**ORDER GRANTING JOINT MOTION FOR ENTRY OF
AMENDED BAR DATE ORDER**

THIS MATTER comes before the Court on the Joint Motion for Entry of Amended Bar Date Order filed on behalf of the Siskinds LLP law firm, a Toronto, Canada firm, as counsel to the class action plaintiffs in certain class proceedings pending in Canada (“Class Claimants”) and PricewaterhouseCoopers Inc. (the “Monitor”), as the court-appointed monitor and authorized foreign representative of Poseidon Concepts Corp., Poseidon Concepts Ltd., Poseidon Concepts Limited Partnership, and Poseidon Concepts Inc. The Court has reviewed the Motion and the file and concludes that cause exists for amending its Order Granting Debtor’s Motion to Set Bar Date for Filing Proofs of Claim (“Bar Date Order”). It is therefore:

ORDERED that the Motion shall be, and hereby is, GRANTED; it is

FURTHER ORDERED that the bar date for filing proofs of claim in the above-captioned Chapter 15 cases as set for August 22, 2013 shall not apply to claims asserted by Class Members¹ that form or could form the subject matter of the litigation described in the Canadian Class Actions²; it is

FURTHER ORDERED that because this Order does not require any further action by the Class Claimants or any other party in interest no further mailing or supplemental notice of this Order shall be required.
