CATALYST PAPER CORPORATION, ET AL MONITOR'S TWENTIETH REPORT TO COURT

August 24, 2012

1. INTRODUCTION

- 1.1 On January 31, 2012, on the application of Catalyst Paper Corporation and the entities included in Appendix A (collectively referred to as “**Catalyst**” or the “**Company**”), the Supreme Court of British Columbia (the “**Court**”) made an order (the “**Initial Order**”) granting Catalyst protection from its creditors pursuant to the *Companies’ Creditors Arrangement Act* (the “**CCAA**”). Under the Initial Order, PricewaterhouseCoopers Inc. was appointed Monitor of the Company (the “**Monitor**”).
- 1.2 On June 25, 2012, the Company’s second amended plan of compromise and arrangement (the “**Second Amended Plan**”) was approved by the Affected Creditors (as defined in the Second Amended Plan). On June 28, 2012, the Court made an order (the “**Sanction Order**”) sanctioning and directing the Company to implement the Second Amended Plan.
- 1.3 Pursuant to the Initial Order, there is a stay of proceedings against the Company (the “**Stay of Proceedings**”). The Stay of Proceedings has been extended by subsequent Orders of the Court, most recently until the later of September 30, 2012 and the Effective Date of the Second Amended Plan.
- 1.4 This is the Monitor’s 20th Report to Court. The purpose of this report is to advise the Court of the following matters:
 - 1.4.1 The activities of the Company since the 19th Report;
 - 1.4.2 The Company’s application to approve the sale of its Elk Falls mill lands and related assets (collectively, the “**Elk Falls Mill**”) to Pacifica Deep Sea Terminals Incorporated (“**PDST**”);
 - 1.4.3 The Company’s application for an order, among other things, recognizing an order of the US Court (as defined below) approving the rejection of certain executory contracts and unexpired leases relating to the Snowflake mill, which is being closed, and approving an agreement with a counterparty to one of the Snowflake Contracts (as defined below); and

1.4.4 The Company's application to set a date in respect of the previously postponed annual meeting of shareholders for the 2011 fiscal year (the "**Shareholders Meeting**") and the term of appointment of the new directors of the Company.

1.5 Unless otherwise stated, all monetary amounts noted herein are expressed in Canadian dollars.

1.6 All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in Affidavit #8 of Robert Lindstrom dated August 23, 2012 (the "**Lindstrom Affidavit**").

2. BACKGROUND

2.1 The facts surrounding the Company's application for the Initial Order were set out in the Petition filed by Catalyst in the CCAA proceedings on January 31, 2012, a copy of which can be found on the Monitor's website at:

www.pwc.com/car-catalystpaper

2.2 All prescribed materials filed by Catalyst and the Monitor relating to this CCAA proceeding are available to creditors and other interested parties in electronic format on the Monitor's website. The Monitor will continue to post regular updates to the website and will add prescribed and other materials as required.

2.3 The United States Bankruptcy Court for the District of Delaware (the "**US Court**") has recognized these proceedings as a foreign main proceeding pursuant to Chapter 15 of the US Bankruptcy Code. The Monitor's website also contains materials relating to the Chapter 15 proceedings in the US Court.

3. ACTIVITIES OF THE COMPANY

Sanction and Implementation of the Second Amended Plan

3.1 The Second Amended Plan was sanctioned by the Court on June 28, 2012.

3.2 On August 3, 2012, the Company announced it had entered into a commitment letter with a Canadian chartered bank for a \$175 million syndicated asset based loan

August 24, 2012

facility. The facility is a pre-condition for the Company to exit from creditor protection. The Company also entered into a commitment letter for a secured exit notes facility of up to US\$80 million, to provide backstop financing should additional funding be required to pay costs and expenses or manage other contingencies on emergence from the CCAA proceedings.

- 3.3 On August 2, 2012, pursuant to an amendment to the Restructuring Support Agreement between the Company and certain of its noteholders, the deadline for implementing the Second Amended Plan was extended to September 14, 2012.

Second Quarter Results

- 3.4 The Company's financial results and management discussion & analysis ("MD&A") for the quarter ending June 30, 2012 were released on August 1, 2012. They have been posted on the SEDAR reporting website (www.sedar.com), and are also available on the Company's website at:

<http://www.catalystpaper.com/investors/quarterly-reports/2012-second-quarter>

- 3.5 The Company's MD&A provides a detailed explanation of the state of the Company's business and financial affairs consistent with the reporting requirements of the Monitor under section 23(1)(d)(ii) of the CCAA. The Monitor has considered the Company's comments in the MD&A and the financial statements and has nothing to add to them. The Monitor did not audit, review, or otherwise attempt to verify the accuracy or completeness of the information in the MD&A and the financial statements, and accordingly the Monitor expresses no opinion or other form of assurance on the information contained therein.

Closure of Snowflake mill

- 3.6 On July 30, 2012, the Company announced its intention to permanently close its recycled paper mill in Snowflake, Arizona, as well as the Apache Railway Company which serviced the Snowflake mill. The closure is effective September 30, 2012.
- 3.7 The background to the closure of the Snowflake mill was set out in the Company's July 30, 2012 press release, a copy of which is attached as **Appendix "B"**, as well as the Eleventh Declaration of Brian Baarda sworn July 31, 2012 and filed in the Chapter

15 proceedings (the “**Eleventh Declaration**”), a copy of which is attached as **Appendix “C”**.

- 3.8 In accordance with the terms of the Initial Order, the Monitor was advised of the reasons for the Company’s decision to close the Snowflake mill and consented to the closure. The reasons for the closure of the mill include the following:
- 3.8.1 The Snowflake mill has not generated positive earnings before interest, taxes, depreciation and amortization (“**EBITDA**”) since 2009. The Company’s analysis indicated that the ability of the mill to generate profits going forward would be difficult given declining demand for newsprint and increasing input costs;
 - 3.8.2 The closure of the mill is anticipated to generate material cost savings and stem further losses from operations, which the Company has indicated would not be possible if the mill continued to operate as-is;
 - 3.8.3 Both prior to and during the CCAA proceedings, the Company undertook a diligent marketing process to find a buyer for the Snowflake mill as a going concern, but no acceptable buyers were identified; and
 - 3.8.4 As referenced in the Monitor’s 15th and 17th Reports on the fairness and reasonableness of the Second Amended Plan, the reduction of costs going forward is important to the Company’s ability to successfully emerge from creditor protection.

Sale of Port Alberni wastewater treatment facility

- 3.9 On August 13, 2012, the Company announced that it had reached an agreement-in-principle with the City of Port Alberni to sell the Company’s wastewater treatment facility and additional lands to the City of Port Alberni for \$5.75 million. Implementation of the transaction is subject to completion of final documentation and obtaining governmental and third party consents and approvals. The Monitor understands that the Company will apply to this Court for approval of this transaction should it be finalized prior to its emergence from CCAA protection.

August 24, 2012

Sale of PREI

- 3.10 The Company is continuing to work with parties interested in purchasing its interest in Powell River Energy Inc (“**PREI**”).

4. SALE OF ELK FALLS MILL SITE

- 4.1 The Company is seeking this Court’s approval of the sale of the Elk Falls Mill to PDST pursuant to a purchase and sale agreement dated August 16, 2012 (the “**Sale Agreement**”) among Catalyst Paper Corporation, Catalyst Pulp Operations Limited, Elk Falls Pulp and Paper Limited and PDST.
- 4.2 The Lindstrom Affidavit provides the background and overview of the Elk Falls Mill and the sales and marketing process culminating in the Sale Agreement. By way of additional background:
- 4.2.1 The Elk Falls Mill site is located near Campbell River, B.C. When it was fully operational, the mill produced both pulp and paper products. In 2008, the Company ceased pulp production and in 2009, it ceased paper production. The Company cited high operating costs and market conditions for the closures. In September 2010, the Company announced the permanent closure of the Elk Falls mill.
- 4.2.2 In the months after the closure, the Company removed certain pieces of machinery and equipment to be used in the Company’s other operations. As reported in the Monitor’s 6th Report dated March 20, 2012, in September 2010, the Company hired Maynards Industries Ltd. to assist with the marketing and sale of the Elk Falls Mill site, as well as the mobile and other miscellaneous equipment located there. The equipment was marketed without significant success over the following year, primarily due to weak demand for mill assets and an excess supply of used pulp and paper machinery.
- 4.2.3 On March 21, 2012, the Court approved an agreement between the Company and Schnitzer Steel BC, Inc. for the removal, sale and scrapping of certain assets remaining on the mill site. This agreement expires on August 31, 2012.

CATALYST PAPER CORPORATION, ET AL MONITOR'S TWENTIETH REPORT TO COURT

August 24, 2012

- 4.3 The sale and investor solicitation process (the “**SISP**”) was managed by Perella Weinberg LLP (“**Perella**”), the Company’s advisors. As indicated in the Lindstrom Affidavit, although the SISP was suspended upon pronouncement of the Sanction Order, the Company and Perella continued to generally follow the provisions of the SISP in order to solicit offers to acquire the Elk Falls Mill and negotiate a binding agreement of purchase and sale. The primary point of departure from the terms of the SISP was the decision not to hold an auction for the Elk Falls Mill, but rather to negotiate a purchase and sale agreement with the preferred bidder. Given the overall circumstances, including the lack of a stalking horse bidder and the nature of the binding offers received by the Company, the Monitor has no concerns with that decision.
- 4.4 The Monitor is advised that Perella contacted approximately 75 parties and received several non-binding indications of interest in Phase 1 of the sales process. Certain of these parties subsequently submitted binding offers (the “**Binding Offers**”) to purchase after conducting further due diligence, and of these offers the Company selected the PDST offer as the superior bid.
- 4.5 Based on the Monitor’s review of the Binding Offers submitted, the Monitor agrees that the Binding Offer submitted by PDST (which became the Sale Agreement) is the superior offer in terms of price and conditions. The key terms of Sale Agreement are as follows:
- 4.5.1 The total purchase price is \$8.61 million, of which \$8.31 million is attributable to the lands and improvements and \$0.3 million to the mobile equipment;
- 4.5.2 PDST will assume all liabilities associated with the Elk Falls Mill site, including all environmental claims whether arising before or after closing and all claims against the assets by any First Nations;
- 4.5.3 PDST has agreed to offer any employment positions on the site to former Catalyst employees at the Elk Falls Mill, then to residents of Campbell River prior to offering positions to the general public; and
- 4.5.4 Closing is to occur on or before September 5, 2012.

CATALYST PAPER CORPORATION, ET AL MONITOR'S TWENTIETH REPORT TO COURT

August 24, 2012

- 4.6 The other Binding Offers received were lower in value and did not provide for the assumption of any environmental liabilities.
- 4.7 The Monitor recommends that the Court approve the sale of the Elk Falls Mill to PDST pursuant to the Sale Agreement. The Monitor is of the view that the sales process undertaken by the Company for the Elk Falls site was carried out in a thorough and appropriate manner, substantially consistent with the terms of the SISP, in order to maximize the recovery from the Elk Falls Mill site. The Sale Agreement represents the highest purchase price offered for the assets, and also provides for the assumption of certain liabilities and additional benefits to the Campbell River community.
- 4.8 The Monitor understands that the Elk Falls Mill assets being sold pursuant to the Sale Agreement are subject to either, or both, the First Lien Note Security and the DIP Lenders' Charge. It is intended that the proceeds from the transaction shall stand in place and stead of the Elk Falls Mill assets, without prejudice to the claims of any party claiming an interest therein. The proceeds are to be held by the Monitor and are to be released to the Company on the Effective Date of the Second Amended Plan or as further directed by the Court.

5. RECOGNITION ORDER

- 5.1 The Company will be seeking an order (the "**Recognition Order**"):
 - 5.1.1 Recognizing an order of the US Court anticipated to be made on August 24, 2012 (the "**US Order**") concerning the rejection of certain executory contracts and unexpired leases (the "**Snowflake Contracts**") pertaining to operations at the Snowflake mill, as well as the approval of an Asset Sale and Power Agreement (the "**Settlement Agreement**") between Catalyst Paper (Snowflake) Inc. and Snowflake Power, LLC ("**Snowflake Power**"); and
 - 5.1.2 Establishing a claims process for the counterparties to the Snowflake Contracts to enable those parties to prove their Restructuring Claims (as defined in the Claims Procedure Order of this Court dated March 22, 2012) arising from the termination of those contracts.

CATALYST PAPER CORPORATION, ET AL MONITOR'S TWENTIETH REPORT TO COURT

August 24, 2012

- 5.2 The Settlement Agreement is more fully described in the Twelfth Declaration of Brian Baarda sworn August 23, 2012 and filed in the Chapter 15 proceedings (the “**Twelfth Declaration**”), a copy of which is attached as **Appendix “D”**.
- 5.3 The hearing of the motion for the US Order began on August 14, 2012, and was continued over to August 24, 2012.
- 5.4 The Monitor understands that the Company will be filing an affidavit containing the materials filed with the US Court in support of their application for the Recognition Order, including the Eleventh Declaration and the Twelfth Declaration, a copy of the US Order (if granted), and any other relevant supporting material. The Monitor has also reviewed copies of the Snowflake Contracts and discussed the planned termination of these contracts with the Company.
- 5.5 The Monitor is supportive of the termination of the Snowflake Contracts. Given the closure of the Snowflake mill as discussed above, the goods and services supplied under the Snowflake Contracts will not be required after September 30, 2012. The termination of these contracts will result in material savings to the Company, which, as indicated above, will help to enable the Company to successfully emerge from creditor protection.
- 5.6 The Monitor understands that the relief sought by the Company in the US Order to terminate contracts pursuant to section 365(a) of the US Bankruptcy Code is similar to what actions the Company may take pursuant to section 32 of the CCAA. The Monitor also understands that the Company sought the US Order in the Chapter 15 proceedings at the first instance rather than relying on the CCAA provisions in this Court in recognition of the facts that the Snowflake mill and operations are located in the United States, most of the Snowflake Contracts are with US-based companies and the Snowflake Contracts are subject to US law.
- 5.7 The Monitor and its counsel have reviewed a copy of the proposed order in the Chapter 15 proceedings and consider that it would be appropriate for this Court to recognize the order if granted in the form filed. The Monitor will address any material differences between the form of order sought and that granted by the US Bankruptcy Court at the hearing of the application for the Recognition Order.

CATALYST PAPER CORPORATION, ET AL MONITOR'S TWENTIETH REPORT TO COURT

August 24, 2012

- 5.8 As noted above, the proposed Recognition Order refers to the approval the Settlement Agreement. The Monitor understands that Snowflake Power is a third party that operates a biomass power plant on the Snowflake mill site. Under the Settlement Agreement, the Company agrees, among other things, to sell to Snowflake Power the real estate on which the power plant is located, and the right to operate and potentially purchase certain equipment and spare parts (subject to the Company's right to liquidate those assets under a subsequent sale process). In exchange for this, Snowflake Power agrees to consent to the rejection of its Snowflake Contract. The Monitor understands that the Settlement Agreement will be filed with the Court.
- 5.9 The Monitor is of the view that it is appropriate to approve the Settlement Agreement as part of the Recognition Order. The Settlement Agreement was reached following certain objections raised by Snowflake Power to the terms of the US Order as described in the Twelfth Declaration; as noted above, under the Settlement Agreement, Snowflake Power will now agree to withdraw those objections and consent to the rejection of its Snowflake Contract. Snowflake Power is currently occupying the real property and using the assets referred to in the Settlement Agreement in its current operations. While these assets have been marketed to date as part of the wider sale process for the Snowflake mill, they have not been marketed on their own. Even so, the Monitor considers that Snowflake Power is the logical and perhaps only purchaser of the real property which it currently occupies. The right of the Company to sell the assets (other than the real property) in a competitive process is retained through the terms of the Settlement Agreement.
- 5.10 The Settlement Agreement provides for a sale and investor solicitation process and certain bidding procedures (the "**Snowflake SISP**") for the Snowflake mill. As indicated in the Twelfth Declaration, the Snowflake SISP provides an opportunity for Snowflake Power to bid on and acquire the assets it is not otherwise acquiring through the Settlement Agreement. It is contemplated that the Snowflake SISP would continue and be concluded after the Effective Date of the Second Amended Plan.
- 5.11 Under the proposed Recognition Order, the counterparties to the Snowflake Contracts (the "**Snowflake Creditors**") will be permitted to file proofs of claim in order to assert Restructuring Claims arising from the termination of their Snowflake Contracts. The Company has estimated that the total claims of Snowflake Creditors

CATALYST PAPER CORPORATION, ET AL MONITOR'S TWENTIETH REPORT TO COURT

August 24, 2012

(collectively, the “**Snowflake Claims**”) are expected to be in the range of US\$13 million.

- 5.12 The Monitor has calculated that even if all of the Snowflake Claims were admitted in the amount of US\$13 million, and all those creditors voted against the Second Amended Plan, the outcome of the vote would not be affected. Moreover, the estimated distribution to creditors referenced in the Monitor's 17th Report would decrease by approximately only one-tenth of one cent, or less than 3% of the estimated pro-rata distribution. Accordingly, the Monitor believes that there is no prejudice arising from the addition of the Snowflake Claims at this stage of the proceeding.
- 5.13 Snowflake Creditors will be provided with details on the process for filing Snowflake Claims. Their claims must be filed before September 13, 2012 (the “**Snowflake Claims Bar Date**”). This claims process is limited to the claims arising from the termination of the Snowflake Contracts only; other creditors who did not previously file a claim in these proceedings, and who are not Snowflake Creditors, will not be permitted to file a claim.

6. ANNUAL MEETING OF SHAREHOLDERS

- 6.1 The Company is seeking an order setting the time for calling the next Shareholders' Meeting in respect of the fiscal year ended December 31, 2011 as June 30, 2013. The Court made an order on May 10, 2012 extending the deadline for holding the Shareholders' meeting until a date set by further order of the Court. The Company is also seeking an order that the term of the directors of the Company appointed pursuant to the Second Amended Plan continue until the annual meeting of shareholders of the Company next following the first anniversary date of the Effective Date under the Second Amended Plan.
- 6.2 The Monitor understands that the Company continues to make regular public disclosures in accordance with the Company's ongoing disclosure requirements under securities laws and regulations. As part of that reporting process, as noted above, on August 1, 2012, the Company filed its second quarter 2012 financial statements. Financial and other disclosures by the Company in connection with the CCAA proceedings are publicly available on the Monitor's website.

CATALYST PAPER CORPORATION, ET AL MONITOR'S TWENTIETH REPORT TO COURT

August 24, 2012

- 6.3 In its 14th Report, the Monitor noted that the Company expects to postpone the Shareholders Meeting until after the CCAA proceedings are completed. The Monitor considers that a deferral of the Shareholders' Meeting is appropriate so that the efforts of the Company's management team can continue to be focused on the implementation of the Second Amended Plan and the stabilization of the business. The Monitor accepts that it is appropriate to provide some period of time to achieve these aims, but expresses no view on the date selected.

7. CONCLUSION

- 7.1 The Monitor confirms its recommendations to the Court that it grant Orders:
- 7.1.1 Approving the sale of the Elk Falls Mill to PDST pursuant to the Sale Agreement;
 - 7.1.2 Recognizing the US Order, approving the Settlement Agreement, and permitting the filing of the Snowflake Claims; and
 - 7.1.3 Further postponing the Shareholders' Meeting and setting the term of the new directors.

This report is respectfully submitted this 25th day of August, 2012.

July 30, 2012 Press Release regarding closure of Snowflake Mill

Catalyst to permanently close Snowflake recycle paper mill

Release Date: Monday, July 30, 2012

Monday, July 30, 2012

Richmond, BC – Catalyst Paper today announced the permanent closure of its Snowflake recycle mill located in northeastern Arizona and its subsidiary the Apache Railway Company. This follows extensive efforts to improve the operation's financial performance in the face of intense supply input and market pressures. The operation is scheduled to shut production on September 30, 2012.

"The decision to close Snowflake is an extraordinarily difficult one given the exceptional effort that employees, unions and public officials have given to address the unique challenges at this mill, said President and CEO Kevin J. Clarke. "We understand and regret the difficult impact within the Snowflake community and surrounding region created by closure of the mill. I want to acknowledge and thank all who have given us their unwavering support and cooperation. There were no stones left unturned."

Catalyst implemented a number of measures since acquiring the Snowflake operation in 2008, to address market challenges and input cost pressures. These included production of higher-value specialty paper grades at what was formerly a newsprint-only mill, capital investment, productivity, quality and service improvements, full leverage of the mill's environmental attributes, and competitive labour agreements. Catalyst has also explored a range of alternatives, including attempting to sell the mill on a going concern basis.

However with newsprint demand down more than 10 per cent annually since the end of 2008, old newsprint (ONP) price volatility and higher freight costs as procurement and sales have been forced to go further afield to source recycled paper supply and secure product orders, the mill's profitability could not be restored. ONP prices have increased approximately 163% since 2009. A US\$5 per ton increase in ONP price has a negative impact of approximately US\$2 million on EBITDA and approximately US\$1 million on net earnings. Snowflake generated negative EBITDA since 2009. The closure of the mill is expected to result in savings of annualized selling, general and administrative expenses and avoid future operating losses associated with Snowflake. Catalyst recorded a \$161.8 million asset impairment charge, required under GAAP, in the latter half of 2011. The

closure will result in some initial cash costs, which are expected to be recouped from working capital and the sale of Snowflake mill assets in 2013.

“Reduced quality of ONP as municipalities moved to single stream waste recovery combined with ONP price volatility driven by export markets were obstacles on the input side. Added to these challenges are the protracted demand decline for recycled newsprint and other printing papers. While we did everything possible to prevent this outcome, employees, vendors and customers needed the certainty that today’s announcement provides,” Mr. Clarke said.

Mr. Clarke and other Catalyst executives are meeting today with employees and union representatives at the Snowflake Mill and Apache Railway Company to outline the closure plan. The operations currently employ 308 salaried and hourly workers. Catalyst will honor its obligations to employees and will work closely with suppliers, customers and regulators through the wind-down of operations. The site will subsequently be prepared for sale and repurposing.

Catalyst is contacting Snowflake customers today to advise them of specific transition plans. The closure is not anticipated to have any impact on operations at Catalyst’s other mills. The company offers a range of environmentally preferred products, using fibre sourced from sustainably managed forests and manufactured at its low-carbon mills in BC.

Catalyst Paper manufactures diverse specialty mechanical printing papers, newsprint and pulp. Its customers include retailers, publishers and commercial printers in North America, Latin America, the Pacific Rim and Europe. With four mills, located in British Columbia and Arizona, Catalyst has a combined annual production capacity of 1.8 million tonnes. The company is headquartered in Richmond, British Columbia, Canada and is ranked by Corporate Knights magazine as one of the 50 Best Corporate Citizens in Canada.

5. The primary assets of Snowflake include, among other things, a 100% recycled newsprint and specialty paper manufacturing operation (the “Snowflake Mill”) located in northeastern Arizona. The Snowflake Mill has approximately 300 employees, and operates two

² Unless otherwise defined herein, capitalized terms used herein shall have the meanings ascribed to them in the Rejection Motion.

paper machines with a total annual capacity of 289,000 tons of newsprint and 48,000 tons of specialty papers. The assets of Snowflake also include 100% of the equity interests in The Apache Railway Corporation, which operates a shortline railroad of approximately 38 miles in length from a connection with the BNSF Railway at Holbrook, AZ to the Snowflake Mill.

6. CPC purchased the Snowflake operations, including the assets described above, from Abitibi Consolidated Sales Corporation in early 2008. Following the acquisition, North American demand for newsprint has declined sharply, while concurrently supply and fuel prices have experienced sharp volatility. Since the end of 2008, newsprint demand has declined by more than 10% annually driven by a number of factors, including reduced circulation, ongoing conservation, and migration to electronic media. Simultaneously, old news print prices have increased approximately 163% since 2009. Furthermore, freight costs have risen, as old news print needs to be sourced from more remote locations and finished product needs to be delivered farther from the Snowflake Mill.

7. Snowflake has implemented a number of operational and other measures to address the various cost pressures, including introducing the production of higher-value specialty paper grades, increasing capital investment and productivity, making quality and service improvements, fully leveraging the Snowflake Mill's environmental attributes, and entering into competitive labor agreements. However, these measures have not sufficed to offset the cost pressures.

8. Due to the various economic pressures described above, Snowflake has generated negative EBITDA since 2009, with negative EBITDA³ of US \$21.6 million in 2011 and

³ Note that EBITDA figures provided herein exclude corporate SG&A chargeable to Snowflake, some of which will translate into additional cost savings.

projected negative EBITDA of US \$2.8 million in 2012. Furthermore, in Q3 2011 the Company recorded an impairment charge of CAD\$151.0 million (US\$145.3 million), pursuant to U.S. GAAP principles, on certain assets of Snowflake.

9. In May 2011, as the Company faced the necessity of recording the impairment charge on the Snowflake assets, the Company retained RBC Capital Markets (“RBC”) as its financial advisor to explore a potential sale transaction involving the Snowflake assets. RBC marketed the assets aggressively for over a year, initially approaching eighteen (18) parties, of which eight (8) ultimately signed nondisclosure agreements. The Company and RBC pursued a lengthy sales process with a number of interested bidders, and the Company entered into negotiations with a number of prospective buyers. However, despite the comprehensive and aggressive efforts, the Company and RBC were ultimately unable to reach a binding sale agreement with an interested buyer.

10. Following the failure of the sales process, the Company consulted with its advisors and ultimately came to the decision to permanently close the Snowflake Mill, effective September 30, 2012. The Company estimates that it will incur non-recurring costs totaling approximately US \$5 million in the aggregate in connection with the closure of the Snowflake Mill. These closure costs are expected to be recouped from working capital and the sale of certain Snowflake Mill assets in 2013.

11. However, in an effort to ease the transition for customers, vendors and employees, the Company has prepared a closure plan which includes: (a) operating the Snowflake Mill through July and August in order to fulfill certain customer orders through the end of the year; (b) continuing to purchase supplies from vendors and process payment in return for such supplies in order to fulfill the remaining customer orders; (c) complying with its collective bargaining

agreements and complying with any obligations imposed by any applicable federal or state employment laws.

12. In connection with the upcoming termination of operations at the Snowflake Mill, the Debtors are now seeking to reject the Snowflake Contracts, which are listed on Exhibit A attached hereto and which are related to the Snowflake Mill operations. After the Closure Date, the Snowflake Contracts will no longer benefit the Debtors' estate, and the Debtors believe, in a valid exercise of their business judgment, supported by the Monitor, that the rejection of the Snowflake Contracts is in the best interest of the Debtors' estates. The proposed rejection of the Snowflake Contracts will result in up to US \$13 million of cost savings to the Debtors.

13. Many of the Snowflake Contracts involve the supply of wastepaper to Snowflake by various suppliers, or the transportation of either supply or finished products to and from the Snowflake Mill. After the Snowflake Mill operations cease on September 30, Snowflake will no longer require any supplies, or any related transportation. The unexpired lease of nonresidential real property included in the Snowflake Contracts relates to a parcel of real property which Snowflake leases to a lessee entity. Included in the lease are certain obligations for Snowflake to perform a number of services for the benefit of lessee. As Snowflake plans to shut down operations and terminate a large portion of its workforce effective September 30, Snowflake will no longer be able to fulfill its obligations under the lease agreement.

14. By rejecting the Snowflake Contracts, the Debtors will avoid incurring unnecessary postpetition charges relating to contracts that will no longer provide any benefit to the Debtors' estates.

15. Based on the foregoing, I believe that the relief requested in the Rejection Motion is well-justified, necessary to a successful reorganization of the Debtors, and in the best interests of the Debtors and their creditors and should be granted in full.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge, information and belief.

TWELFTH DECLARATION OF BRIAN BAARDA

I, Brian Baarda, hereby declare as follows:

1. I am the Vice President, Finance and Chief Financial Officer of Catalyst Paper Corporation (“CPC”), the authorized foreign representative of the above-captioned debtors (collectively, the “Debtors” and, together with the Debtors’ non-Debtor affiliates, the “Company”). I have held these positions since November 2009. I joined the Company in 1989 and have worked in several locations and held a number of senior accounting and analysis positions until moving to the operations side of the Company in 2001 as the pulp mill manager at the former Elk Falls Division until 2003. From 2003 to 2005, I held the position of Vice President, Supply Chain. From 2005 to April 2008, I was the Vice President of the Powell River Division of CPC. From April 2008 to November 2009, I was the Vice President of Operations.

¹ These jointly administered cases are those of the following Debtors: 0606890 B.C. Ltd., Catalyst Paper Corporation, Catalyst Paper Energy Holdings Inc., Catalyst Paper General Partnership, Catalyst Pulp and Paper Sales Inc., Catalyst Pulp Operations Ltd., Catalyst Pulp Sales Inc., Elk Falls Pulp and Paper Ltd., and Pacifica Poplars Ltd. (collectively, the “Canadian Debtors”) in addition to Catalyst Paper Holdings Inc., Pacifica Papers U.S. Inc., Pacifica Poplars Inc., Pacifica Papers Sales Inc., Catalyst Paper (USA) Inc., Catalyst Paper (Recycling) Inc., Catalyst Paper (Snowflake) Inc., and The Apache Railway Company (collectively, the “U.S. Debtors”).

2. I am authorized by the Debtors to make this declaration (the “Twelfth Declaration”). I submit this Twelfth Declaration in further support of the Debtors’ *Motion for Order (I) Authorizing the Debtors to Reject Certain Executory Contracts and Unexpired Leases for Nonresidential Real Property and (II) Granting Related Relief Pursuant to Bankruptcy Rules 2002 and 6006 and 11 U.S.C. §§ 105(a), 363, 1507, and 1521* (the “Rejection Motion”) [Docket No. 175].²

3. In my capacity as Vice President, Finance and Chief Financial Officer, I have been aware of and consistently informed of matters concerning the evaluation of and decision to shut down the Snowflake Mill facility owned and operated by Catalyst Paper (Snowflake) Inc. (“Snowflake”), and the rejection of the Snowflake Contracts in connection with the cessation of operations.

4. Except as otherwise indicated, all facts set forth in this Twelfth Declaration in further support of the Rejection Motion are based upon my personal knowledge, information supplied to me by other members of the Debtors’ management and professionals, learned from my review of relevant documents, or upon my opinion based upon my experience and knowledge of the Debtors’ industry, operations, and financial condition. I am an individual over the age of 18 and, if called upon to testify, I could and would testify competently to the facts set forth herein.

5. As described in further detail in the *Eleventh Declaration of Brian Baarda* [Docket No. 176], previously filed in support of the Rejection Motion, the Company recently decided to close the Snowflake Mill, effective September 30, 2012. As a part of the closure plan,

² Unless otherwise defined herein, capitalized terms used herein shall have the meanings ascribed to them in the Rejection Motion.

the Company is seeking to reject certain executory contracts and an unexpired lease of nonresidential real property, which will no longer benefit the Debtors' estate. Accordingly, the Debtors filed the Rejection Motion and have been working to resolve informal objections and disputes related to the relief requested. The Debtors now request this Court to approve its settlement with Snowflake Power, LLC as described below.

6. As of the date of the Motion, Catalyst Paper (Snowflake) Inc. ("Snowflake") and Snowflake Power, LLC ("Power" and, together with Snowflake, the "Parties") were parties to an unexpired lease of nonresidential real property effective as of September 14, 2005 (collectively with all schedules, addenda and amendments thereto, the "Lease"), with respect to the lease of certain property for the purposes of operating a power plant in conjunction with the Snowflake Mill, which was also the subject of related agreements between the Parties. The Lease also required Snowflake to perform certain related services in connection with the leased property. Following the September 30 closure of the Mill facilities, Snowflake will have neither the resources nor the personnel to fulfill its service obligations under the Lease.

7. The relief requested in the Motion with respect to the Lease was vigorously disputed by Power, and such dispute could have had a disproportionate impact on the Debtors' overall restructuring efforts. In addition, any litigated outcome on the Motion would have resulted in an imperfect solution for the Parties. Specifically, the grant of the Motion would have remained subject to Power's rights to continue to occupy the leased premises under section 365 of the Bankruptcy Code, albeit without the effective ability to operate a power plant. The denial of the Motion would have avoided rejection of the lease but, due to the closure of the Mill, Power would still have lacked the effective ability to operate a power plant in the long term.

8. The Parties have successfully resolved their disputes in the context of an agreement (the “New Agreement”) substantially in the form attached hereto as Exhibit A. The Parties have negotiated the New Agreement without collusion and in good faith. The Parties’ negotiations are being conducted from arm’s-length bargaining positions. Power, its Affiliates and their respective representatives have proceeded in good faith and without collusion in all respects in connection with this proceeding.

9. Among other things, the New Agreement provides³ for transition services to Power that relieve the Debtors of certain costs, result in certainty for the Parties, and permit Power to continue to operate during a transition period. More specifically, the New Agreement contemplates three basic obligations on the part of the Debtors. First, the Debtors will immediately sell certain real estate and equipment to Power to allow them to relocate the necessary facilities and carry on their operations for a time. The Debtors have been working to dispose of these and related assets for many months, so the Debtors believe that the consideration provided in the New Agreement is within a range of market value, in light of the mill’s closure.

10. Second, although the New Agreement calls for the Debtors to provide certain continuing transition services to Power, those services are being reimbursed at cost.

11. Third, the New Agreement requires, as an integral part of the overall settlement, that the Debtors pursue a sale process with respect to the U.S. Catalyst Assets pursuant to the proposed bidding procedures (the “Bidding Procedures”) substantially in the form attached hereto as Exhibit B. This process is integral to the settlement because it affords Power a full and fair opportunity to bid on and acquire assets that may be important to its future operations.

³ The description of the New Agreement’s terms provided herein is not intended to amend, supersede, vary or supplement the terms of the New Agreement. In the event of any discrepancy between the New Agreement and this Declaration, the New Agreement shall prevail.

Absent this process, the parties would have been unable to resolve their disputes. The process contemplated is largely consistent with the process that the Debtors intended to pursue in any event. Power specifically conditioned its agreement on continued court supervision of the final result of the auction, which the Debtors were willing to accommodate. With respect to any liens and encumbrances on the property that will be transferred to Power under the New Agreement, the Debtors expect to remove such liens and encumbrances as a consequence of the consummation of the Second Amended Plan, and representatives of certain holders of the secured 11% senior notes due December 15, 2016 have participated directly in the negotiations with Power.

12. Accordingly, CPC believes that the New Agreement and the Bidding Procedures will maximize the value of the Debtors' U.S. assets, and result in the fair treatment of the Debtors and of Power, particularly with respect to those assets which are important to the operation of the power plant.

13. Based on the foregoing, I believe that the relief requested in the Rejection Motion is well-justified, necessary to a successful reorganization of the Debtors, and in the best interests of the Debtors and their creditors and should be granted in full. Furthermore, I believe that the relief requested in connection with the New Agreement, including the approval of the Bidding Procedures, is also well-justified, necessary to a successful reorganization of the Debtors, and in the best interests of the Debtors and their creditors and should be granted in full.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge, information and belief.

(f) On or before the Real Property Closing Date, the Seller shall cause to be released of record any consensual monetary encumbrances, improvement district Liens and special taxing district Liens encumbering the Real Property (other than Permitted Encumbrances).

The Purchaser, at its sole cost, shall thereafter restore the Real Property to substantially the condition which existed prior to performing such tests and studies and indemnify the Seller for, from and against any liability deriving therefrom, including liability from and against any mechanics', materialmen's and professional service liens against the Real Property, which indemnification shall survive the Real Property Closing or the termination of this Agreement. Notwithstanding anything to the contrary contained in this Agreement, at any time on or before September 21, 2012 (the "***Feasibility Termination Date***"), the Purchaser shall have the right, in its sole discretion, to determine whether it will proceed with the purchase of all or any part of the Real Property or terminate this Agreement with respect to some or all of the Real Property as a result of its dissatisfaction with such inspections and studies. If, on or before the Feasibility Termination Date, the Purchaser delivers written notice to the Seller and Escrow Agent that it has determined not to proceed with purchasing some or all of the Real Property, then this Agreement shall automatically terminate with respect to the Real Property at issue on the date of the Purchaser's delivery of written notice of its election not to proceed. If the Purchaser does not deliver written notice waiving this contingency by the Feasibility Termination Date, the Purchaser shall be deemed to have elected to proceed with the purchase of the Real Property. Notwithstanding the provisions of this Section 2.7 to the contrary, in the event the environmental consultant engaged by the Purchaser to conduct a Phase 1 Environmental Site Assessment of the Real Property recommends in such Phase 1 Environmental Site Assessment that further investigations or environmental audits of the Real Property be performed (e.g., a Phase 2 Environmental Site Assessment), then the Feasibility Termination Date shall automatically be extended to the date that is five Business Days following receipt by the Purchaser of such Phase 2 Environmental Site Assessment, but in no event shall such extension be longer than 45 days. For the avoidance of doubt, nothing in the preceding Sections 2.4, 2.5, 2.6, or in this Section 2.7 shall affect the Settlement Closing Date in any way.

4.5 Real Property. To the best of Seller's knowledge, (a) there are no contracts granting to any party or parties (other than the Purchaser pursuant to the Lease) the right of use or occupancy of any portion of the Real Property (b) there are no outstanding options or rights of first refusal to purchase the Real Property, or any portion thereof or interest therein (other than in favour of the Purchaser) and (c) the Seller has not received notice of (i) any condemnation proceeding with respect to any portion of the Real Property or any access thereto, or (ii) any special assessment which may affect the Real Property.

4.6 Brokers. No broker, finder or investment banker is entitled to any brokerage, finder's or similar fee or commission in connection with the transactions contemplated by this Agreement and the other Transaction Documents based upon arrangements made by or on behalf of the Seller or any of its Affiliates.

ARTICLE V

COVENANTS AND OTHER AGREEMENTS

5.1 Bankruptcy Court Approval. The Seller and the Purchaser acknowledge that this Agreement and the transactions contemplated hereby are subject to entry of a U.S. Bankruptcy Court order approving this Agreement and such transactions (the "***Approval Order***"), which Approval Order may be entered as part of or in connection with any order approving the relief sought in the Rejection Motion. Pursuant to this Agreement, the Seller covenants to use its best efforts to ensure that the Approval Order provides the following:

(a) Approval, pursuant to Bankruptcy Code Sections 363(b) and (f), of this Agreement and the sale of the Assets to the Purchaser free and clear of all Liens and Claims (other than Permitted Encumbrances);

(b) That the Purchaser acted in good faith and is a good faith buyer of the Assets within the meaning of the Section 363(m) of the Bankruptcy Code and that the sale of the Assets to the Purchaser is in the best interests of the Debtors' estates and its creditors;

(c) That the Purchase Price paid by the Purchaser represents the fair value of the Assets and that the sale does not constitute a preferential transfer or fraudulent conveyance under the Bankruptcy Code or applicable state Law; and

(d) That the terms of this Agreement will be binding on any successor, assignee or purchaser of the Seller and/or any of its assets.

To the extent that the Seller cannot obtain an Approval Order that includes the foregoing provisions in connection with the approval of the Rejection Motion, the Seller covenants to use its best efforts to cause to be filed one or more sale motions pursuant to Bankruptcy Code Section 363 seeking proposed sale orders approving this Agreement and the sale of the Assets on terms consistent with the terms of this Agreement and this Section 5.1, with such sale motions and orders to be filed in a form acceptable to the Purchaser. The Seller shall also obtain an order

from the Canadian Court (the “*Canadian Approval Order*”) providing that the terms of this Agreement will be binding on any successor, assignee or purchaser of the Seller and/or any of its assets.

5.2 Cooperation.

(a) Within five (5) business days after signing the Agreement, each of the Parties shall use its commercially reasonable efforts to agree to the form of the Ancillary Agreements.

(b) Prior to the relevant Settlement Closing Date or Real Property Closing Date, upon the terms and subject to the conditions of this Agreement, each of the Parties shall use its commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, and cooperate with each other in order to do, all things necessary, proper or advisable under applicable Law to consummate the transactions contemplated by this Agreement as soon as practicable.

(c) Each of the Seller and the Purchaser shall promptly notify the other of the occurrence, to such Party’s knowledge, of any event or condition, or the existence, to such Party’s knowledge, of any fact, that would reasonably be expected to result in (i) any of the conditions set forth in ARTICLE VII not being satisfied or (ii) any of the representations and warranties in ARTICLE IV not being true and correct.

(d) The Seller shall draft and deliver a legal description for the Non-Leased Real Property to the Purchaser, and shall use its commercially reasonable efforts to deliver such legal description as soon as practicable following signing of this Agreement.

(e) The Seller shall cooperate with and consent to discussions between the Purchaser and APS in connection with any future agreements or arrangements between Purchaser and APS. The Seller shall not be obligated to take any action that would result in the accrual of any costs to the Seller in connection with such cooperation and consent.

5.3 Further Actions. From and after the relevant Settlement Closing Date or Real Property Closing Date, each of the Parties shall execute and deliver such documents and other papers and take such further actions as may reasonably be required to carry out the provisions of this Agreement and give effect to the transactions contemplated herein, including the execution and delivery of such assignments, deeds and other documents as may be necessary to transfer any Assets as provided in this Agreement.

5.4 Prorations and Charges. At the Real Property Closing, the Seller shall pay 50% of the premium for a standard owner’s policy of title insurance (including the costs of any endorsements issued by Escrow Agent in order to satisfy objections set forth in an Objection Notice which has not been waived and for which the Seller has elected to satisfy a Material Title Matter through an endorsement issued by Escrow Agent) with a limit of liability in the amount of the Real Property Purchase Price then being paid and the Purchaser shall pay any additional premium for any extended or other coverages obtained by the Purchaser and for any title endorsements required by the Purchaser or the Purchaser’s lenders. Any other costs incurred in the transfer of the Real Property from the Seller to the Purchaser shall be paid in accordance with

the customs of real estate transactions presently in effect in Navajo County, Arizona, as reasonably determined by Escrow Agent. Real property taxes and assessments based upon the latest available tax bill from the Navajo County Assessor, as adjusted for any increase or decrease in the assessed valuation, if any of the Real Property for the current tax fiscal year, shall be prorated as of the Real Property Closing and shall be assumed and paid thereafter by the Purchaser. Unless the Real Property has been separately assessed as of the Real Property Closing, Escrow Agent shall use as a basis for the tax proration a pro rata portion of the amount shown for real property taxes in the most recent tax bill issued for the assessor's parcel of which the Real Property is a part. The allocation of taxes between the Real Property and the balance of the property covered by such tax bill shall be determined by multiplying the amount shown in such tax bill by a fraction, the numerator of which shall be the square footage contained in the Real Property and the denominator of which shall be the square footage contained in such assessor's parcel; provided, however, in no event shall the Purchaser be assessed for any portion of such tax which relates to improvements upon the balance of the property covered by the tax bill. At the relevant Settlement Closing or Real Property Closing, the Seller shall be charged for the portion of the taxes for the year in which such the relevant Settlement Closing or Real Property Closing occurs, if unpaid, as allocable pursuant to this Agreement, and prior years' taxes, if unpaid, and the Purchaser shall be responsible for paying taxes for the year in which the relevant Settlement Closing or Real Property Closing occurs as allocable pursuant to this Agreement. Personal property taxes on the Equipment shall also be prorated and apportioned, on a calendar year basis and based on days elapsed, as of the Settlement Closing Date.

5.5 Transaction Expenses. Except as otherwise provided in this Agreement or the Ancillary Agreements, each Party shall bear its own costs and expenses (including legal fees and expenses) incurred in connection with this Agreement, the other Transaction Documents and the transactions contemplated hereby and thereby. Each of the Purchaser and the Seller shall pay 50% of the fees of the title company with respect to the escrow for the transfer of the Real Property.

5.6 Rejection of Lease. The Purchaser consents to rejection of the Lease pursuant to U.S. Bankruptcy Code Section 365 effective as of date specified in the Approval Order. However, for the avoidance of doubt, such rejection shall not impact the Purchaser's rights to continued use of the Assets and the Transition Equipment as provided in Section 5.10.

5.7 Mutual Releases.

(a) Effective as of the Settlement Closing, and except as to the obligations contained in this Agreement, each Party hereby absolutely, unconditionally, and irrevocably releases and forever discharges the other Party and the other Party's past or present affiliates, subsidiaries, parents, successors and predecessors, officers, directors, managers, members, agents, employees, attorneys, advisors, insurers, investment advisors, auditors, accountants, representatives, and any person, firm, trust, corporation, officer, director, or other Person in which any of them has a Controlling interest or which is Affiliated with such other Party, and the legal representatives, heirs, successors in interest, or assigns of each of foregoing Persons, of and from any and all demands, defaults, actions, causes of action, suits, covenants, contracts, controversies, agreements, promises, sums of money, accounts, bills, reckonings, damages, and any and all claims, defenses, rights of setoff or recoupment, Liabilities, Liens, security interests, interests, or rights of any nature whatsoever (including claims for losses, damages, unjust

enrichment, breach of fiduciary duty, breach of contract, attorneys' fees, disgorgement of fees, litigation costs, injunction, declaration, contribution, indemnification or any other type or nature of legal or equitable relief), whether accrued or not, whether already acquired or acquired in the future, whether known or unknown, whether suspected or unsuspected, and whether existing in law or equity, whether brought by way of demand, complaint, answer, defense, cross-claim, claim, third-party claim, or otherwise, arising from or under, related to, or concerning the Lease (the "**Released Claims**") that such Party directly, indirectly, or in any other capacity, ever had, now has, or hereafter may have.

(b) Each of the Parties understands and agrees that the foregoing releases shall include any Released Claims that are not known or suspected to exist as of the dates of this Agreement and that no fact or circumstance, evidence, or transaction which now could be asserted or which may hereafter be discovered shall affect in any way the final, irrevocable, and unconditional nature of the releases set forth above. Without limiting the generality of the preceding sentence, the parties explicitly waive the protections and benefits of section 1542 of the California Civil Code, which provides as follows, and any other applicable law of similar import:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

(c) This Agreement may be pleaded by either Party as a full and complete defense to any proceeding instituted with respect to any Released Claims and may be used as a basis for an injunction against any action, suit, or any proceeding instituted, prosecuted, or attempted with respect to any Released Claims in breach of the provisions of this Agreement.

5.8 Use of and Option to Purchase Certain Items; Continuing Rights of the Purchaser.

(a) On and after October 1, 2012, the Seller will provide the Purchaser with the ability to operate and maintain the equipment listed on Schedule D hereto (the "**Transition Equipment**") until December 31, 2013 if the Seller (expressly excluding any assignee or purchaser of the Assets) continues to own the Transition Equipment through such date, or until June 30, 2013 if the Transition Equipment is transferred or sold prior to such date (such period, the "**Transition Equipment Term**"). Notwithstanding anything contained in this Agreement, if the Seller enters into an agreement (oral or written) between June 1, 2013 and December 1, 2013 to sell the Transition Equipment and if such transaction is scheduled to close prior to December 31, 2013, then the Seller shall give the Purchaser at least thirty (30) days' advance written notice prior to consummating such transaction.

- (i) The Purchaser shall have such access to the Seller's property as is reasonably necessary for the Purchaser to use the Transition Equipment during the Transition Equipment Term, and shall be liable for any and all damages to the Seller's property, including to the Transition Equipment, caused by the Purchaser.

- (ii) The Purchaser shall operate and maintain the Transition Equipment in accordance with prudent operating and maintenance standards, applicable Law, and all standards, regulations and other requirements imposed by any Governmental Entity, including operational standards, environmental standards, and relevant permits.
- (iii) The Purchaser shall return to the Seller the Transition Equipment and any other property of the Seller used by the Purchaser at the end of the Transition Equipment Term or, at the Purchaser's election, at any time prior to the end of the Transition Equipment Term upon notice to the Seller, in their current condition, excepting ordinary wear and tear to such Transition Equipment and any other property.
- (iv) For the avoidance of doubt, other than as provided in Section 5.8(a)(i), the right of the Purchaser to use the Transition Equipment does not include any other right with respect to the real property on which such Transition Equipment is located. The Purchaser shall comply with any applicable Laws governing the condition of such real property during the Transition Equipment Term.
- (v) Certain of the Transition Equipment will be jointly used by both the Seller and the Purchaser during the Transition Equipment Term. For the avoidance of doubt, the Purchaser shall not be liable for any damages sustained to the Transition Equipment which is caused by the Seller's use of such Transition Equipment during the Transition Equipment Term. If any Transition Equipment that is jointly used by the Seller and the Purchaser breaks, then the Seller and the Purchaser shall share the costs of repair unless such breakage can be attributed to the use by the Seller or the Purchaser, in which case that Party will be solely responsible for the costs of repair.

(b) The Purchaser shall have the right to purchase those spare parts listed on Schedule C hereto (the "***Spare Parts***") as of October 1, 2012 by paying the applicable purchase price to the Seller at the Settlement Closing (the "***Spare Parts Purchase Price***"). The Spare Parts Purchase Price shall be determined by the Parties in good faith based on a fair liquidation value for the applicable Spare Parts. In connection with the maintenance of the Transition Equipment, the Purchaser shall have access to and may use the Spare Parts.

(c) The Purchaser shall pay the Seller \$5,000 per month for use of the Transition Equipment (the "***Transition Equipment Use Fee***"). The Transition Equipment Use Fee for a particular month shall be paid in advance on or before the last day of the immediately preceding month, with the payment for October 2012 due at the Settlement Closing (the "***First Transition Equipment Use Fee***"). The Purchaser shall bear all expenses in connection with the

operation and maintenance of the Transition Equipment and the Spare Parts, including electricity and natural gas. For the avoidance of doubt, to the extent Seller uses any electricity or natural gas for its own purposes unrelated to the provision of Transition Services as described below, Seller shall bear the related usage costs.

(d) The Seller or the Purchaser, as the case may be, as provided below, will continue to provide those services listed below (the “**Transition Services**”) during the Transition Equipment Term. The Seller may, in its sole and absolute discretion, terminate provision of such services that it is otherwise obligated to provide after the expiration of the Transition Equipment Term. The Transition Services shall consist of the following:

- (i) Provision of electricity. The Seller shall provide this power on a cost pass-through basis as available to the Seller at 2300 volts and 480 volts based on the needs and requirements of the machinery and equipment used by the Purchaser.
- (ii) Provision of natural gas on a cost pass-through basis as available to the Seller.
- (iii) At the request of the Purchaser, the Seller shall provide services, including provision of water, boiler feedwater, compressed air, sewage and waste water treatment, and removal and disposal of all byproducts, trash and other solid waste (excluding sludge and fly ash generated by the Purchaser’s operations), in respect of the Transition Equipment at the Purchaser’s cost, pursuant to Section 5.8(f).
- (iv) The Seller shall provide, at the Seller’s expense, security for its facilities consistent with its usual and customary practices for a shuttered facility.
- (v) Maintenance of the aquifer protection permit and other necessary permits through the Transition Equipment Term.

(e) The Seller shall allow the fire suppression system and related water tanks to provide service to the Purchaser during the Transition Equipment Term and for so long thereafter as the Seller maintains them in operational condition. The Seller may, in its sole and absolute discretion but subject to applicable Laws, dismantle or terminate operation of the fire suppression system and related water tanks after the expiration of the Transition Equipment Term. If the Seller elects to dismantle the fire suppression system and related water tanks, such equipment shall be deemed “**Scrap Items**” and offered to the Purchaser pursuant to Section 5.8(h).

(f) The Purchaser shall reimburse the Seller for any and all costs (the “**Service Costs**”) of providing the services provided under Sections 5.8(d) and 5.8(e), including cost of utilities, cost of supplies and materials, any and all Taxes, including sales or use Taxes, and labor costs associated with all personnel necessary to provide such services. On the Settlement Closing Date, the Purchaser shall provide the Seller with a deposit in the amount of \$25,000 (the

“Service Deposit”), which shall secure the Seller’s payment of Service Costs incurred through the Transition Equipment Term. Upon expiration of the Transition Equipment Term, the Seller shall apply the Service Deposit towards outstanding accrued Service Costs, if any, and following such application shall remit the remaining balance of the Service Deposit to the Purchaser. On or before the fifth (5th) Business Day of each month, the Seller shall submit one invoice to the Purchaser reflecting the Service Costs accrued during the previous month. The Purchaser shall pay all such invoices not later than the 24th day of such month (the **“Due Date”**). Invoices unpaid as of the Due Date shall accrue interest at 10% per annum. All payments shall be made in immediately available funds to the account designated by the Seller in the invoice. The Purchaser shall have the right from time to time upon notice to the Seller to review the Seller’s books and records relating to the calculation of all Service Costs invoiced by the Seller to the Purchaser under this Section 5.8(f). The Purchaser shall bear the costs of each review. Underpayments or overpayments determined from any review will be paid by the Seller to the Purchaser or by the Purchaser to the Seller, as the case may be, within 30 days of completion of the review.

(g) The Purchaser shall maintain its ownership interest in the existing electric substation located on the site of the Mill jointly-owned with the Seller (the **“Substation”**). Purchaser and Seller shall execute a Bill of Sale whereby Seller confirms the transfer of such ownership to Purchaser at the Settlement Closing. The Purchaser may continue to use such Substation consistent with its prior usage of the Substation. Purchaser and Seller shall be jointly responsible for all costs and expenses of any maintenance obligations in connection with the Substation operations, with such costs and expenses to be allocated according to each party’s usage of the Substation. Purchaser shall maintain the Substation pursuant to Schedule 5.8(g) hereto.

(h) Notwithstanding anything to the contrary in this Agreement, in its sole and absolute discretion, the Seller may determine to scrap any Transition Equipment or Spare Parts. If the Seller determines to scrap any items of Transition Equipment or Spare Parts (that the Purchaser does not acquire pursuant to Section 5.8(b)) during the Transition Equipment Term, the Seller shall notify the Purchaser in writing (the **“Notification”**) of any such items it intends to scrap (the **“Scrap Items”**). The Purchaser may purchase the Scrap Items by paying the Seller in cash the agreed-upon scrap value of such Scrap Items within twenty (20) calendar days of the Purchaser’s receipt of the Notification. For the avoidance of doubt, the option of the Purchaser to purchase the Scrap Items does not include any option to purchase or any other right with respect to the real property on which such Scrap Items are located. If the Purchaser does not so purchase the Scrap Items within such timeframe, the Seller may dispose of the Scrap Items. The Purchaser shall be responsible for promptly dismantling, removing from the Seller’s property, transporting and re-assembling any purchased Scrap Items on the Purchaser’s property, and for any and all applicable costs and expenses relating to the foregoing. The Purchaser shall comply with any applicable Laws governing the condition of the real property during the removal of such purchased Scrap Items.

(i) The Seller and the Purchaser acknowledge and agree that the Purchaser shall have the right to access and use its equipment and other property located on the Real Property and on the Seller’s real property consistent with this Section 5.8(i), and otherwise access and use the Seller’s real property for the purposes of operating and maintaining the power

facility consistent with this Section 5.8(i). Such rights include use, access and similar rights relating, but not limited, to the following:

- (i) equipment and property (including the sludge press building, conveyors and loading bins) owned by the Purchaser and used by the Purchaser with respect to paper sludge;
- (ii) pumps, pipes and other equipment, whether on the Purchaser's or the Seller's real property, relating to utilities necessary to operate the power facility (as identified and agreed to by the Seller and the Purchaser as the result of good faith discussions), including such equipment relating to the provision of electricity, natural gas, water, boiler feedwater, compressed air, sewage and waste water treatment, and facility waste removal and disposal;
- (iii) the walkway or "catwalk" owned by the Purchaser connecting the Purchaser's turbine deck at the power facility to the Seller's turbine deck at the power house;
- (iv) the transport of materials in connection with the operation and maintenance of the power facility, including the transport of fly ash to the Landfill or to an offsite location and the delivery of materials to and from the power facility (e.g., fuel, parts and other materials); and
- (v) the interconnection facilities and any interconnection equipment, transmission lines and other facilities related to the Purchaser's Interconnection Agreement with APS (including as may be amended to provide for the APS-Zeniff substation), or any other interconnection or similar agreement related to the Zeniff substation consistent with its prior usage.

5.9 Potential Sale of the Seller's Other Assets. The Purchaser acknowledges that the Seller intends to conduct an orderly liquidation of its assets, excluding the Assets and any other assets purchased by the Purchaser pursuant to the terms herein, pursuant to a Sale and Investor Solicitation Process approved by the Bankruptcy Court under section 363 of the U.S. Bankruptcy Code (the "**363 Sale**"). The Purchaser shall have the right to bid on and purchase any of the Seller's assets to be sold in the 363 Sale, including the Transition Equipment, in conjunction with the 363 Sale on the same terms as other bidders. Provided that the Purchaser posts any required deposit and satisfies the requirements applicable to other bidders with respect to any asset to be sold in the 363 Sale, the Purchaser shall be deemed a qualified bidder with respect to any and all assets in the 363 Sale. If the Seller enters into a definitive agreement to sell its mill and related assets (including the Transition Equipment, the "**Mill Assets**") as a going concern, and the buyer of the Mill Assets agrees to provide services to the Purchaser on a basis consistent with the terms of the Lease, the Seller may terminate the Purchaser's use of the Transition Equipment concurrently with the scheduled closing of any such sale of the Mill Assets, provided such buyer assumes the obligation to provide such services to the Purchaser as of the closing date of the Mill Assets purchase and provided that the Seller provides notice to the Purchaser of such sale prior to or concurrently with the scheduled closing, along with a copy of the documents under which such buyer assumes the obligations to provide such services to the Purchaser.

5.10 Use of Assets Pre-Closing. The Purchaser may use the Real Property and the Transition Equipment until the relevant Settlement Closing Date or Real Property Closing Date consistent with past practice before the relevant Settlement Closing Date or Real Property Closing Date. Without limiting the generality of the foregoing, from the date of this Agreement until the Settlement Closing Date, notwithstanding the rejection of the Lease, the Parties shall operate in all respects as if the Lease were still in effect.

5.11 Use of Landfill.

(a) The Seller agrees that the Purchaser may continue to access the Seller's landfill (the "***Landfill***") until December 31, 2013 if the Seller (expressly excluding any assignee or purchaser of the Assets) continues to own the landfill through such date, or until June 30, 2013 if the Landfill is transferred or sold prior to such date (such period, the "***Landfill Term***"), to remove sludge and deposit ash without cost to the Purchaser and without interruption. Notwithstanding anything contained in this Agreement, if the Seller enters into an agreement (oral or written) between June 1, 2013 and December 1, 2013 to sell the Landfill and if such transaction is scheduled to close prior to December 31, 2013, then the Seller shall give the Purchaser at least thirty (30) days' advance written notice prior to consummating such transaction.

(b) The Purchaser's access to and use of the Landfill shall be subject to the following (the "***Landfill Use Provisions***"):

- (i) The Purchaser shall cover all actual costs for transportation and disposal or removal of all sludge and fly ash in the Landfill, including any daily operating costs and dust control measures or any other regulatory required items.
- (ii) The Purchaser shall have no financial responsibility for the fly ash except as provided in Section 5.11(b)(iv). Any fly ash deposited in the Landfill shall not have a moisture content of greater than 20%.
- (iii) Seller shall not be obligated to expand the Landfill to accommodate the disposal of sludge or fly ash.

(c) Following expiration of the Landfill Term, the Purchaser may continue to access the Landfill in order to remove sludge and deposit fly ash consistent with Section 5.11(b) above for so long as the Seller owns the Landfill. The Purchaser shall pay the Seller for such use at a cost of \$7.50 per ton of fly ash, subject to a daily fee limitation of \$818. The foregoing cost per ton and daily fee limitation shall be adjusted effective January 1 of each year by the same percentage change as occurs in landfill owner's actual landfill costs during the prior calendar year.

5.12 Purchaser Equipment. The Seller acknowledges that the building where the sludge press is located was constructed by the Purchaser and all equipment in the building described on Schedule 5.12 and the other equipment described on Schedule 5.12 was purchased by the Purchaser at its expense. Notwithstanding the transactions contemplated by this

Agreement, the Purchaser shall have the right from and after the date the mill ceases operations to access the sludge press building, remove and, if desired, sell for the Purchaser's benefit any of the equipment described on Schedule 5.12 and the other equipment described on Schedule 5.12.

5.13 Railway Track Access. For the avoidance of doubt, the Purchaser acknowledges that Seller reserves access, right-of-way, and any similar rights with respect to any railway track located on the Real Property, and such rights shall be reserved to the Seller in the Deed.

ARTICLE VI

TAX MATTERS AND RECORDS

6.1 Transfer Taxes.

(a) Notwithstanding anything in this Agreement to the contrary, the Purchaser shall promptly pay directly to the appropriate Tax Authority, or promptly reimburse the Seller upon demand and delivery of proof of payment of, all applicable Transfer Taxes in connection with this Agreement and the transactions contemplated herein and the other Transaction Documents and the transactions contemplated therein.

(b) If the Purchaser wishes to claim any exemption relating to, or a reduced rate of, Transfer Taxes, in connection with this Agreement or the transactions contemplated herein or the other Transaction Documents and the transactions contemplated therein, the Purchaser shall be solely responsible for ensuring that such exemption or election applies and, in that regard, shall provide the Seller prior to the Settlement Closing with any appropriate certificate of exemption, election and/or other document or evidence to support the claimed entitlement to such exemption or reduced rate by the Purchaser.

6.2 Tax Characterization of Payments Under This Agreement. The Seller and the Purchaser agree to treat all payments made either to or for the benefit of the other Party under this Agreement as adjustments to the Purchase Price for Tax purposes and that such treatment shall govern for purposes hereof to the extent permitted under applicable Tax Law.

6.3 Records. After the Settlement Closing Date, the Purchaser on the one hand, and the Seller, on the other hand, will each make available to the other, as reasonably requested, and to any Tax Authority, all information, records or documents relating to liability for Taxes with respect to the Assets for all periods prior to or including the Settlement Closing Date, and will preserve such information, records or documents until the expiration of any applicable statute of limitations or extensions thereof, provided, however, that if the Purchaser provides such information, records and documents (or provides the opportunity to obtain such information, records and documents) to the Seller or its Affiliate, or if the Seller or its Affiliate provide such information, records and documents (or provide the opportunity to obtain such information, records and documents) to the Purchaser, then such information, records and documents are no longer required to be preserved. In the event that one Party needs access to records in the possession of a second Party relating to any of the Assets for purposes of preparing Tax Returns or complying with any Tax audit request, subpoena or other investigative demand by any Tax Authority, or for any other legitimate Tax-related purpose not injurious to the second Party, the second Party will allow representatives of the other Party access to such records during regular business hours at the second Party's place of business for the sole purpose of obtaining

information for use as aforesaid and will permit such other Party to make extracts and copies thereof as may be necessary or convenient. Subject to the provisions in the first sentence of this Section 6.3, the obligation to cooperate pursuant to this paragraph shall terminate at the time the relevant applicable statute of limitations expires (giving effect to any extension thereof).

ARTICLE VIII

MISCELLANEOUS

8.1 No Survival of Representations and Warranties or Covenants. No representations or warranties, covenants or agreements in this Agreement or in any instrument delivered pursuant to this Agreement shall survive beyond the relevant Settlement Closing Date or Real Property Closing Date. Accordingly, no claim of any nature whatsoever for breach of such representations, warranties, covenants or agreements may be made, or Action instituted, after the relevant Settlement Closing Date or Real Property Closing Date. Notwithstanding the foregoing, the covenants and agreements that by their terms are to be satisfied after the relevant Settlement Closing Date or Real Property Closing Date shall survive until satisfied in accordance with their terms.

8.2 Remedies. No failure to exercise, and no delay in exercising, any right, remedy, power or privilege under this Agreement by any Party will operate as a waiver of such right, remedy, power or privilege, nor will any single or partial exercise of any right, remedy, power or privilege under this Agreement preclude any other or further exercise of such right, remedy, power or privilege or the exercise of any other right, remedy, power or privilege.

8.3 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the Parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

8.4 Consent to Amendments; Waivers. No Party shall be deemed to have waived any provision of this Agreement or any of the other Transaction Documents unless such waiver is in writing, and then such waiver shall be limited to the circumstances set forth in such written waiver. This Agreement and the Ancillary Documents shall not be amended, altered or qualified except by an instrument in writing signed by all the Parties hereto or thereto, as the case may be.

8.5 Successors and Assigns. Except as otherwise expressly provided in this Agreement, all representations, warranties, covenants and agreements set forth in this Agreement or any of the Ancillary Agreements by or on behalf of the Parties thereto will be binding upon and inure to the benefit of such Parties and their respective successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party without the prior written consent of the other Party, which consent may be withheld in such Party's sole discretion, except for assignment to an Affiliate of a Party (provided that such Party remains liable jointly and severally with its assignee Affiliate for the assigned obligations to the other Party).

8.6 Governing Law; Submission to Jurisdiction; Waiver of Jury Trial.

(a) Any questions, claims, disputes, remedies or Actions arising from or related to this Agreement, and any relief or remedies sought by any Parties, shall be governed

exclusively by the Laws of the State of Arizona without regard to the rules of conflict of laws applied therein or any other jurisdiction.

(b) To the fullest extent permitted by applicable Law, except as contemplated by Section 8.12, each Party (i) agrees that any claim, action or proceeding by such Party seeking any relief whatsoever arising out of, or in connection with, this Agreement or the transactions contemplated hereby shall be brought only in (A) the U.S. Bankruptcy Court, if brought prior to the entry of a final decree closing the Chapter 15 Case, with respect to the Seller and its Subsidiaries, or (B) in the federal courts in the District of Arizona (collectively, the “**Courts**”), if brought after entry of such final decree closing the Chapter 15 Case, and shall not be brought, in any court in the United States of America, Canada, or any court in any other country, (ii) agrees to submit to the exclusive jurisdiction of the Courts, as applicable pursuant to the preceding clauses (i)(A) and (B), for purposes of all legal proceedings arising out of, or in connection with, this Agreement or the transactions contemplated hereby, (iii) waives and agrees not to assert any objection that it may now or hereafter have to the laying of the venue of any such Action brought in such a court or any claim that any such Action brought in such a court has been brought in an inconvenient forum, (iv) agrees that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 8.7 or any other manner as may be permitted by Law shall be valid and sufficient service thereof, and (v) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, ANY ANCILLARY AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY OR THEREBY. EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE ANCILLARY AGREEMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 8.6.

8.7 Notices. All demands, notices, communications and reports provided for in this Agreement shall be deemed given if in writing and delivered, if sent by telecopy, electronic mail, courier or sent by reputable overnight courier service (delivery charges prepaid) to any Party at the address specified below, or at such address, to the attention of such other Person, and with such other copy, as the recipient Party has specified by prior written notice to the sending Party pursuant to the provisions of this Section 8.7.

8.8 Schedules. The Schedules attached hereto constitute a part of this Agreement and are incorporated into this Agreement for all purposes as if fully set forth herein.

8.9 Counterparts. The Parties may execute this Agreement in two or more original or electronic counterparts (no one of which need contain the signatures of all Parties), each of which will be an original and all of which together will constitute one and the same instrument.

8.10 No Presumption. The Parties agree that this Agreement was negotiated fairly between them at arm's length and that the final terms of this Agreement are the product of the Parties' negotiations. Each Party represents and warrants that it has sought and received experienced legal counsel of its own choosing with regard to the contents of this Agreement and the rights and obligations affected hereby. The Parties agree that this Agreement shall be deemed to have been jointly and equally drafted by them, and that the provisions of this Agreement

therefore should not be construed against a Party on the grounds that such Party drafted or was more responsible for drafting the provisions.

8.11 Severability. If any provision, clause, or part of this Agreement, or the application thereof under certain circumstances, is held invalid, illegal or incapable of being enforced in any jurisdiction, (a) as to such jurisdiction, the remainder of this Agreement or the application of such provision, clause or part under other circumstances, and (b) as for any other jurisdiction, any provision of this Agreement, shall not be affected and shall remain in full force and effect, unless, in each case, such invalidity, illegality or unenforceability in such jurisdiction materially impairs the ability of the Parties to consummate the transactions contemplated by this Agreement. Upon such determination that any clause or other provision is invalid, illegal or incapable of being enforced in such jurisdiction, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible even in such jurisdiction.

8.12 Specific Performance.

(a) The Parties acknowledge and agree that any breach of the terms of this Agreement would give rise to irreparable harm for which money damages would not be an adequate remedy, and, accordingly agree that, in addition to any other remedies, each Party shall be entitled to enforce the terms of this Agreement by seeking a decree of specific performance without the necessity of proving the inadequacy of money damages as a remedy and without the necessity of posting a bond.

(b) Each Party agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief when expressly available pursuant to the terms of this Agreement on the basis that (i) there is adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity. In the event that a Party seeks an injunction or injunctions to prevent breaches of this Agreement when expressly available pursuant to the terms of this Agreement and to enforce specifically the terms and provisions of this Agreement when expressly available pursuant to the terms of this Agreement, such Party shall not be required to provide any bond or other security in connection with any such order or injunction.

(c) Nothing in this Section 8.12 shall limit the rights of the Purchaser to seek or obtain enforcement of the Approval Order after the entry of such order or of this Agreement.

8.13 Entire Agreement. This Agreement and the Ancillary Agreements set forth the entire understanding of the Parties relating to the subject matter hereof and thereof, and all prior or contemporaneous understandings, agreements, representations and warranties, whether written or oral, are superseded by this Agreement and the Ancillary Agreements, and all such prior or contemporaneous understandings, agreements, representations and warranties are hereby terminated. In the event of any irreconcilable conflict between this Agreement and any of the Ancillary Agreements, the provisions of this Agreement shall prevail, regardless of the fact that certain Ancillary Agreements may be subject to different governing Laws (unless the Ancillary Agreements expressly provide otherwise).

8.14 Damages. Under no circumstances shall any Party be liable for punitive damages or indirect, special, incidental, or consequential damages arising out of or in connection with this Agreement or the transactions contemplated hereby or any breach or alleged breach of any of the terms hereof, including damages alleged as a result of tortious conduct.

8.15 Bulk Sales Laws. Each Party waives compliance by the other Party with any applicable bulk sales Law.

IN WITNESS WHEREOF, the Parties have duly executed this Agreement as of the date first written above.

EXHIBIT B
Bidding Procedures

Catalyst Paper Corporation et al.
Procedures for the Sale and Investor Solicitation Process

On January 31, 2012, Catalyst Paper Corporation (“CPC”), together with certain of its subsidiaries and affiliates as listed in Schedule “A” hereto (collectively, the “**Debtors**”), obtained an initial order (as amended and restated by order dated February 3, 2012 and as it has been and may be further amended, restated or supplemented from time to time, collectively, the “**Initial Order**”) under the *Companies’ Creditors Arrangement Act*, R.S.C. (as amended, the “**CCAA**”) from the Supreme Court of British Columbia, Vancouver Registry (the “**Canadian Court**”). The Initial Order also applies to Catalyst Paper General Partnership (which, together with the Petitioners, make up the “**Catalyst Entities**”). On February 1, 2012, CPC, as the foreign representative of the Catalyst Entities, commenced a recognition proceeding pursuant to Chapter 15 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (the “**U.S. Bankruptcy Court**”, and together with the Canadian Court, the “**Courts**”). On March 5, 2012, the U.S. Bankruptcy Court entered an order granting recognition of the Petitioners’ CCAA proceeding. On ●, 2012, the U.S. Bankruptcy Court entered an order (the “**SISP Approval Order**”) approving the sale and investor solicitation process with respect to the U.S. Catalyst Assets of the Debtors located within the territory of the U.S. (the “**Snowflake SISP**”) and the SISP procedures set forth herein (these “**SISP Procedures**”).

The SISP Approval Order, the Snowflake SISP and these SISP Procedures shall exclusively govern the process for soliciting and selecting bids for the sale of all, substantially all, or one or more Parcels, of the U.S. Catalyst Assets. The U.S. Catalyst Assets comprise a complex array of Parcels that are, in many ways, integrated as to infrastructure. Accordingly, although it is the intention of the Catalyst Entities to consider all proposals with respect to one or more Parcels, the Catalyst Entities will permit any Qualified Bidder to present proposals for all or substantially all of the U.S. Catalyst Assets at the Auction, even in situations where such Qualified Bidder has submitted only a Parcel Sale Proposal prior to the Auction.

All dollar amounts expressed herein, unless otherwise noted, are in United States currency.

(1) These SISP Procedures describe, among other things, the U.S. Catalyst Assets available for sale, the opportunity for an investment in or joint venture with the Catalyst Entities with respect to the U.S. Catalyst Assets, the manner in which prospective bidders may gain access to or continue to have access to due diligence materials concerning the

U.S. Catalyst Assets, the manner in which bidders and bids become Qualified Bidders and Qualified Bids, respectively, the receipt and negotiation of bids received, the ultimate selection of a Successful Bid, the approval thereof by the U.S. Bankruptcy Court (collectively, the “**Solicitation Process**”).

(2) The Catalyst Entities, in consultation with the Financial Advisor and under the supervision of the Monitor, shall conduct these SISP Procedures and the Solicitation Process as outlined herein. As provided for herein, Catalyst and the Financial Advisor shall each regularly consult with the Constituencies and each of their legal and financial advisors during the Snowflake SISP process up to the Effective Date. To the extent that this Snowflake SISP requires the Debtors to consult with the Constituencies, including the Monitor, it is the intent of the Debtors that such requirements only prevail up to the Effective Date. In no event shall the Solicitation Process be inconsistent with the CCAA Plan, nor shall the Solicitation Process delay the occurrence of the Effective Date as defined in the CCAA Plan. Following the Effective Date as defined in the CCAA Plan, the Snowflake SISP process will be conducted in conformity with the provisions of any indentures governing any New Senior Secured Notes issued in connection with the Debtors’ emergence from the restructuring processes. In addition, the closing of any sale may involve additional intermediate steps or transactions to facilitate consummation of such sale, including additional Court filings. In the event that there is a disagreement or clarification required as to the interpretation or application of this Snowflake SISP or the responsibilities of the Catalyst Entities hereunder, the U.S. Bankruptcy Court will have the jurisdiction to hear such matter and provide advice and directions, upon application of the Catalyst Entities or any party in interest.

Sale and Investment Opportunity

(3) An investment in the Catalyst Entities with respect to the U.S. Catalyst Assets may, at the option of the Successful Bidder, include one or more of the following: a recapitalization, joint venture or other form of investment in or with one or more of the Catalyst Entities. One or more Qualified Non-Binding Indications of Interest (as defined below) for one or more Parcels or for less than substantially all of the U.S. Catalyst Assets will not be precluded from consideration as a Superior Offer.

“As Is, Where Is”

(4) The sale of the U.S. Catalyst Assets or investment in or joint venture with the Catalyst Entities with respect to the U.S. Catalyst Assets will be on an “as is, where is” basis and without surviving representations, warranties covenants or indemnities of any kind, nature, or description by the Monitor, the Catalyst Entities or any of their agents, estates, advisors, professionals or otherwise, except to the extent set forth in the relevant sale or investment agreement with the Successful Bidder.

Free Of Any And All Claims And Interests

(5) In the event of a sale, all of the rights, title and interests of the Catalyst Entities in and to the U.S. Catalyst Assets to be acquired will be sold free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options, and interests thereon and there against pursuant to an order of the U.S. Bankruptcy Court pursuant to section 363 of the U.S. Bankruptcy Code. Such list will include both strategic and financial parties who, in the Financial Advisor's reasonable business judgment, may be interested in acquiring the U.S. Catalyst Assets or in making such an investment in the Catalyst Entities. Concurrently, the Catalyst Entities and the Financial Advisor will prepare an initial offering summary (the "**Teaser Letter**") notifying Potential Bidders of the existence of the Solicitation Process and inviting the Potential Bidders identified to express their interest in making an offer to acquire all, substantially all, or one or more Parcels, of the U.S. Catalyst Assets or to invest in the Catalyst Entities.

(7) In addition to the Teaser Letter, the Catalyst Entities shall cause a notice of the Snowflake SISP contemplated by these SISP Procedures and such other relevant information which the Catalyst Entities, in consultation with the Financial Advisor and the Monitor (if applicable), considers appropriate to be published in *The Wall Street Journal (National Edition)*. At the same time, the Catalyst Entities, following consultation with the Financial Advisor and the Monitor (if applicable), shall issue a press release providing the above notice and such other relevant information, with Canada Newswire and a United States equivalent newswire designating dissemination in Canada and major financial centers in the United States, Europe and Asia Pacific.

(8) On September 17, 2012, the Financial Advisor shall distribute to Potential Bidders the Teaser Letter, as well as a draft form of confidentiality agreement (the "**Confidentiality Agreement**") that is satisfactory to the Catalyst Entities, its advisors and the Monitor (if applicable), and which shall inure to the benefit of any purchaser of the U.S. Catalyst Assets or investor in the Catalyst Entities pursuant to the Snowflake SISP.

Participation Requirements

(9) Unless otherwise ordered by the U.S. Bankruptcy Court, in order to participate in the Solicitation Process, an interested party (a “**Potential Bidder**”) must deliver the following to the Notice Parties **so as to be received by the Notice Parties not later than 5:00 p.m. (Pacific time) on October 1, 2012**, or such other date or time as the Catalyst Entities (in consultation with the Financial Advisor and the Constituencies, if applicable) may determine appropriate (the “**Potential Bidder Deadline**”):

- (b) specific indication of the anticipated sources of capital for such Potential Bidder and preliminary evidence of the availability of such capital, or such other form of financial disclosure and credit support or enhancement that will allow the Catalyst Entities, Monitor (if applicable) and the Financial Advisor and each of their respective legal and financial advisors, to make, in their reasonable business or professional judgment, a reasonable determination as to the Potential Bidder’s financial and other capabilities to consummate an acquisition of the U.S. Catalyst Assets or an investment in the Catalyst Entities;
- (c) a letter setting forth the identity of the Potential Bidder, the contact information for such Potential Bidder and full disclosure of the direct and indirect principals of the Potential Bidder; and
- (d) an executed letter acknowledging receipt of a copy of the SISP Approval Order (including these SISP Procedures) and agreeing to accept and be bound by the provisions contained therein.

(10) A Potential Bidder will be deemed a “**Qualified Phase 1 Bidder**” if: (i) such Potential Bidder has satisfied all of the requirements described in paragraph 9 above; and (ii) such Potential Bidder’s financial information and credit support or enhancement demonstrate to the satisfaction of the Catalyst Entities, in its reasonable business judgment and after consultation with the Financial Advisor and the Constituencies (if applicable), the financial capability of such Potential Bidder to consummate a transaction and that such Potential Bidder is likely to consummate (based on availability of financing, experience and other considerations) an acquisition of the U.S. Catalyst Assets, or an investment in the Catalyst Entities.

(11) The determination as to whether a Potential Bidder is a Qualified Phase 1 Bidder will be made as promptly as practicable but no later than **three (3) Business Days** after a Potential Bidder delivers all of the materials required above. If it is determined that a Potential Bidder is a Qualified Phase 1 Bidder, the Financial Advisor will promptly notify the Potential Bidder that it is a Qualified Phase 1 Bidder.

(12) The Financial Advisor will provide a confidential information memorandum describing the opportunity to acquire all or substantially all of the U.S. Catalyst Assets or to invest in the Catalyst Entities to all Qualified Phase 1 Bidders as soon as practicable after the determination that such party is a Qualified Phase 1 Bidder. (14) At the discretion of the Catalyst Entities, due diligence access may include management presentations (as may be scheduled by the Catalyst Entities), access to physical and online data rooms on-site inspections and such other matters as a Qualified Phase 1 Bidder or Qualified Phase 2 Bidder may reasonably request and as to which the Catalyst Entities, in their reasonable exercise of discretion, may agree. The Catalyst Entities shall not be obligated to furnish any due diligence information after the Phase 2 Bidding Deadline.

(15) The Catalyst Entities, the Financial Advisor and the Monitor are not responsible for, and will have no liability with respect to, any information obtained by a Potential Bidder or a Qualified Bidder in connection with the U.S. Catalyst Assets. The Catalyst Entities, the Financial Advisor and the Monitor do not make any representations or warranties whatsoever as to the information or the materials provided, except, in the case of the Catalyst Entities, to the extent provided under any definitive sale or investment agreement executed and delivered by a Successful Bidder (or Backup Bidder, as the case may be) and the applicable Catalyst Entities.

PHASE 1

(16) From the date of the SISP Approval Order until the Phase 1 Bid Deadline, the Catalyst Entities and the Financial Advisor (under the supervision of the Monitor, if applicable, and in accordance with the terms of the SISP Approval Order) will solicit non-binding indications of interest from Qualified Phase 1 Bidders to acquire the U.S. Catalyst Assets or to invest in the Catalyst Entities (each a “**Non-Binding Indication of Interest**”).

(17) In order to continue to participate in the Solicitation Process, a Qualified Phase 1 Bidder must deliver a Non-Binding Indication of Interest to the Notice Parties **so as to be received by the Notice Parties not later than 5:00 p.m. (Vancouver time) on November 1, 2012** (the “**Phase 1 Bid Deadline**”).

Non-Binding Indications of Interest by Qualified Phase 1 Bidders

(18) A Non-Binding Indication of Interest will be considered a “**Qualified Non-Binding Indication of Interest**” only if it is submitted by a Qualified Phase 1 Bidder, received on or before the Phase 1 Bid Deadline, and contains the following information:

- (a) An indication of whether the Qualified Phase 1 Bidder is offering to (i) acquire all, substantially all, or one or more Parcels of the U.S. Catalyst Assets, (a “**Sale Proposal**”); or (ii) make an investment in or engage in a joint venture with the Catalyst Entities (an “**Investment Proposal**”);
- (b) In the case of a Sale Proposal, it shall identify (i) the purchase price range (including liabilities to be assumed by the Qualified Phase 1 Bidder); (ii) any of the U.S. Catalyst Assets (including any Parcels) expected to be excluded or any additional assets desired to be included in the transaction; (iii) the structure and financing of the transaction (including, but not limited to, the sources of financing for the purchase price, preliminary evidence of the availability of such financing and the steps necessary and associated timing to obtain the financing and consummate the proposed transaction and any related contingencies, as applicable); (iv) any anticipated corporate, shareholder, internal or regulatory approvals required to close the transaction and the anticipated time frame and any anticipated impediments for obtaining such approvals; (v) additional due diligence required or desired to be conducted during Phase 2, if any; (vi) any conditions to closing that the Qualified Phase 1 Bidder may wish to impose; and (vii) any other terms or conditions of the Sale Proposal which the Qualified Phase 1 Bidder believes are material to the transaction;

- (d) Such other information reasonably requested by the Catalyst Entities or the Financial Advisor, in consultation with the Monitor (if applicable).

(19) Notwithstanding paragraph **18** hereof, the Catalyst Entities, in consultation with the Financial Advisor and Monitor (if applicable), may waive compliance with any one or more of the requirements specified herein and deem any non-compliant Non-Binding Indication of Interest to be a Qualified Non-Binding Indication of Interest.

Assessment of Qualified Non-Binding Indications of Interest

(20) The Catalyst Entities, in consultation with the Financial Advisor and the Monitor (if applicable), will assess any Qualified Non-Binding Indications of Interest received, and will determine whether to designate any Qualified Non-Binding Indication of Interest as a potential Stalking Horse Bidder. Such assessment will be made as promptly as practicable but no later than **three (3)** Business Days after the Phase 1 Bid Deadline. The Catalyst Entities shall be entitled to negotiate a break-up fee or other expense reimbursement arrangements with a Stalking Horse Bidder, subject to approval of the U.S. Bankruptcy Court. After such assessment, the Catalyst Entities shall identify which Qualified Phase 1 Bidders who have submitted Qualified Non-Binding Indications of Interest that the Catalyst Entities have determined are likely to be consummated, shall be deemed to be **“Qualified Phase 2 Bidders”**. The terms of any Purchase Agreement with a Stalking Horse Bidder shall be made available to all Qualified Phase 2 Bidders no later than simultaneously with notice of the Phase 2 Bid Deadline.

(25) Notwithstanding paragraphs **22 and 23** hereof, the Catalyst Entities, in consultation with the Financial Advisor and the Monitor (if applicable), may waive compliance with any one or more of the Qualified Bid requirements specified herein, except paragraph **23(d)** hereof, and deem such non-compliant bids to be Qualified Purchase Bids or Qualified Investment Bids, as the case may be.

No Qualified Bids

(26) The Catalyst Entities, in consultation with the Financial Advisor and the Monitor (if applicable), will assess the Qualified Bids received, if any, and will determine whether it is likely that the transactions contemplated by such Qualified Bids are likely to be consummated and whether proceeding with these SISP Procedures is in the best interests of the Catalyst Entities and their stakeholders. Such assessments will be made as promptly as practicable but no later than **three (3)** Business Days after the Phase 2 Bid Deadline.

(27) If the Catalyst Entities, in accordance with paragraph **36** above, determine that (a) one or more Qualified Bids were received, (b) it is likely that the transactions contemplated by one or more of such Qualified Bids are likely to be consummated, and (c) proceeding with these SISP Procedures is in the best interests of the Catalyst Entities and their stakeholders, these SISP Procedures will not be terminated, the Auction will be held, and the Financial Advisor will promptly notify all Qualified Bidders that they are entitled to participate in the Auction.

Auction

(28) If, in accordance with paragraph **27** above, the Auction is to be held, the Catalyst Entities will conduct an auction (the “**Auction**”), at 9:30 a.m. (**New York time**) on [●, **2012**] at the offices of Skadden, Arps, Slate, Meagher & Flom LLP located at 4 Times Square, New York, New York 10036, U.S.A., or such other location as shall be timely communicated to all entities entitled to attend at the Auction, which Auction may be adjourned by the Catalyst Entities, after consultation with the Financial Advisor and Monitor (if applicable). The Auction shall run in accordance with the following procedures:

- (a) at least three (3) Business Days prior to the Auction, each Qualified Bidder must inform the Financial Advisor whether it intends to participate in the Auction (the parties who so inform the Catalyst Entities, the “**Auction Bidders**”);
- (b) at least two (2) Business Days prior to the Auction, the Financial Advisor will provide copies of the Qualified Bid which the Catalyst Entities (after consultation with the Financial Advisor and Monitor, if applicable), believe is the highest or otherwise best Qualified Bid (the “**Starting Bid**”) to all Auction Bidders;
- (c) only representatives of the Auction Bidders, the Catalyst Entities, the Financial Advisor, the Constituencies (if applicable), and such other persons as permitted by the Catalyst Entities (and the advisors to each of the foregoing entities) are entitled to attend the Auction in person;
- (d) at the commencement of the Auction each Auction Bidder shall be required to confirm that it has not engaged in any collusion with any other Auction Bidder with respect to the bidding or any sale or investment;
- (e) only the Auction Bidders will be entitled to make any subsequent bids at the Auction; provided, however, that in the event that any Qualified Bidder elects not to attend and/or participate in the Auction, such Auction Bidder’s Qualified Bid, as applicable, shall nevertheless remain fully enforceable against such Auction Bidder if it is selected as the Successful Bid or the Backup Bid at the conclusion of the Auction;

- (f) all Subsequent Bids presented during the Auction shall be made and received in one room on an open basis. All Auction Bidders will be entitled to be present for all Subsequent Bids at the Auction with the understanding that the true identity of each Auction Bidder at the Auction will be fully disclosed to all other Auction Bidders at the Auction and that all material terms of each Subsequent Bid will be fully disclosed to all other Auction Bidders throughout the entire Auction;
- (g) All Auction Bidders must have at least one individual representative with authority to bind such Auction Bidder present in person at the Auction;
- (h) The Catalyst Entities, after consultation with the Financial Advisor and the Constituencies (if applicable), may employ and announce at the Auction additional procedural rules that are reasonable under the circumstances (e.g., the amount of time allotted to make Subsequent Bids, requirements to bid in each round, and the ability of multiple Auction Bidders to combine to present a single bid) for conducting the Auction, provided that such rules are (i) not inconsistent with these SISP Procedures, the U.S. Bankruptcy Code, or any order of the U.S. Bankruptcy Court and (ii) disclosed to each Auction Bidder at or prior to the commencement of the Auction;
- (i) bidding at the Auction will begin with the Starting Bid and continue, in one or more rounds of bidding, so long as during each round at least one subsequent bid is submitted by an Auction Bidder (a “**Subsequent Bid**”) that (i) improves upon such Auction Bidder’s immediately prior bid (which shall be a Qualified Bid) by at least the Minimum Incremental Overbid; and (ii) the Catalyst Entities determine, after consultation with the Financial Advisor and the Monitor (if applicable), that such Subsequent Bid is (A) for the first round, a higher or otherwise better offer than the Starting Bid, and (B) for subsequent rounds, a higher or otherwise better offer than the Leading Bid (as defined below). Each incremental bid (the “**Minimum Incremental Overbid**”) at the Auction shall provide net value to the Catalyst Entities’ estate of at least U.S. \$150,000 over the Starting Bid or the Leading Bid, as the case may be; provided, however, that the Catalyst Entities, after consultation with the Financial Advisor and the Monitor (if applicable), shall retain the right to modify the increment requirements at the Auction, and provided, further that the Catalyst Entities, in determining the net value of any incremental bid to the Catalyst Entities’ estate shall not be limited to evaluating the incremental dollar value of such bid and may consider other factors as identified in the “Selection Criteria” section of these SISP Procedures. After the first round of bidding and between each subsequent round of bidding, the Catalyst Entities shall, after consultation with the Financial Advisor and the Monitor (if applicable), announce the bid (including the value and material terms thereof) that it believes to be the highest or otherwise best offer (the “**Leading Bid**”). A round of bidding will conclude after each Auction Bidder has had the opportunity to submit a Subsequent Bid with full knowledge of the Leading Bid;

- (j) to the extent not previously provided (which shall be determined by the Catalyst Entities, in consultation with the Financial Advisor and the Monitor, if applicable), an Auction Bidder submitting a Subsequent Offer must submit, as part of its Subsequent Offer, written evidence (in the form of financial disclosure or credit-quality support information or enhancement reasonably acceptable to the Catalyst Entities, in consultation with the Financial Advisor and the Monitor, if applicable), demonstrating such Auction Bidder's ability to close the transaction proposed by the Subsequent Bid;
- (k) the Catalyst Entities reserve the right, in their reasonable business judgment after consultation with the Financial Advisor and the Monitor (if applicable), to make one or more adjournments in the Auction, to among other things (i) facilitate discussions between the Catalyst Entities and the Auction Bidders; (ii) allow the individual Auction Bidders to consider how they wish to proceed; (iii) consider and determine the current highest and best offer at any given time in the Auction; and (iv) give Auction Bidders the opportunity to provide the Catalyst Entities with such additional evidence as the Catalyst Entities, in their reasonable business judgment, may require that the Auction Bidder has sufficient internal resources, or has received sufficient non-contingent debt and/or equity funding commitments, to consummate the proposed transaction at the prevailing overbid amount.
- (l) if, in any round of bidding, no new Subsequent Bid is made, the Auction shall be closed; and
- (m) no bids (from Qualified Bidders or otherwise) shall be considered after the conclusion of the Auction.

Selection Criteria

(29) Evaluation criteria with respect to a Sale Proposal may include, but are not limited to items such as: (a) the purchase price and the net value (including assumed liabilities and other obligations to be performed or assumed by the bidder) provided by such bid; (b) the claims likely to be created by such bid in relation to other bids; (c) the counterparties to the transaction; (d) the proposed revisions to the Purchase Agreement and the terms of the transaction documents; (e) other factors affecting the speed, certainty and value of the transaction (including any regulatory approvals required to close the transaction); (f) the assets included or excluded from the bid; (g) the transition services required from the Catalyst Entities post-closing and any related restructuring costs; (h) the likelihood and timing of consummating the transaction; and (h) risks and transaction costs associated with consummating multiple transactions as opposed to a single transaction.

(30) Evaluation criteria with respect to an Investment Proposal may include, but are not limited to items such as: (a) the amount of equity and debt investment and the

proposed sources and uses of such capital; (b) the debt to equity structure post-closing; (c) the counterparties to the transaction; (d) the terms of the transaction documents; (e) other factors affecting the speed, certainty and value of the transaction; and (f) the likelihood and timing of consummating the transaction.

(31) Upon the conclusion of the bidding the Auction shall be closed, and the Catalyst Entities, after consultation with the Financial Advisor and Monitor (if applicable), will identify the highest or otherwise best Qualified Bid received (such offer, the “**Successful Bid**”) and the next highest or otherwise best Qualified Bid received (such offer, the “**Backup Bid**”). The Qualified Bidders(s) who made the Successful Bid is the “**Successful Bidder**” and the Qualified Bidder(s) who made the Backup Bid is the “**Backup Bidder**”). The Catalyst Entities will notify the Qualified Bidders of the identities of the Successful Bidder and the Backup Bidder. If the Stalking Horse Bidder’s final Qualified Bid is deemed to be the highest and best at the conclusion of the Auction or the next highest and best offer at the conclusion of the Auction, the Stalking Horse Bidder’s final Qualified Bid will be the Successful Bid or the Backup Bid, as the case may be.

(32) The Catalyst Entities shall finalize a definitive agreement in respect of the Successful Bid and the Backup Bid, if any, conditional upon approval by the U.S. Bankruptcy Court.

(33) The Backup Bid shall remain open until the earlier of (a) • ; and (b) the consummation of the transaction contemplated by the Successful Bid (the “**Backup Bid Expiration Date**”).

(34) All Qualified Bids (other than the Successful Bid and the Backup Bid) shall be deemed rejected by the Catalyst Entities on and as of the later of the date of approval of the Successful Bid and Backup Bid by the U.S. Bankruptcy Court.

Approval Hearing

(35) The Catalyst Entities shall seek a hearing to be held on a date to be scheduled by the U.S. Bankruptcy Court as soon as practicable following the Auction (the “**Approval Hearing**”) to authorize the Catalyst Entities to enter into an agreement with respect to the Successful Bid, and in the event that the Successful Bid does not close for any reason, to enter into an agreement with respect to the Backup Bid. The Approval Hearing may be adjourned or rescheduled by Catalyst, after consultation with the Constituencies (if applicable), without further notice by an announcement of the adjourned date at the Approval Hearing.

(36) If following approval of the Successful Bid transaction by the U.S. Bankruptcy Court, the Successful Bidder fails to consummate the transaction for any reason, then the Backup Bid, if there is one, will be deemed to be the Successful Bid hereunder and the Catalyst Entities shall effectuate a transaction with the Backup Bidder subject to the terms of the Backup Bid, without further order of the U.S. Bankruptcy Court.

Deposits

(37) All Deposits shall be retained by the Catalyst Entities. If there is a Successful Bid, the Deposit paid by the Successful Bidder whose bid is approved pursuant to the Approval Hearings shall be non-refundable and be released to the Catalyst Entities and applied to the purchase price to be paid or investment amount to be made by the Successful Bidder upon closing of the Successful Bid. The Deposit paid by the Backup Bidder shall be retained until the Backup Bid Expiration Date or, if the Backup Bid becomes the Successful Bid, shall be non-refundable and be released to the Catalyst Entities and applied to the purchase price to be paid or investment amount to be made by the Backup Bidder upon closing of the Backup Bid. The Deposits (plus applicable interest) of all Phase 2 Bidders not selected as the Successful Bidder or Backup Bidder shall be returned to such bidders within five (5) Business Days of the later of the date upon which the Successful Bid and any Backup Bid is approved by the Canadian Court and the U.S. Bankruptcy Court. If the Auction does not take place or these SISP Procedures are terminated in accordance with the provisions hereof, all Deposits shall be returned to the bidders within five (5) Business Days of the date upon which it is determined that the Auction will not take place or these SISP Procedures are terminated, as applicable.

(38) If an entity selected as the Successful Bidder or Backup Bidder breaches its obligations to close subsequent to the Auction, it shall forfeit its Deposit to the Catalyst Entities; provided, however, that the forfeit of such Deposit shall be in addition to, and not in lieu of, any other rights in law or equity that the Catalyst Entities has against such breaching entity.

Approvals

(39) For greater certainty, the approvals required pursuant to the terms hereof are in addition to, and not in substitution for, any other approvals required by any statute or are otherwise required at law in order to implement a Successful Bid or Backup Bid, as the case may be.

Notice Parties

(40) As used herein, the “**Notice Parties**” are, collectively (a) the Catalyst Entities, (b) the Financial Advisor, (c) the Monitor, (d) the Steering Committee, (e) the Holders, and (f) the Collateral Trustee, except that the Monitor, the Steering Committee, the Holders and the Collateral Trustee will cease to be Notice Parties after the Effective Date has occurred. The addresses to be used for delivering documents to the Notice Parties are set out in Schedule “B” hereto. A bid shall be delivered to all Notice Parties at the same time by electronic mail, personal delivery or courier. Interested bidders requesting information about the qualification process, including a form of asset purchase

agreement, and information in connection with their due diligence, should contact the Financial Advisor.

Reservation of Rights

(41) The Catalyst Entities, after consultation with their advisors: (a) may reject, at any time any bid that is (i) inadequate or insufficient, (ii) not in conformity with the requirements of the U.S. Bankruptcy Code, these SISP Procedures or any orders of the Court applicable to one or more the Catalyst Entities, or (iii) contrary to the best interests of the Catalyst Entities, their estates, and stakeholders as determined by the Catalyst Entities; (b) may impose additional terms and conditions and otherwise seek to modify the SISP Procedures at any time in order to maximize the results obtained; (c) may accept bids not in conformity with these SISP Procedures to the extent that the Catalyst Entities determine, in their reasonable business judgment, that doing so would benefit the Catalyst Entities, their estates, and stakeholders; and (d) with the prior consent of the Constituencies (if applicable), extend the Phase 1 Deadline, Phase 2 Deadline and the date of the Auction; provided, however, that if the Stalking Horse Bidder submits the only Qualified Bid, the terms provided in clause (a) shall not be operative.

(42) At or before the Approval Hearing, the Catalyst Entities may impose such other terms and conditions as the Catalyst Entities may determine to be in the best interests of their estates and their stakeholders that are not inconsistent with any of the procedures in these SISP Procedures.

(43) These SISP Procedures do not, and shall not be interpreted to, create any contractual or other legal relationship between any Catalyst Entity and any Potential Bidder, Qualified Potential Bidder, Qualified Phase 1 Bidder, Qualified Phase 2 Bidder, Qualified Bidder, Auction Bidder, Successful Bidder or Backup Bidder, other than as specifically set forth in definitive agreements that may be executed by the Catalyst Entities.

No Amendment

(44) There shall be no amendments to this Snowflake SISP prior to the Effective Date, including, for greater certainty the process and procedures set out herein, without the prior consent of the Constituencies unless otherwise ordered by U.S. Bankruptcy Court.

Further Orders

(45) At any time during these SISP Procedures, the Catalyst Entities may, following consultation with the Monitor (if applicable), apply to the Canadian Court for advice and directions with respect to the discharge of its powers and duties hereunder.
