**TO: Prospective members of the class of investors who lost money as a result of the
bankruptcy of Peers Foster Kristiansen Inc. and Federal Mortgage Corporation Ltd.**

This matter was started as a class action on January 14, 2011, by Robert and Charity Mewburn, on behalf of all investors in Peers Foster Kristiansen Inc. and Federal Mortgage Corporation Ltd. As a class action, any settlement obtained by the plaintiffs might have been, subject to the approval of the court, distributed to prospective class members.

The Plaintiffs wish to discontinue the class action and continue the lawsuit as a regular proceeding on behalf of a group of investors who will hereafter be named plaintiffs.

On May 15, 2013, Associate Chief Justice J.D. Rooke of the Court of Queen's Bench of Alberta directed that you be given notice of the Plaintiffs' intention to discontinue the class proceedings. The court will permit the discontinuance of the class action 90 days after this notice has been sent to you. This period of time is intended to allow you to seek individual legal advice, or issue

individual proceedings, if you choose to do so. We strongly encourage you to seek legal advice immediately if you wish to take any further steps to recover your investment losses.

After the class action is discontinued, our office will continue to represent a group of individuals in legal proceedings to recover investment losses arising from the bankruptcy of PFK and FMC.
