

Senior Associates Asset Management

PwC Bermuda is currently looking for Senior Associate Level candidates to join our Asset Management Group in the Fall of 2012. As a member of the PwC Bermuda Asset Management Group, you will be involved in the provision of assurance services (principally audit) to a range of clients in the asset management sector. Our client base includes hedge funds, private equity funds, investment managers and other various financial institutions and investment companies. There may also be opportunities to work on clients in banking and other local industries.

Essential Qualification/ Skills:

- CA/CPA or equivalent ICAB recognized qualification required;
- Minimum of 2 years post-qualification experience in a public accounting firm required ;
- Excellent communication, presentation and organisational skills essential;
- Knowledge of public accounting and audit practices, procedures and reporting;
- Familiarity with an internationally recognised basis of accounting such as but not limited to US GAAP and IFRS procedures and standards;
- Must have a strong technical base and the ability to research and resolve difficult client issues; and
- Previous experience in the asset management industry or knowledge of financial instruments would be beneficial, however industry training will be provided.

Responsibilities will include and are not limited to:

- Working with managers on portfolio of medium to high complexity asset management assurance engagements from planning to completion stage often to tight deadlines;
- Implementing and providing expertise on technical accounting standards related to the Asset Management industry
- Building, maintaining and growing client relationships; and
- Minimum 2 year commitment required.

Interested candidates should apply in writing, including your resume to:
