**NOTICE OF MOTION
(Returnable March 23, 2012)**

PricewaterhouseCoopers Inc. in its capacity as Court-appointed receiver (the “**Receiver**”) of all of the assets, undertakings and properties (collectively, the “**Assets**”) of 2154015 Ontario Inc. (the “**Debtor**”), will make a motion to a Judge of the Commercial List on Friday, March 23, 2012, at 10:00 am, or as soon after that time as the motion can be heard, at 330 University Avenue, Toronto, Ontario.

PROPOSED METHOD OF HEARING: The motion is to be heard orally.

THE MOTION IS FOR an order:

1. abridging the time for service of the notice of motion and the motion record so that the motion is properly returnable on March 23, 2012;
2. approving the sale by the Receiver of the Debtor’s retail/lumber inventory (the “**Inventory**”) to 4536631 Canada Inc. (the “**Inventory Purchaser**”) pursuant to an asset purchase agreement between the Receiver and the Inventory Purchaser (the “**Asset**”

Purchase Agreement“) and vesting title to the Inventory in the Inventory Purchaser free and clear of all claims and encumbrances;

3. approving the sale by the Receiver of the Debtor’s machinery and equipment (the **“Equipment”**) to Maynards Industries Ltd. (the **“Equipment Purchaser”**) and vesting title to the Equipment free and clear of all claims and encumbrances in the ultimate purchasers of the Equipment;
4. sealing the confidential appendices to the Receiver’s First Report to the Court dated March 20, 2012 (the **“First Report”**);
5. approving the activities of the Receiver as described in the First Report; and
6. such further and other relief as this Honourable Court deems just.

THE GROUNDS FOR THE MOTION ARE:

1. Until January 2012, the Debtor carried on business as a Rona dealer selling primarily lumber and building supplies from premises located at 1277 Wilson Road North, Oshawa, Ontario (the **“Premises”**). In January 2012, the Debtor’s retail operations had ceased operating as a result of a flood at the Premises.
2. On January 20, 2012, this Court appointed the Receiver pursuant to an order of Mr. Justice Morawetz (the **“Receivership Order”**) for the purpose, *inter alia*, of conducting a sale process for the liquidation of the Debtor’s property.
3. Canadian Imperial Bank of Commerce (**“CIBC”**) and Rona Inc. (**“Rona”**) are the Debtor’s senior secured lenders owed as at the date of the receivership approximately \$1.14 million and \$1.44 million, respectively. The Receiver does not anticipate that the liquidation of the Debtor’s assets will yield a recovery sufficient to satisfy the claims of these creditors in full.
4. The Receiver conducted a sale process for the liquidation of the Debtor’s property described in detail in the First Report. The sale process culminated in the Receiver entering into: (i) an agreement of purchase and sale (the **“APA”**) for the Inventory with

the Inventory Purchaser, a franchisee of Rona; and (ii) an auction services agreement for the Equipment (the “ASA”) entered into with the Equipment Purchaser (collectively, the “Transactions”).

5. The Transactions represent the best and highest offers for the Debtor’s property received in the sale process. The Transactions are supported by CIBC and Rona who are the only creditors with an economic interest in the assets.
6. The Receiver seeks an order sealing the ASA, the APA and the summary of offers received in the sale process until the closing of the Transactions. In the event that the Court approves the Transactions, but one or both of the Transactions does not close, the Receiver is of the view that efforts to remarket the Debtor’s Inventory and Equipment may be impaired if the proposed confidential appendices are made public at this time.
7. The facts and circumstances set out in the First Report.
8. The Receivership Order
9. Rule 37 of the *Rules of Civil Procedure* (Ontario).
10. Such further and other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

1. The First Report;
2. The Receivership Order;
3. Such further and other evidence as counsel may advise and this Honourable Court may permit.

March 20, 2012

INTRODUCTION

1. By order (the “**Appointment Order**”) of the Honourable Mr. Justice Morawetz of the Ontario Superior Court of Justice (the “**Court**”) dated January 20, 2012 (the “**Date of Appointment**”), PricewaterhouseCoopers Inc. (“**PwC**”) was appointed receiver (the “**Receiver**”) pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended, (the “**BIA**”) and section 101 of the *Courts of Justice Act* R.S.O. 1990 c.43, as amended, without security, of all of the properties, assets and undertakings (the “**Property**”) of 2154015 Ontario Inc. (“**215**” or the “**Company**”), pursuant to an application by the Canadian Imperial Bank of Commerce (“**CIBC**”). A copy of the Appointment Order is attached as **Appendix “A”** to this report.

PURPOSE OF REPORT

2. This is the first report of the Receiver (the “**First Report**”), the purpose of which is to update the Court with respect to:
 - a) The activities of the Receiver since the Date of Appointment;
 - b) The Receiver’s statement of receipts and disbursements from the Date of Appointment to March 12, 2012;
 - c) The claims asserted by various parties for the repossession of property in the Company’s possession;
 - d) The results of the Receiver’s efforts to solicit offers for certain of the Property;
 - e) The sale by the Receiver of the Company’s retail and lumber inventory (the “**Inventory**”) to 4536631 Canada Inc. (“**453**”) and the proposed liquidation of the Company’s machinery and equipment (the “**Equipment**”) by Maynards Industries Ltd. (“**Maynards**”), subject to the Court’s approval;

- f) The key terms of the Asset Purchase Agreement (“**APA**”) dated March 19, 2012 between the Receiver and 453 for the sale of the Inventory (the “**Inventory Sale**”);
- g) The terms of the Auction Services Agreement (“**ASA**”) dated March 19, 2012 between the Receiver and Maynards for the sale of the Equipment (the “**Equipment Sale**”);

And to seek an order of the Court:

- a) Approving the Inventory Sale and vesting the Company’s rights, title and interests in and to the Inventory in 453;
 - b) Approving the Equipment Sale (and collectively with the Inventory Sale, the “**Transactions**”) and vesting the Company’s rights, title and interests in and to the Equipment in the ultimate purchaser or purchasers of the Equipment, free and clear of all liens and encumbrances;
 - c) Approving the First Report and the activities of the Receiver as set out therein; and
 - d) Temporarily sealing the Offer Summary (as hereinafter defined) and the unredacted versions of the APA and ASA pending the closing of the transactions contemplated therein.
3. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian dollars. Capitalized terms not otherwise defined are as defined in the Appointment Order.
4. The information contained in this report has been obtained from the books and records and other information of the Company. The accuracy or completeness of the financial information contained herein has not been audited or otherwise verified by the Receiver, and the Receiver does not express an opinion or provide any other form of assurance with respect to the information presented herein or relied upon by the Receiver in preparing this report.

BACKGROUND AND CREDITORS

5. The Company carried on business as a Rona dealer pursuant to, *inter alia*, the terms of a Commercial License Agreement dated April 1, 2010, among Rona Inc. (“**Rona**”), the Company and others, selling lumber and hardware and building supplies from leased premises located at 1277 Wilson Road North, Oshawa, Ontario (the “**Premises**”).
6. Pursuant to the Commercial License Agreement, the Company granted Rona a general security interest in all of its present and future assets, undertakings and properties. Pursuant to the terms of a subordination agreement, Rona subordinated its interests in the Company’s personal property to CIBC. Rona and CIBC are collectively referred to herein as the “**Senior Secured Lenders**”.
7. As at the Date of Appointment, the Company was indebted to CIBC in the amount of approximately \$1.14 million, inclusive of costs and interest, and Rona in the amount of approximately \$1.44 million, inclusive of costs and interest.
8. As at the Date of Appointment, the Company owed its unsecured creditors, including trade creditors, approximately \$1 million.
9. The Receiver does not anticipate that a sale or liquidation of the Property will result in sufficient realizations to satisfy the claims of the Senior Secured Lenders.

ACTIVITIES OF THE RECEIVER

10. In addition to the other activities described in this First Report, the Receiver has established a website at www.pwc.com/car-colonylumber, where all materials filed with the Court and all orders granted by the Court in connection with the receivership, will be made available in electronic form.

11. Shortly before the Date of Appointment, PwC met with the Company's principals (the "**Principals**") who advised the Receiver that the Company's operations were to be wound down and that the Company's retail operations had ceased, as a result of a flood at the Premises (the "**Flood**"). Accordingly, the Receiver's activities were focused on obtaining possession of the Property, dealing with creditors' claims and soliciting offers for the liquidation of the Property.

POSSESSION AND PRESERVATION OF THE PROPERTY

12. Subsequent to the Date of Appointment, the Receiver:
 - a) Changed the locks at the Premises;
 - b) Froze the Company's bank accounts with CIBC and opened new accounts in the name of the Receiver;
 - c) Arranged borrowings from CIBC in the amount of \$150,000 to fund the Receiver's activities, as provided for pursuant to paragraph 20 of the Appointment Order;
 - d) Contacted the Company's alarm service provider to both delete the existing alarm codes and set up new alarm codes;
 - e) Completed a count of the Inventory, Equipment and other assets, including the identification of property that may be subject to property claims pursuant to section 81(1) of the BIA (the "**Section 81(1) Claims**");
 - f) Reviewed 215's existing insurance coverage and contacted the Company's insurance broker to request that the Receiver be listed as named insured and loss payee on the Company's insurance policy;

- g) Followed up on claims that may have been filed by the Company in connection with the Flood;
- h) Obtained possession of and reviewed 215's books and records to obtain a better understanding of its financial position;
- i) Contacted Canada Revenue Agency to set up new accounts (source deductions and HST) in the name of the Receiver;
- j) Arranged for the continuation of all essential services, including utilities, to the Premises;
- k) Mailed letters to the Company's accounts receivable debtors, notifying them of their obligation to pay amounts due to 215 to the Receiver; and
- l) With the assistance of PwC's Forensic Technology Services Group, completed a back-up of the Company's electronic books and records, including obtaining images of the software and data contained on a number of computers and servers located at the Premises.

MEETINGS / COMMUNICATIONS WITH THE COMPANY'S EMPLOYEES

- 13. The Receiver has met with the Company's employees to advise them of their rights and entitlements under the provisions of the *Wage Earner Protection Program Act* ("**WEPPA**") and the limited priority granted to employee claims for wage arrears in accordance with section 81.4 of the BIA (the "**Section 81.4 Claims**").
- 14. As at the date of this Report, the Receiver has terminated all of the Company's employees, including those retained by the Company following the Date of Appointment.

NOTICE TO CREDITORS

15. Pursuant to section 245(1) of the BIA, on January 30, 2012, the Receiver sent notice of its appointment, in the prescribed form, and its first report pursuant to section 246(1) of the BIA to all known creditors of 215, the Office of the Superintendent of Bankruptcy and to the Company.

COMMUNICATIONS WITH CREDITORS, STAKEHOLDERS AND INTERESTED PARTIES

16. Subsequent to the Date of Appointment, the Receiver has had communications with CIBC and has communicated with Rona on matters relevant to it in connection with the receivership proceedings.
17. The Receiver has attended at several meetings with representatives of Arista Homes, H&R Developments and Thornridge Homes (collectively the **"Developers"**) to discuss:
 - a) The payment of outstanding amounts due from the Developers to the Company; and
 - b) The Receiver's proposed terms of trade for the continued supply of lumber to complete properties that the Developers currently have under construction, as the Receiver was of the view that assisting the Developers in completing current projects would enhance recoveries of outstanding amounts owing by the Developers to the Company. As a result of the Receiver's negotiations with each of the Developers, the Receiver agreed to supply terms with each of the Developers.
18. Following the Receiver's appointment, Szemenyei MacKenzie Godin LLP (**"SMG"**), legal counsel for Tandelle Truss/Pacer Building Components (the **"Truss Supplier"**), a creditor of 215, advised the Receiver of the Truss Supplier's registration of liens (the **"Liens"**), pursuant to the *Construction Lien Act*, totalling approximately \$128,000 in respect of amounts due to the Truss

Supplier for materials sold to the Company and delivered to the job sites being completed by certain of the Developers and/or other projects supplied by 215.

19. The Receiver has had several discussions with SMG and the Developers and/or owners of the properties subject to the Liens in an effort to have the Liens vacated to enable the Receiver to collect the amounts owing to the Company, review the Liens and bring a motion for the distribution of proceeds realized from the Property in accordance with the priority of creditors thereto.
20. On February 22, 2012, SMG informed the Receiver that the Truss Supplier was not willing to vacate the Liens and the Receiver understands that certain of the Developers and/or property owners where the Liens were registered have subsequently settled the Liens directly with the Truss Supplier.

SECTION 81(1) CLAIMS

21. The Receiver has received and reviewed a number of the Section 81(1) Claims, including the following:
 - a) A claim by Hull Drafting & Development (“**Hull**”) for the return of drafting tables and other equipment, which were used by Hull on the Premises, as part of its agreement with 215;
 - b) A claim by Nature’s Call for the return of a portable washroom unit;
 - c) A claim by Pitney Bowes Global Credit Services (“**Pitney Bowes**”) for the return of a postage meter weigh platform;
 - d) A claim by Normerica Building Systems Inc. (“**Normerica**”) for the return of certain branded tarping and dispenser system for same;
 - e) A claim by First General Service Solution (“**First General**”) for the return of a garbage disposal bin located at the Premises for the purpose of disposing of any waste materials associated with the building repairs due to the Flood;

- f) A claim by Granite Claims Solutions (“**Granite Claims**”) in respect of certain inventory damaged in the Flood, which damaged inventory was the subject matter of an insurance claim filed by 215. The Receiver has been paid the insurance proceeds in connection with 215’s claim in respect of the damaged inventory;
 - g) A claim by PACCAR Leasing Company a division of PACCAR Financial Services Ltd. (“**PACCAR**”) in respect of two (2) trucks used by 215;
 - h) A claim by L. Linklater (“**Linklater**”) for the return of a filing cabinet;
 - i) A claim by M. Boddy (“**Boddy**”) for the return of a mini-fridge and microwave;
 - j) A claim filed by R. DeVincenzo (“**DeVincenzo**”) for the return of miscellaneous personal property, including a desk, paintings and other furniture located on the Premises; and
 - k) A claim filed by RCAP Leasing (“**RCAP**”) in connection with an automated paint shaker used by 215 and located at the Premises.
22. The Receiver has completed its review of the Section 81(1) Claims of Hull, Nature’s Call, Pitney Bowes, Normerica, First General, Granite Claims, PACCAR, Linklater and Boddy, and has accepted those Section 81(1) Claims, as filed. The Receiver has released the property subject to those Section 81(1) Claims to the respective claimants.
23. The Receiver is in the process of reviewing the Section 81(1) Claims submitted by DeVincenzo and RCAP and will deal with the property, which is the subject matter of these claims, as appropriate, following the completion of the Receiver’s review.

RECEIVER'S STATEMENT OF RECEIPTS AND DISBURSEMENTS

24. The Receiver's statement of receipts and disbursements for the period from the Date of Appointment to March 12, 2012 is summarized as follows:

Statement of Receipts and Disbursements For the Period from January 20, 2012 - March 12, 2012	
Receipts	\$
Sales	22,249
AR Collections	371,088
Insurance Proceeds	4,956
Total Receipts	398,293
Disbursements	
Inventory Purchases	20,566
Employee Related Payments	125,292
A/R Collection Commissions	5,765
Rent	26,367
Insurance	9,997
Other Operating Expenses	26,181
Total Disbursements	214,168
Excess of Receipts over Disbursements	184,125

25. The Company's books and records indicate that the book value of its accounts receivable (the "**Receivables**") as at the Date of Appointment was approximately \$1.2 million. As at March 12, 2012, the Receiver has collected approximately \$371,000 in respect of the Receivables. The Receiver is of the view that realizations in respect of the remaining Receivables may be difficult due to the registration of the Liens and various disputes raised by account debtors contacted by the Receiver.

SECTION 81.4 CLAIMS AND WEPPA

26. The Receiver has reviewed the Company's payroll records and, in accordance with its statutory duties under section 81.4 of the BIA, has prepared an analysis of the Section 81.4 Claims.

27. According to the Receiver's review of the Company's books and records, outstanding wages, vacation pay and recoverable expenses (for salespersons) owed to 215's employees, as of the Date of Appointment, totalled approximately \$48,700, of which, the Receiver determined that approximately \$37,000 represented potential claims under Section 81.4 of the BIA.
28. The Section 81.4 Claims are secured by a charge on the Company's current assets, as defined in the BIA. As set out in the Receiver's Statement of Receipts and Disbursements, the Receiver has realized approximately \$371,000 in respect of the Receivables as at March 12, 2012. Accordingly, there are sufficient realizations from current assets to satisfy the Section 81.4 Claims.
29. The Receiver will continue to comply with its obligations under WEPPA, if any, including providing information to the Company's former employees and/or those employees terminated by the Receiver for the purpose of filing claims under the WEPPA with Service Canada should any such claims arise in the future.

SALES PROCESS

30. As noted previously in this Report, as at the Date of Appointment, the Company's retail operations had ceased as a result of the Flood. Accordingly, immediately after its appointment and after reviewing the Company's Inventory and Equipment, the Receiver began contacting liquidators, lumber suppliers and hardware retailers, including Rona, (collectively, the **"Prospective Purchasers"**) to advise of the Receiver's appointment and to describe the Property available for sale. The Prospective Purchasers included parties who regularly liquidate merchandise in insolvency proceedings. The Receiver was also contacted by several hardware and lumber suppliers expressing an interest in 215's Inventory and Equipment (collectively with the Prospective Purchasers, the **"Interested Parties"**). In total, the Receiver contacted fifteen (15) Interested Parties.

31. Interested Parties were asked to submit offers for 215's Property on or before 4:00 p.m. (Eastern Standard Time) on February 10, 2012. Six (6) offers were received with respect to the Inventory and Equipment by February 10, 2012 (the **"Initial Offers"**).
32. Following the Receiver's review of the Initial Offers and taking into consideration that certain of the Initial Offers were conditional on further inspection of the Inventory and Equipment, the Receiver contacted each the Interested Parties to advise them that the Receiver set a deadline for the receipt of final offers for the Property of 12:00 p.m. on February 16, 2012 (the **"Final Bid Deadline"**)
33. Eight (8) offers to purchase and/or auction the Company's Inventory and Equipment were submitted to the Receiver prior to the Final Bid Deadline (the **"Final Offers"**).
34. The Receiver reviewed the Final Offers and prepared a schedule summarizing same (the **"Offer Summary"**), which is attached hereto as **Confidential Appendix "A"**, which the Receiver has provided to the Court subject to a temporary sealing request. In the event that the Court approves the Inventory Sale and/or the Equipment Sale, but one or both of the Transactions does not close, the Receiver is of the view that efforts to remarket the Company's Inventory and Equipment may be impaired if the Offer Summary is made public at this time.

THE TRANSCATIONS

35. Based on its review of the Final Offers, the Receiver determined that the most favourable alternative available to it was a sale or auction of the Equipment under Maynards' supervision, combined with the sale of the Inventory to 453, a wholly owned subsidiary of Rona.

36. Following its review of the Final Offers, the Receiver contacted both 453 and Maynards to advise that the Receiver wished to proceed with their respective offers and to negotiate definitive agreements in respect of same.
37. On March 19, 2012, the Receiver and 453 executed an APA in respect of the Inventory, a redacted copy of which is attached hereto as **Appendix “B”**. Key elements of the 453 APA include:
- a) The purchased assets consist of hardware/building supplies and lumber;
 - b) 453 has sole responsibility for removing and transporting the Inventory from the Premises to their final destination;
 - c) Following the closing of the Inventory Sale, the Receiver will provide 453 with access to the Premises between 8 a.m. and 6 p.m. daily, for a period of twenty-one (21) days, excluding statutory holidays, to remove the Inventory;
 - d) In the event 453 does not remove all of the Inventory, 453 and the Receiver have entered into an arrangement whereby the Receiver may repurchase all such Inventory for \$1, at the Receiver’s option;
 - e) The Inventory Sale is subject to the approval of the Court and the issuance of an order approving the APA and vesting title in and to the Inventory in 453 free and clear of all claims and encumbrances (the **“453 Vesting Order”**); and
 - f) Closing will take place the next business day following the date of the 453 Vesting Order or such earlier or later date as may be agreed upon by 453 and the Receiver.

38. On March 19, 2012, the Receiver and Maynards executed an ASA in respect of the Equipment, a redacted copy of which is attached hereto as **Appendix “C”**. Key elements of the ASA include:
- a) Upon the execution of the ASA, Maynards shall provide the Receiver with an advance payment towards the net minimum guarantee (“**NMG**”) with the balance of the NMG being paid to the Receiver no later than one (1) business day prior to the auction date;
 - b) The Equipment may be sold by private advance sales and/or at a public auction to be conducted from the Premises. The public auction is to be held no later than April 20, 2012 or such later date as may be agreed to by Maynards and the Receiver; and
 - c) The Equipment Sale is subject to the approval of the Court and the issuance of an order approving the ASA and the Equipment Sale and vesting title in and to the Equipment in the ultimate purchaser or purchasers of Equipment.
39. In the event that the Court approves the Inventory Sale and or the Equipment Sale, but one or both of the Transactions does not close, the Receiver is of the view that efforts to remarket the Company’s Inventory and Equipment may be impaired if the APA or the ASA are made public at this time. The Receiver proposes to file unredacted copies of the APA and the ASA with the Court as **Confidential Appendix “B”** and **Confidential Appendix “C”**, respectively. The Receiver is of the view that it is preferable that the unredacted APA and the unredacted ASA remain confidential until the closing of the Inventory Sale and the completion of the Equipment Sale, respectively. Accordingly, the Receiver seeks an order temporarily sealing the unredacted APA and the unredacted ASA pending the closing and/or completion of the Transactions.

TRANSFER OF OWNERSHIP TO CERTAIN EQUIPMENT

40. During the sales process, the Receiver became aware that title to certain of the Company's vehicles (the "**Vehicles**"), which are included in the Equipment Sale, was not registered with 215. Rather, title to the Vehicles was in the name of Colony Ratcliff Lumber Inc. ("**Ratcliff**").
41. After further investigation by the Receiver, including discussions with the Principals, the Receiver understands that by virtue of both an asset purchase agreement dated April 9, 2010 and a general conveyance dated April 9, 2010 entered into between 215 and Ratcliff (the "**Conveyance Documents**"), 215 purchased various assets from Ratcliff, including the Vehicles.
42. Notwithstanding the purchase of the Vehicles from Ratcliff by 215, the Receiver has confirmed with the Ministry of Transportation ("**MTO**") that the registrations for the Vehicles were never transferred from Ratcliff to 215.
43. Following several discussion with representatives of the MTO and after providing the MTO with copies of the Conveyance Documents, the MTO agreed to permit the Receiver to complete the conveyance of the Vehicles from Ratcliff to 215 upon payment of 8% Retail Sales Tax (the "**Tax**"), as the sale of the Vehicles predated the implementation of the Harmonized Sales Tax, based on the actual sale price or the wholesale value of the Vehicles, whichever was greater.
44. The portion of the NMG allocable to the vehicles for the Equipment Sale exceeded the Tax required to be paid to complete the conveyance of the Vehicles from Ratcliff to 215. Accordingly, the Receiver has paid the Tax and title to the Vehicles has been transferred from Ratcliff to 215. Out of an abundance of caution, the Receiver will serve its notice of motion and this Report on the parties with outstanding registrations against Ratcliff.

SECURITY OPINION

45. Chaitons LLP (“**Chaitons**”), independent counsel to the Receiver, has reviewed the security granted in favour of both CIBC (the “**CIBC Security**”) and Rona (the “**Rona Security**”) by 215. Chaitons is in the process of finalizing its opinion on the CIBC Security and the Rona Security, but has informed the Receiver that, based on its review, the CIBC Security and the Rona Security is both valid and enforceable.

CONCLUSION AND RECOMMENDATION

46. The Receiver is of the view that the Inventory Sale and the Equipment Sale represent the best recovery for the Inventory and the Equipment, in the circumstances and recommends that the Court issue an order approving the Inventory Sale and the Equipment Sale as:
- a) The Company was not operating as a going concern as at the Date of Appointment. Accordingly, liquidation was the only viable option available to the Receiver to realize on the Inventory and the Equipment.
 - b) The sales process was designed to solicit interest from *bona fide* Interested Parties who would be familiar with the nature of the Inventory and the Equipment;
 - d) The market has been extensively canvassed by the Receiver in the sale process.
 - e) The further marketing of the Inventory and Equipment would not likely result in greater realizations and may put the Transactions at risk impairing recoveries;
 - f) The Transactions represent the best and highest offers received by the Receiver in the sale process; and

- g) Based on the estimated realizations from the Property, the Senior Secured Lenders are the only creditors with an economic interest in the Property, and CIBC supports the Inventory Sale and the Equipment Sale and Rona takes no position on the Equipment Sale.

47. The Receiver respectfully recommends that the Court issue an order:

- a) Approving the Inventory Sale and vesting the Company's right, title and interest in and to the Inventory in 453;
- b) Approving the Equipment Sale and vesting the Company's right, title and interest in and to the Equipment in the ultimate purchaser or purchasers of the Equipment, free and clear of all liens and encumbrances;
- c) Approving the First Report and the activities of the Receiver as set out therein; and
- d) Temporarily sealing the Offer Summary, the unredacted APA and the unredacted ASA pending the closing and/ or completion of the transactions contemplated therein.

All of which is respectfully submitted on this 20th day of March, 2012.

DUTY TO PROVIDE ACCESS AND CO-OPERATION TO THE RECEIVER

4. **THIS COURT ORDERS** that (i) the Debtor, (ii) all of its current and former directors, officers, employees, agents, accountants, legal counsel and shareholders, and all other persons acting on its instructions or behalf, and (iii) all other individuals, firms, corporations, governmental bodies or agencies, or other entities having notice of this Order (all of the foregoing, collectively, being "Persons" and each being a "Person") shall forthwith advise the Receiver of the existence of any Property in such Person's possession or control, shall grant immediate and continued access to the Property to

the Receiver, and shall deliver all such Property to the Receiver upon the Receiver's request.

5. **THIS COURT ORDERS** that all Persons shall forthwith advise the Receiver of the existence of any books, documents, securities, contracts, orders, corporate and accounting records, and any other papers, records and information of any kind related to the business or affairs of the Debtor, and any computer programs, computer tapes, computer disks, or other data storage media containing any such information (the foregoing, collectively, the "Records") in that Person's possession or control, and shall provide to the Receiver or permit the Receiver to make, retain and take away copies thereof and grant to the Receiver unfettered access to and use of accounting, computer, software and physical facilities relating thereto, provided however that nothing in this paragraph 5 or in paragraph 6 of this Order shall require the delivery of Records, or the granting of access to Records, which may not be disclosed or provided to the Receiver due to the privilege attaching to solicitor-client communication or due to statutory provisions prohibiting such disclosure.

6. **THIS COURT ORDERS** that if any Records are stored or otherwise contained on a computer or other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto paper or making copies of computer disks or such other manner of retrieving and copying the information as the Receiver in its discretion deems expedient, and shall not alter, erase or destroy any Records without the prior written consent of the Receiver. Further, for the purposes of this paragraph, all Persons shall provide the Receiver with all such assistance in gaining immediate access to the information in the Records as the Receiver may in its discretion require including providing the Receiver with instructions on the use of any computer or other system and providing the Receiver with any and all access codes, account names and account numbers that may be required to gain access to the information.

NO PROCEEDINGS AGAINST THE RECEIVER

7. **THIS COURT ORDERS** that no proceeding or enforcement process in any court or tribunal (each, a "Proceeding"), shall be commenced or continued against the Receiver except with the written consent of the Receiver or with leave of this Court.

NO PROCEEDINGS AGAINST THE DEBTOR OR THE PROPERTY

8. **THIS COURT ORDERS** that no Proceeding against or in respect of the Debtor or the Property shall be commenced or continued except with the written consent of the Receiver or with leave of this Court and any and all Proceedings currently under way against or in respect of the Debtor or the Property are hereby stayed and suspended pending further Order of this Court.

NO EXERCISE OF RIGHTS OR REMEDIES

9. **THIS COURT ORDERS** that all rights and remedies against the Debtor, the Receiver, or affecting the Property, are hereby stayed and suspended except with the written consent of the Receiver or leave of this Court, provided however that this stay and suspension does not apply in respect of any "eligible financial contract" as defined in the BIA, and further provided that nothing in this paragraph shall (i) empower the Receiver or the Debtor to carry on any business which the Debtor is not lawfully entitled to carry on, (ii) exempt the Receiver or the Debtor from compliance with statutory or regulatory provisions relating to health, safety or the environment, (iii) prevent the filing of any registration to preserve or perfect a security interest, or (iv) prevent the registration of a claim for lien.

NO INTERFERENCE WITH THE RECEIVER

10. **THIS COURT ORDERS** that no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by the Debtor, without written consent of the Receiver or leave of this Court.

CONTINUATION OF SERVICES

11. **THIS COURT ORDERS** that all Persons having oral or written agreements with the Debtor or statutory or regulatory mandates for the supply of goods and/or services, including without limitation, all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility or other services to the Debtor are hereby restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Receiver, and that the Receiver shall be entitled to the continued use of the Debtor's current telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the date of this Order are paid by the Receiver in accordance with normal payment practices of the Debtor or such other practices as may be agreed upon by the supplier or service provider and the Receiver, or as may be ordered by this Court.

RECEIVER TO HOLD FUNDS

12. **THIS COURT ORDERS** that all funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the "Post Receivership Accounts") and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further Order of this Court.

EMPLOYEES

13. **THIS COURT ORDERS** that all employees of the Debtor shall remain the employees of the Debtor until such time as the Receiver, on the Debtor's behalf, may terminate the employment of such employees. The Receiver shall not be liable for any

employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*.

PIPEDA

14. **THIS COURT ORDERS** that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a "Sale"). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

15. **THIS COURT ORDERS** that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "Possession") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the *Ontario Environmental Protection Act*, the *Ontario Water Resources Act*, or the

Ontario *Occupational Health and Safety Act* and regulations thereunder (the "Environmental Legislation"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

16. **THIS COURT ORDERS** that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

17. **THIS COURT ORDERS** that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the "Receiver's Charge") on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

18. **THIS COURT ORDERS** that the Receiver and its legal counsel shall pass its accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

19. **THIS COURT ORDERS** that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

20. **THIS COURT ORDERS** that the Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$200,000.00 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the "Receiver's Borrowings Charge") as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver's Charge and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

21. **THIS COURT ORDERS** that neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

22. **THIS COURT ORDERS** that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule "A" hereto (the "Receiver's Certificates") for any amount borrowed by it pursuant to this Order.

23. **THIS COURT ORDERS** that the monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.

SERVICE AND NOTICE

24. **THIS COURT ORDERS** that the Receiver be at liberty to serve this Order, any other materials and orders in these proceedings, any notices or other correspondence, by forwarding true copies thereof by prepaid ordinary mail, courier, personal delivery or electronic transmission to the Debtor's creditors or other interested parties at their respective addresses as last shown on the records of the Debtor and that any such service or notice by courier, personal delivery or electronic transmission shall be deemed to be received on the next business day following the date of forwarding thereof, or if sent by ordinary mail, on the third business day after mailing.

25. **THIS COURT ORDERS** that the Applicant, the Receiver, and any party who has filed a Notice of Appearance may serve any court materials in these proceedings by e-mailing a PDF or other electronic copy of such materials to counsels' email addresses as recorded on the Service List from time to time, and the Receiver may post a copy of any or all such materials on its website at www.pwc.com/car-colonylumber.

GENERAL

26. **THIS COURT ORDERS** that the Receiver may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.

27. **THIS COURT ORDERS** that nothing in this Order shall prevent the Receiver from acting as a trustee in bankruptcy of the Debtor.

28. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies

are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

29. **THIS COURT ORDERS** that the Receiver be at liberty and is hereby authorized and empowered to apply to any court, tribunal, regulatory or administrative body, wherever located, for the recognition of this Order and for assistance in carrying out the terms of this Order, and that the Receiver is authorized and empowered to act as a representative in respect of the within proceedings for the purpose of having these proceedings recognized in a jurisdiction outside Canada.

30. **THIS COURT ORDERS** that the Applicant shall have its costs of this motion, up to and including entry and service of this Order, provided for by the terms of the Applicant's security or, if not so provided by the Applicant's security, then on a substantial indemnity basis to be paid by the Receiver from the Debtor's estate with such priority and at such time as this Court may determine.

31. **THIS COURT ORDERS** that any interested party may apply to this Court to vary or amend this Order on not less than seven (7) days' notice to the Receiver and to any other party likely to be affected by the order sought or upon such other notice, if any, as this Court may order.

No representation, warranty or condition is expressed or can be implied as to title, encumbrances, description, fitness for purpose, merchantability, condition, quantity or quality or in respect of any other matter or thing whatsoever concerning the Inventory or the right of the Vendor to sell or assign same save and except as expressly represented or warranted herein. 2.1 Sale of Assets

The Auctioneer, in a commercially reasonable manner and in accordance with the terms and conditions of this Agreement, shall sell the Assets for and on behalf of the Receiver, by way of public auction to be held by no later than April 20, 2012 or such later date as may be agreed to in writing by the Receiver and the Auctioneer (the "Auction Date") or, by private sale from the Debtor's Premises. Any private sale of the Assets shall not require the prior approval of the Receiver provided that the sale price for the Assets which are the subject of such private sale exceeds or equals the Net Minimum Guaranteed Amount allocated to such assets in the Auctioneer's allocation schedule (the "Allocation Schedule") initialed by the Auctioneer and the Receiver and attached hereto as Schedule 2.1 and, the aggregate sale price for such Assets is less than the sum of [REDACTED]. In the event of a proposed private sale which would not meet the threshold specified in the preceding sentence, the prior written approval of the Receiver shall be required in respect of any such private sale. The Auctioneer further agrees that payment terms for all sales shall be by cash, debit, credit card, wire transfer, certified cheque or a draft drawn on a major Canadian bank. Without limiting any other rights of the Receiver pursuant to this Agreement but subject to the Auctioneer's rights under Section 2.3(2), the Auctioneer acknowledges that the Receiver may exclude any Assets made available for sale from the Transaction if such Assets are subject to an anticipated, actual, pending or threatened claim by a third party, provided the Receiver provides written notice to the Auctioneer describing such Assets prior to the sale of such Assets by the Auctioneer.

The Auctioneer acknowledges that the sale proceeds are trust funds for the benefit of the Receiver and the Auctioneer in accordance with Section 2.4.

2.2 As Is, Where Is

The Auctioneer acknowledges that it has made such inspections of the Assets as it deems appropriate and that the Receiver is selling the Assets on an "as is, where is" basis as they shall exist on the Closing Date. The Auctioneer further acknowledges that it has entered into this Agreement on the basis that the Receiver does not guarantee title to the Assets and that the Auctioneer has conducted such inspections of the condition of and title to the Assets as it deemed appropriate and has satisfied itself with regard to these matters. No representation, warranty or condition is expressed or can be implied as to title, encumbrances, description, fitness for purpose, merchantability, condition, quantity or quality or in respect of any other matter or thing whatsoever concerning the Assets or the right of the Receiver to sell or assign same save and except as expressly represented or warranted herein. Without limiting the generality of the foregoing, any and all conditions, warranties or representations expressed or implied pursuant to the *Sale of Goods Act* (Ontario) or similar legislation do not apply hereto and have been waived by the Auctioneer. The description of the Assets contained in the Schedules hereto is for the purpose of identification only. No representation, warranty or condition has or will be given by the Receiver concerning completeness or the accuracy of such descriptions. The Auctioneer further acknowledges that all written and oral information (including, without limitation, analyses, financial information and projections, compilations and studies) obtained by the

Auctioneer from the Receiver with respect to the Assets or otherwise relating to the Transaction has been obtained for the convenience of the Auctioneer only and is not warranted to be accurate or complete. Any descriptions provided to purchasers or prospective purchasers by the Auctioneer's sales staff, which may include former employees of the Debtor hired by the Auctioneer, shall be given solely on behalf of the Auctioneer in its own capacity and not as agent for the Receiver, and the Receiver shall have no obligations with respect thereto. The Auctioneer agrees that the auction terms will provide that all sales are final and that signs will be prominently displayed at the Debtor's Premises advising purchasers that all sales are final.

2.3 Net Minimum Guarantee

- (1) The Auctioneer guarantees that the proceeds (net of any Sales Taxes and Buyer's Premium collected) to be paid to the Receiver for the Receiver's own account as a result of the sale of the Assets shall not be less than [REDACTED] subject to adjustment as set out in Sections 2.3(2) (the "Net Minimum Guaranteed Amount"), notwithstanding that the actual proceeds generated from the sale of the Assets may be less than the Net Minimum Guaranteed Amount.
- (2) If the Receiver excludes any Assets made available for sale from the Transaction pursuant to Section 2.1, the Net Minimum Guaranteed Amount shall be reduced by the applicable amount of the Net Minimum Guaranteed Amount allocated to the Asset(s) in question as set out in the Allocation Schedule except where the applicable Asset is subject to an unconditional offer to purchase such asset(s) that continues to be open for acceptance by the Auctioneer, in which case the Net Minimum Guaranteed Amount shall be reduced by the purchase price for such asset.

2.4 Payment of Net Minimum Guaranteed Amount

- (1) The Auctioneer shall pay the Net Minimum Guaranteed Amount to the Receiver as follows:
 - (a) The sum of [REDACTED] upon the execution of this Agreement, such payment representing an advance payment on account of the Net Minimum Guaranteed Amount (the "Advance") to be deposited by the Receiver in an interest-bearing account of a Canadian chartered bank; and
 - (b) The balance of the Net Minimum Guaranteed Amount in the amount of [REDACTED] after crediting the Advance shall be paid by no later than one (1) Business Day prior to the Auction Date.
- (2) Other amounts shall be payable as follows:
 - (a) The Auctioneer shall pay to the Receiver all amounts for which the Auctioneer is or may be liable pursuant to Section 2.8 ascertainable at such time;

- (b) after the amounts set out in Section 2.4(1) and Section 2.4(2)(a) have been paid, the Auctioneer shall be entitled to a maximum amount of [REDACTED] from the proceeds of the sale of the Assets, which amount is to be retained by the Auctioneer as compensation for its services and to reimburse the Auctioneer for expenses accrued in connection with the Transaction;
- (c) After the amounts set out in Section 2.4(1) and Section 2.4(2)(a)-(b) have been paid and the Auctioneer has retained the amount referred to in Section 2.4(2)(b), the Receiver and the Auctioneer shall share the remaining proceeds of sale from the Assets [REDACTED] on the following basis: sixty-five (65%) percent to the Receiver, and thirty-five (35%) percent to the Auctioneer, to be distributed by the Auctioneer to the Receiver by the 5th Business Day following completion of the Liquidation Period.

All monies payable to the Receiver shall be paid to the Receiver by certified cheque, wire transfer or draft drawn on a Canadian chartered bank.

The Auctioneer acknowledges and agrees with the Receiver that all of the Auctioneer's obligations and liabilities under this Agreement including, but not limited to, Section 2.8 hereunder (including indemnity obligations) shall continue in full force and effect notwithstanding the release of any funds in the Account. With respect to any amounts that are later determined to be owing pursuant to Section 2.8, the Auctioneer shall pay to the Receiver said amounts immediately upon written request by the Receiver.

2.5 Trust Account – Intentionally Deleted

2.6 Accounting for Sale Proceeds

The Auctioneer shall provide to the Receiver on a regular basis, but not less frequently than bi-weekly, a detailed listing of the Assets sold, such listing to include, without limitation, the price for all Assets sold. The Auctioneer shall provide the Receiver with a complete and detailed final accounting with respect to the sale of all Assets within five (5) days following the Auction Date (the "Accounting Deadline").

2.7 Access to Debtor's Premises

The Receiver shall provide the Auctioneer with access to the Debtor's Premises during the Liquidation Period without charge Monday to Friday (excluding statutory holidays) during the hours of 8 a.m. to 6 p.m.

The Receiver and the Auctioneer shall conduct an inspection prior to the commencement of the Liquidation Period to confirm the condition of the Debtor's Premises at such time.

2.8 Obligations with Respect to Debtor's Premises

- (1) The Auctioneer shall have vacated the Debtor's Premises by the earlier of: (i) completion of the Transaction; and (ii) the expiry of the Liquidation Period. The Auctioneer agrees to leave the Debtor's Premises in a safe, clean and broom-swept

condition and shall be responsible for all costs of clean-up related to the Transaction. Notwithstanding the foregoing the Auctioneer shall not be responsible for the costs of removal, clean-up or disposition of any of the Debtor's inventory, books and records or any environmentally hazardous chemicals or substances found at the Debtor's Premises, save and except to the extent that any discharge or spill of any environmentally hazardous chemicals or substances is caused by the Auctioneer or Persons for whom it is responsible.

- (2) The Auctioneer agrees to act in a prudent manner while at the Debtor's Premises and the Debtor's Premises shall be maintained by the Auctioneer in the same state of repair as existed as at the commencement of the Liquidation Period, reasonable wear and tear excepted. The Auctioneer undertakes to restore the Debtor's Premises to its condition as at the commencement of the Liquidation Period and to repair any damages caused by the Auctioneer, its invitees or anyone for whom it is in law responsible, including, without limitation, any purchaser of the Assets and their agents, excluding any diminution in the value of the Debtor's Premises caused by the absence of the Assets. Without limiting the foregoing, the Auctioneer undertakes to shear off any protruding bolts remaining after removal of equipment and to repair any damage caused to the Debtor's Premises due to the removal of any equipment, including, without limitation, fixing any holes in the roof, floor, walls or elsewhere and to properly cap all gas and electrical connections. The Auctioneer further agrees to indemnify, defend and hold the Receiver and its employees, agents and representatives (collectively, the "Indemnified Parties") harmless from and against all claims for damages, losses, injury or costs resulting from a breach of its obligations under this section and for damages, losses or injury caused to property or persons through the actions or negligence of the Auctioneer, its invitees or anyone for whom it is in law responsible, including, without limitation, any purchaser(s) of the Assets and its agents.
- (3) The Receiver and the Auctioneer, acting reasonably, agree to conduct periodic inspections of the Debtor's Premises to identify any damage caused after the commencement of the Liquidation Period, and, without limiting the foregoing, shall conduct a formal interim inspection by not later than ten (10) days prior to the expiry of the Liquidation Period (the "Interim Inspection"). The Receiver and the Auctioneer shall use their commercially reasonable efforts to ensure that the landlord of the Debtor's Premises participates in the Interim Inspection. The Receiver shall, within three (3) Business Days of the Interim Inspection prepare a report noting any damages or deficiencies identified during the Interim Inspection for which the Auctioneer is responsible to repair, restore or clean-up, as applicable, pursuant to the terms of the this Agreement (the "Interim Inspection Report"). The Auctioneer shall immediately conduct repairs, restoration and clean-up of the Debtor's Premises as is required by the Interim Inspection Report and complete such work prior to the expiry of the Liquidation Period.
- (4) After the Interim Inspection and on the final day of the Auctioneer's intended occupancy of the Debtor's Premises during the Liquidation Period, the Receiver and the

Auctioneer shall, together with a representative of the landlord of the Debtor's Premises, conduct an inspection of the condition of the Debtor's Premises noting and identifying any damage to the Debtor's Premises caused during the Liquidation Period or any items of repair, restoration or clean-up of the Debtor's Premises, which, in each such case, has not been repaired, restored or completed by the Auctioneer to the standard required pursuant to this Section 2.8 (the "Inspection").

- (5) The Receiver and the Auctioneer shall obtain a written estimate from a qualified contractor, selected by both parties, of the costs required to rectify any damage or deficiencies identified by the Inspection.
- (6) For greater certainty, the Auctioneer acknowledges and agrees with the Receiver that all of the Auctioneer's obligations and liabilities under this Agreement and this Section 2.8 (including indemnity obligations) shall continue in full force and effect notwithstanding the release of any funds in the Account to the Auctioneer.

2.9 Expenses

The Auctioneer shall be responsible for all expenses incurred in connection with the Transaction, other than those expenses which are the responsibility of the Receiver as set out herein, including, without limitation, long distance telephone costs, postage, courier services, supplies needed by the Auctioneer, bank and credit or debit card charges, cheque verification services and personnel hired or provided by the Auctioneer. The Auctioneer shall reimburse the Receiver to the extent that such expenses are incurred by the Auctioneer and paid by the Receiver and such amounts paid to the Receiver are in addition to and shall not reduce or otherwise affect the amount of the Net Minimum Guaranteed Amount or the Receiver's entitlement pursuant to Section 2.4.

2.10 Personnel

The Auctioneer shall be responsible, at its own cost, for providing competent personnel to prepare for and perform all tasks relating to the Transaction. It is understood that the Receiver is not and will not in any event be an employer of any such personnel or liable to pay any amounts to or with respect to such personnel. The Receiver does not assume any responsibilities whatsoever with respect to the continuation of the employment of any existing employees of the Debtor (the "Employees") pursuant to this Section. In particular, the Receiver does not warrant or guarantee that the employment of any Employees can be continued for all or any part of the Liquidation Period.

2.11 Trade Names

The Auctioneer shall be permitted and is hereby granted a non-exclusive, temporary licence to use the name "Colony Holland Lumber" and make reference to "PricewaterhouseCoopers Inc. as Receiver of 2154015 Ontario Inc. o/a Colony Holland Lumber" and to the receivership of the Debtor solely for the purposes of this Agreement and any advertising pursuant to Section 2.12 during the Liquidation Period. The Auctioneer

acknowledges that it is not acquiring any interest in, or other rights to the Debtor's name or any trade-marks or other intellectual property of the Debtor.

2.12 Advertising

The Auctioneer, at its own expense, shall advertise and otherwise promote the liquidation and auction of the Assets by all appropriate means, as approved by the Receiver, in order to give adequate exposure to the Assets to the maximum number of potential purchasers. All advertising copy is to be submitted initially to the Receiver for approval (which approval shall not be unreasonably withheld) not less than three (3) Business Days prior to its first publication and use by the Auctioneer. If the Receiver has not objected to the Auctioneer's proposed advertising within one (1) Business Days after receipt of the Auctioneer's proposal, the Receiver will be deemed to have approved such advertising. The Auctioneer shall be responsible for paying all costs of advertising, which costs shall be included in the expenses recoverable pursuant to Section 2.4(2)(b).

2.13 Authorization and Remittance of Taxes

The Auctioneer shall be responsible for ensuring that all necessary governmental or other approvals, permits or authorizations are obtained in order to conduct its liquidation in compliance with all applicable laws. In addition, the Auctioneer shall ensure that all applicable taxes and duties, including, without limitation, Harmonized Sales Tax (collectively, the "Sales Tax") are collected and remitted to the proper authorities when due. The Auctioneer agrees to indemnify and save the Receiver harmless from and against all claims for payment of the above-mentioned taxes, including penalties and interest thereon and any liability or costs incurred as a result of any failure to pay such taxes when due and all claims arising out of any failure to obtain all necessary government or other approvals, permits or authorizations.

2.14 Insurance

- (1) The Auctioneer will be responsible for arranging third-party liability insurance with respect to the Auctioneer's access to and use of the Debtor's Premises during the Liquidation Period and shall be responsible for costs of such insurance. The third party liability insurance shall provide for not less than \$5,000,000.00 coverage per occurrence. The Auctioneer shall provide proof of such insurance to the Receiver prior to commencement of the Liquidation Period.
- (2) Intentionally Deleted
- (3) In the event that all or any part of the Assets are destroyed or damaged by fire or other casualty or stolen at any time prior to the sale of such Assets, the insurance proceeds attributable to such damaged Assets shall be deemed to be the proceeds of the sale of such Assets for the purposes of this Agreement and, for greater certainty, shall be included for the purposes of distributing funds in accordance with Section 2.4. The Receiver and the Auctioneer agree not to settle any insurance claim without the prior written consent of the other, such consent not to be unreasonably withheld.

2.15 Extended Sales

In the event there are any unsold Assets remaining at the end of the Liquidation Period, the Auctioneer shall, at its own cost, move such Assets to a location or locations to be agreed upon with the Receiver for subsequent sale. The proceeds from the sale of such assets (net of any Sales Taxes collected and costs associated with the removal, storage and sale of the assets (collectively, the "Extended Sales Costs")) shall be treated as sale proceeds in accordance with Section 2.4 hereof. For greater certainty, the Receiver shall not be required to pay any of the Extended Sales Costs in the event that the proceeds of sale are insufficient to cover same. Once the Auctioneer has paid to the Receiver the Net Minimum Guaranteed Amount, the Receiver may, at its option, transfer title in and to the unsold Assets to the Auctioneer should it appear that the threshold amount referred to in Section 2.3(1) will not be achieved. The form of Bill of Sale to be delivered to the Auctioneer in the event that the Receiver exercises this option shall be agreed to between the Receiver and Auctioneer, acting reasonably.

2.16 Movement of Assets

The Auctioneer shall not remove any Assets from the Debtor's Premises prior to sale without the prior written consent of the Receiver, which consent shall not be unreasonably withheld. The Auctioneer agrees to indemnify, defend and hold the Indemnified Parties harmless from and against any losses, damages, costs or claims caused by or resulting from the removal or transportation of the Assets. The Auctioneer shall be responsible for the costs of any such move, including, without limitation, any insurance, permit or licence costs.

2.17 Force Majeure

If the Auctioneer is prevented from conducting the Auction on the Auction Date for reasons of Force Majeure, the Auctioneer shall give immediate notice thereof to the Receiver. Upon receipt of such notice by the Receiver, the parties shall, in good faith, negotiate amendments to the terms of this Agreement including an extension of the Liquidation Period. In the event that the parties, acting reasonably, are unable to negotiate mutually satisfactory amendments to the terms of this Agreement, the matter will be determined in accordance with the arbitration provision referred to in Section 5.2 herein.

2.18 Indemnity

The Auctioneer agrees to indemnify and hold the Receiver harmless from and against all claims for damages, losses or injury resulting from a breach of its obligations under this Agreement and for damages, losses or injury caused to property or persons by the Auctioneer, its invitees or anyone from whom it is in law responsible, including, without limitation, any purchaser(s) of the Assets and its agents.

For greater certainty, the vesting portion of the Approval and Vesting Order shall be substantially in the form agreed to by the "Ontario Commercial List Users Committee".

The Receiver covenants and agrees to apply with reasonable diligence upon the execution of this Agreement to the Court to obtain the Approval and Vesting Order.

If the condition set out above is not satisfied by the time provided therefore (or has not been waived by the Receiver and the Auctioneer as applicable), then this Agreement shall be terminated without any penalty or liability whatsoever to the Receiver or the Auctioneer, other than the return of the Advance by the Receiver to the Auctioneer, but without interest, cost or other compensation.

The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased Assets to the Purchaser.

¹ This model order assumes that the time for service does not need to be abridged. The motion seeking a vesting order should be served on all persons having an economic interest in the Purchased Assets, unless circumstances warrant a different approach. Counsel should consider attaching the affidavit of service to this Order.

² In some cases, notably where this Order may be relied upon for proceedings in the United States, a finding that the Transaction is commercially reasonable and in the best interests of the Debtor and its stakeholders may be necessary. Evidence should be filed to support such a finding, which finding may then be included in the Court's endorsement.

³ In some cases, the Debtor will be the vendor under the Sale Agreement, or otherwise actively involved in the Transaction. In those cases, care should be taken to ensure that this Order authorizes either or both of the Debtor and the Receiver to execute and deliver documents, and take other steps.

"Receiver's Certificate"), all of the Debtor's right, title and interest in and to the Purchased Assets described in the Sale Agreement ~~[and listed on Schedule B hereto]~~⁴ shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "Claims"⁵) including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice ~~[NAME]~~ Morawetz dated ~~[DATE]~~ January 20, 2012; and (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system; and (iii) ~~those Claims listed on Schedule C hereto~~ (all of which are collectively referred to as the "Encumbrances", ~~which term shall not include the permitted encumbrances, easements and restrictive covenants listed on Schedule D~~) and, for greater certainty, this Court orders that all of the Claims and Encumbrances affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets.

3. ~~THIS COURT ORDERS that upon the registration in the Land Registry Office for the [Registry Division of {LOCATION}] of a Transfer/Deed of Land in the form prescribed by the Land Registration Reform Act duly executed by the Receiver][Land Titles Division of {LOCATION}] of an Application for Vesting Order in the form prescribed by the Land Titles Act and/or the Land Registration Reform Act]~~⁶, the Land Registrar is hereby directed to enter the Purchaser as the owner of the subject real property identified in Schedule B hereto (the "Real Property") in fee simple, and is hereby directed to delete and expunge from title to the Real Property all of the Claims listed in Schedule C hereto.

⁴ To allow this Order to be free-standing (and not require reference to the Court record and/or the Sale Agreement), it may be preferable that the Purchased Assets be specifically described in a Schedule.

⁵ The "Claims" being vested out may, in some cases, include ownership claims, where ownership is disputed and the dispute is brought to the attention of the Court. Such ownership claims would, in that case, still continue as against the net proceeds from the sale of the claimed asset. Similarly, other rights, titles or interests could also be vested out, if the Court is advised what rights are being affected, and the appropriate persons are served. It is the Subcommittee's view that a non-specific vesting out of "rights, titles and interests" is vague and therefore undesirable.

⁶ Elect the language appropriate to the land registry system (Registry vs. Land Titles).

5. ~~4.~~ **THIS COURT ORDERS** that for the purposes of determining the nature and priority of Claims, the net proceeds⁷ from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and that from and after the delivery of the Receiver's Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale⁸, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

6. ~~5.~~ **THIS COURT ORDERS AND DIRECTS** the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.

~~6. THIS COURT ORDERS that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver is authorized and permitted to disclose and transfer to the Purchaser all human resources and payroll information in the Company's records pertaining to the Debtor's past and current employees, including personal information of those employees listed on Schedule "●" to the Sale Agreement. The Purchaser shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by the Debtor.~~

7. **THIS COURT ORDERS** that, notwithstanding:

- (a) the pendency of these proceedings;
- (b) any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of the Debtor and any bankruptcy order issued pursuant to any such applications; and
- (c) any assignment in bankruptcy made in respect of the Debtor;

⁷ ~~The Report should identify the disposition costs and any other costs which should be paid from the gross sale proceeds, to arrive at "net proceeds".~~

⁸ ~~This provision crystallizes the date as of which the Claims will be determined. If a sale occurs early in the insolvency process, or potentially secured claimants may not have had the time or the ability to register or perfect proper claims prior to the sale, this provision may not be appropriate, and should be amended to remove this crystallization concept.~~

the vesting of the Purchased Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a settlement, fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

8. **THIS COURT ORDERS AND DECLARES** that the Transaction is exempt from the application of the *Bulk Sales Act* (Ontario).

9. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased Assets to the Purchaser transactions contemplated by the Auction Agreement (the "Transactions")

4. ~~2. THIS COURT ORDERS AND DECLARES~~ that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as Schedule A hereto (the "Receiver's Certificate"); Auctioneer completing the sale of any of the Assets to a purchaser and upon receipt of the purchase price by the Auctioneer and delivery by the Auctioneer of a bill of sale or similar evidence of purchase to the purchaser (the "Purchaser Bill of Sale") all of the Debtor's right, title and interest in and to the Purchased Assets assets described in the Purchaser Bill of Sale Agreement [and listed on Schedule B hereto]⁴ shall vest absolutely in the Purchaser such purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "Claims"⁵) including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice [NAME] Morawetz dated [DATE]; January 20, 2012; and (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system; ~~and (iii) those Claims listed on~~

² In some cases, notably where this Order may be relied upon for proceedings in the United States, a finding that the Transaction is commercially reasonable and in the best interests of the Debtor and its stakeholders may be necessary. Evidence should be filed to support such a finding, which finding may then be included in the Court's endorsement.

³ In some cases, the Debtor will be the vendor under the Sale Agreement, or otherwise actively involved in the Transaction. In those cases, care should be taken to ensure that this Order authorizes either or both of the Debtor and the Receiver to execute and deliver documents, and take other steps.

⁴ To allow this Order to be free-standing (and not require reference to the Court record and/or the Sale Agreement), it may be preferable that the Purchased Assets be specifically described in a Schedule.

⁵ The "Claims" being vested out may, in some cases, include ownership claims, where ownership is disputed and the dispute is brought to the attention of the Court. Such ownership claims would, in that case, still continue as against the net proceeds from the sale of the claimed asset. Similarly, other rights, titles or interests could also be vested out, if the Court is advised what rights are being affected, and the appropriate persons are served. It is the Subcommittee's view that a non-specific vesting out of "rights, titles and interests" is vague and therefore undesirable.

Schedule C hereto (all of which are collectively referred to as the "Encumbrances", which term shall not include the permitted encumbrances, easements and restrictive covenants listed on Schedule D) and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets.

3. ~~THIS COURT ORDERS that upon the registration in the Land Registry Office for the [Registry Division of {LOCATION} of a Transfer/Deed of Land in the form prescribed by the Land Registration Reform Act duly executed by the Receiver][Land Titles Division of {LOCATION} of an Application for Vesting Order in the form prescribed by the Land Titles Act and/or the Land Registration Reform Act]⁶, the Land Registrar is hereby directed to enter the Purchaser as the owner of the subject real property identified in Schedule B hereto (the "Real Property") in fee simple, and is hereby directed to delete and expunge from title to the Real Property all of the Claims listed in Schedule C hereto.~~

5. ~~4. THIS COURT ORDERS that for the purposes of determining the nature and priority of Claims, the net proceeds⁷monies payable to the Receiver under the Auction Services Agreement from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and that from and after the delivery of the Receiver's CertificatePurchaser Bill of Sale all Claims and Encumbrances shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale⁸, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.~~

5. ~~THIS COURT ORDERS AND DIRECTS the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.~~

⁶ Elect the language appropriate to the land registry system (Registry vs. Land Titles).

⁷ The Report should identify the disposition costs and any other costs which should be paid from the gross sale proceeds, to arrive at "net proceeds".

⁸ This provision crystallizes the date as of which the Claims will be determined. If a sale occurs early in the insolvency process, or potentially secured claimants may not have had the time or the ability to register or perfect proper claims prior to the sale, this provision may not be appropriate, and should be amended to remove this crystallization concept.

~~6. THIS COURT ORDERS that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver is authorized and permitted to disclose and transfer to the Purchaser all human resources and payroll information in the Company's records pertaining to the Debtor's past and current employees, including personal information of those employees listed on Schedule "●" to the Sale Agreement. The Purchaser shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by the Debtor.~~

6. ~~7.~~ **THIS COURT ORDERS** that, notwithstanding:

- (a) the pendency of these proceedings;
- (b) any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of the Debtor and any bankruptcy order issued pursuant to any such applications; and
- (c) any assignment in bankruptcy made in respect of the Debtor;

the vesting of the Purchased Assets in the Purchaser a purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a settlement, fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

7. ~~8.~~ **THIS COURT ORDERS AND DECLARES** that the Transaction is exempt from the application of the *Bulk Sales Act* (Ontario).

8. ~~9.~~ **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this

Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.
