Go to the end of this document to see what else you can do and when you must do it.

**Remedy claimed or sought:**

1. If necessary, an Order abridging the time for service of this Application and supporting materials and declaring service to be good and sufficient.
2. An Order for advice and directions concerning the appropriate procedure or procedures to be followed in adjudicating the six claims (the "Class Action Claims") filed by the Court-Appointed Representatives as described in the Representation Order granted May 30, 2013 in these proceedings, as amended;
3. Such further and other relief, advice and directions as counsel may request and this Honourable Court may deem just and appropriate in the circumstances.

**Grounds for making this application:**

4. The Class Action Claims are complex, total in excess of \$2 billion dollars, and their resolution requires a process that is more lengthy and rigorous than that contemplated by the Claims Process Order, which is designed for comparatively simple lien and unsecured claims.
5. If the Class Action Claims are "equity claims", their full resolution may not be required to put forward a Plan of Compromise and Arrangement.
6. The Claims Process Order requires the Monitor to file an application respecting a claim within a certain time period, and this is filed but agreed with the Court-Appointed Representatives to be adjourned *sine die*.
7. Such further and other grounds as counsel may advise and this Honourable Court may permit.

**Material or evidence to be relied on:**

8. The pleadings and proceedings filed in the within action, including the Initial Order and the Claims Process Order.
9. A Monitor's Report to be filed prior to the hearing of this Application.
10. The inherent jurisdiction of this Honourable Court.

11. Such further and other material as counsel may advise and this Honourable Court may permit.

**Applicable rules:**

12. None.

**Applicable Acts and regulations:**

13. The *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended.

**Any irregularity complained of or objection relied on:**

14. None.

**How the application is proposed to be heard or considered:**

15. Oral submissions by counsel in an application in commercial Justice Chambers on a date to be agreed upon.

**WARNING**
