, private equity funds, investment managers and other various financial institutions and investment companies. There may also be opportunities to work on clients in banking and other local industries.

## **Responsibilities:**

Responsibilities will include but are not limited to: Working closely with experienced engagement managers, you will be involved in the planning, execution and completion of a variety of engagements including a group audit with multi-location scoping.

## **Required skills/ experience:**

- CA or CPA (or equivalent) designation and be familiar with an internationally recognized basis of accounting such as, but not limited to, US GAAP, IFRS, Canadian or UK GAAP;
- Strong communication and client relationship skills are essential, as is the ability to work both independently and within a team; and
- Previous experience in the asset management industry with knowledge of financial instruments and statutory reporting and experience with multiple entity reporting beneficial.

The successful candidate will receive an attractive, income tax free salary with bonus opportunity, 4 weeks annual vacation, medical insurance contributions and a comprehensive relocation package.

## **Interested candidates should apply in writing, including your resume to:**
