Introduction and Background

1. On October 8, 2014 an order was granted by the Court of Queen's Bench of Alberta (the "Receivership Order") appointing PricewaterhouseCoopers Inc. ("PwC") Receiver (the "Receiver") of RTF Financial Holdings Inc. ("RTF").
2. The purpose of this report ("First Report") is to:
 - a) Update the Court on the Receiver's activities and findings to date;
 - b) Seek an Order to:
 - i. Approve the activities of the Receiver as set out in this report specifically, but not limited to, the granting of a receiver's certificate and confirming the Receiver's appointees to the boards of the various subsidiaries of RTF;
 - ii. Authorize the Receiver to cooperate with the police authorities in Finland in their investigations;
 - iii. Approving the forward plan of the Receiver; and,
 - iv. Specifically order the release of all RTF records as previously ordered.
3. In preparing this First Report, the Receiver has relied upon the limited available unaudited and draft, internal financial information of RTF. The Receiver has not audited, reviewed, or otherwise attempted to verify the accuracy or completeness of the information provided to it and expresses no opinion, or other form of assurance, in respect of the information received from third parties.
4. Due to the lack of access to, or existence of, company records, most financial information has been obtained from third parties. This information may be incomplete and is subject to change upon additional information being obtained.
5. All monetary amounts contained herein are in Canadian dollars unless otherwise noted. It is recommended that this report be read in conjunction with the Receivership Order.

Background

6. RTF is a privately owned company controlled by majority shareholder Cof Capital Ou (Cof), an Estonian Company. Cof acquired its interest in RTF on December 31, 2009, by transferring ownership of all of its subsidiary companies and loan software to RTF for 59% of the shares of RTF, valued at \$30 million. RTF also raised \$5 million in equity through a private placement which was then in turn advanced to DVB Investments Oy (“DVB”), a Finnish company, the main subsidiary acquired from Cof, along with further advances as described below. As a result, RTF owns a number of operating companies in Europe and the UK which provided short-term loans directly to consumers through online portals under numerous brand names.
7. Attached as Appendix 1 is a copy of the Organization Chart obtained from the available books and records of RTF listing the known subsidiaries of RTF and the ownership in each.
8. There are 10 wholly owned subsidiaries operating in Denmark, Finland, Sweden and the Netherlands (“Nordic Subs”) and one wholly owned subsidiary operating in the UK named MCO Capital Ltd. (“MCO”). In addition, there are 5 partially owned subsidiaries operating in Finland.
9. Initially, RTF did not have the staff resources to manage the administration of the business so it entered into a services contract with Cash Store Financial Services Inc. (“CSF”) whereby CSF provided certain services to RTF and received compensation for such services. The services contract was to stay in place until RTF had developed its own infrastructure to manage the business. It appears that the services contract lapsed on June 30, 2012 and was not renewed.
10. CSF is in debtor protection pursuant to a CCAA order granted by the Ontario Superior Court. Certain records of RTF are still in the possession of CSF and its Chief Restructuring Officer (“CRO”) notwithstanding our repeated requests for their release.
11. Assistive Financial Corporation (“AFC”), 424187 Alberta Ltd. (“424”) and Patronus Inc. (“Patronus”) loaned funds to RTF.
12. AFC commenced advancing funds in late 2009 and, as of the date of the Receivership, claims to have an outstanding loan balance of approximately \$71 million with RTF. AFC registered a security interest, but the agreement was not executed. In mid to late 2011, 424 advanced \$2 million to RTF and registered a security interest on June 30, 2011. Commencing in early 2012 and over the course of a number of months, Patronus advanced \$3.5 million and registered a security interest on December 20, 2013. In all instances, their security interest was registered with the Alberta Personal Property Registry.

13. It is our understanding that RTF advanced these funds to DVB which was the main conduit of funds which in turn advanced these funds to the other Nordic Subs to fund their lending businesses. To date, the Receiver has not acquired sufficient records to confirm these transfers.
14. In 2010, DVB began to advance funds to MCO which had commenced consumer credit lending in the UK using the same software platform used in the Nordic Subs.
15. MCO ran into significant financial issues in mid-2010 with the discovery that a significant number of its loans made between June 2010 and October 2010 were made to fraudulent accounts which appear to have been established through identity theft emanating out of Nigeria. This matter was thoroughly investigated by the London Police and we understand certain arrests were made.
16. It is our understanding that there are funds retained in numerous UK financial institutions as a result of these loans which were never released from the fraudulent accounts.
17. MCO did not operate for approximately one year after this incident but resumed lending using a third party service provider, Web Loans Processing (“WLP”), which had its own software platform.
18. By late 2012, RTF discontinued transferring funds to DVB and, therefore, in turn to the Nordic Subs, and directed them to cease lending and go into pure collection mode.
19. RTF shifted its focus to MCO which was then profitable and it is our understanding that RTF continued to receive funds from AFC up to August 2013.
20. In late 2013, WLP was placed into administration and has not since been actively collecting the MCO loan portfolio. A court order granted in the UK directed the administrator of WLP to release to MCO, its loan portfolio and any related collections, and this is addressed further below.

Possession and Custody

21. As the Receiver was advised that all the books and records of RTF were stored at the premises of CSF, the Receiver notified the court appointed CRO on October 8, 2014, of the Receivership and requested access to and delivery of all the books and records of RTF.
22. On October 10, 2014, counsel for the CRO of CSF (“Osler”) notified the Receiver that they would investigate our request and provide a response within one week’s time. The Receiver’s counsel also contacted Osler reinforcing our request, stressing the urgency of obtaining these records.

23. To date, the CRO has provided only limited information in both electronic or hard copy form, however, most of that which has been released is very dated.
24. The Receiver understands that all the current financial information it is seeking is at the CSF Edmonton offices and has yet to receive a satisfactory proposal from the CRO for the timely delivery of the requested documents; accordingly, the Receiver is seeking the Court's advice and direction on this matter.
25. The Receiver has been advised by a director of RTF that there is current financial information up to December 31, 2013 for each subsidiary and other current data that is likely critical for the Receiver to carry-out its duties.
26. The Receiver took control of the RTF bank accounts at CIBC in Edmonton, Canada which had a balance of \$1,386.14 and has requested historical bank statements to facilitate further investigation and tracing. The Receiver opened a Receivership bank account.
27. The Receiver also held a conference call with the known creditors, being AFC, 424 and Patronus, to discuss the Receiver's initial plan of action to secure records and assets of RTF and gain control of the subsidiaries which entailed the Receiver attending the premises of DVB in Finland and MCO in the UK.
28. From October 26 to October 31, 2014, the Receiver met with the incumbent management of the Nordic Subs and MCO. It also met with numerous service providers and independent counsel which it retained in both Finland and the UK.
29. To fund these initial activities the Receiver borrowed funds pursuant to the Receivership Order and intends to issue a Receiver's Certificate to 424 for \$200,000 in a form substantially the same as the one attached in Appendix 2 which provides a first charge against the assets of RTF behind only the professional fees and costs of the Receiver and which bears interest at a rate of prime plus 3%. It appears that an intended form of Receiver's Certificate was not attached to the Receivership Order. Accordingly, the Receiver requests that the Court approve the form attached as Appendix 3 for this purpose.

Assets

30. Without current financial statements and records for either RTF or its subsidiaries, the Receiver has had to rely on the representations of some of the directors of RTF, the local employees for the Nordic Subs and third party service providers. As mentioned above, this information is incomplete and subject to change once further records are assessed. Based on these enquiries and representations, the assets of RTF appear to be as follows:
 - Cash in bank accounts;

- Shares in wholly and partially owned subsidiaries in Europe and UK;
 - Advances to subsidiaries and other companies; and,
 - Interest Receivable.
31. Further, as far as the Receiver has been able to ascertain, without current financial statements and records for either RTF or its subsidiaries the information available is incomplete and subject to change once further records are assessed. The assets of MCO and the Nordic Subs appear to be as follows:
- Cash in numerous bank accounts;
 - Loan portfolios that are either retained by the subsidiary or are with third party collection agents;
 - Advances and loans to other subsidiaries and other companies
 - MCO may have a claim to funds retained in numerous UK financial institutions as a result of loans made to fraudulent accounts; and,
 - Interest Receivable.

Activities of Receiver

Nordic Subsidiaries

32. The Receiver retained independent legal counsel in Finland to advise on its options for dealing with the Nordic Subs and ascertained the following under relevant European laws:
- Leave incumbent directors in place and work with those boards and management to ascertain the financial position of each subsidiary and the operating status;
 - Replace the respective boards with the Receiver's (RTF's) nominee(s); or,
 - Seek an order of the court in each jurisdiction to place the subsidiary in formal administration.
33. The Receiver considered the following facts in arriving at its initial determination of the appropriate course of action bearing in mind that such action would be subject to approval of this honourable court in consideration of the rights of all of the stakeholders of RTF:
- Security of the records and assets within each subsidiary;
 - Determining the financial position of each subsidiary;
 - Degree of cooperation from incumbent directors, management and staff who appeared to be intent on frustrating the Receiver's efforts. No substantive records or assets were being provided;
 - The sudden and concerted absence of all employees;
 - Irregular actions by the purported incumbent director Mr. Tuomo Mäki ("Mäki");
 - Corporate registry searches in Finland revealed that Cof, as the majority shareholder of RTF, had purported to appoint a new director for each of the Nordic Subs (the previous directors were Mr.

Stefan Johnson, Mr. Gordon Reykdal and Mr. Juha Kiikeri all of whom were replaced without proper process). On September 14, 2014, Mäki filed trade register notifications appointing himself as the sole director of the board for each of the Nordic Subs. This was done without any notification to the other shareholders of RTF;

- Counsel in Finland advised that this was invalid as the sole or majority shareholder, RTF, had not been validly notified or represented;
- Management needed to take steps to control bank accounts and gain cooperation from third party service providers;
- The requirement in the case of the Nordic Subs for the Receiver to pass a Unanimous Shareholders Resolution to appoint a new board of which at least one director must be an EU or UK resident; and,
- The requirement to hold a shareholders meeting for the majority owned subsidiaries to effect a change in the board, if so desired.

34. Based on the above, it appeared appropriate to immediately change the boards of the wholly owned subsidiaries in Finland by appointing the Receiver’s own nominees who in turn could appoint interim management to investigate and secure assets and records. Further investigation and information is needed before any such action can be considered for the non-wholly owned subsidiaries.

35. Considerations in making such board appointments included:

- Receivers’ assessment of the integrity and trustworthiness of the proposed appointee;
- Knowledge of the business and regulatory environment by the proposed appointee;
- Requirement by the proposed appointee for indemnity; and,
- The cost and availability of the proposed appointee.

36. Accordingly, on November 6, 2014, the Receiver made the following temporary and initial appointments in respect of six wholly owned Nordic Subs, subject to court approval:

Name	Background
Mr. Stefan Johnson (Chairman)	Chartered Accountant with over 40 years of experience in both public accounting and industry. He spent over 25 years in public accounting including 22 years with Coopers & Lybrand, some as a tax partner, and was also the CFO and Executive Vice President of both public and private companies.
Mr. Paul Whelan (Deputy Director)	Certified Chartered Accountant and previous CFO for Cash Stores UK, restructuring hotel groups in Ireland, and for Northway Financial. Risk, Governance and Compliance training.

Mr. Steven Atherton (Director)	12 years of experience in Sales and Operational Management including the previous General Manager for Cash Stores UK, with 9 of those in Financial Services Authority regulated businesses. Numerous certifications in regulated financial advice. Risk, Governance and Compliance training.
--------------------------------	--

37. On November 5, 2014, the Receiver’s counsel in Finland served a letter on Mäki directing him to cease and desist in representing himself as having any authority regarding the Nordic Subs, a copy of which is attached as Appendix 4.
38. Subsequent to their appointment, the new Board was made aware of a Police investigation into the activities of Mäki and others involved in the Nordic Subs which is discussed further below.
39. Once the initial needs for access and control were addressed, Mr. Johnson agreed to step down as a board member leaving Mr. Atherton and Mr. Whelan. Given Mr. Johnson’s previous involvement, the Receiver considered that the optics would not be ideal but proposes to continue to retain Mr. Johnson for advice and consultation because of his background knowledge of all the companies.
40. Mr. Atherton and Mr. Whelan were also appointed by Mr. Johnson as interim management at the Receiver’s request. The new board(s) of directors and interim management have undertaken the following steps:
- Notified all known banks in which accounts were maintained of the changes in circumstances and froze these accounts other than for deposit only. A list of the bank accounts, balances and current status is set out in Appendix 5 and summarized below.

Company Name	Bank Totals	Comments on Status
11 subsidiaries consisting of 19 bank accounts	(Euros) 30,302.80	2 are controlled by interim management, 8 are frozen and with the banks legal department, the 9 subject to partially owned subsidiaries are frozen and deposit only.

- Attempted, with limited success, to enlist the cooperation of the incumbent staff and, therefore, are in the process of issuing lay-off notices per the advice of Finnish counsel.
- Undertook further possession and custody matters, such as:
 - Securing the premises and physical assets which consisted of one motor vehicle and some dated computer servers which had apparently been tampered with;
 - Procuring databases of loan portfolios and connecting with third party service providers currently engaged by the Nordic Subs to act as collection agents, etc. to confirm their role and consider

changes if deemed necessary, a summary of which is attached as Appendix 6 and summarized below;

Collection Agent	Subsidiary	Portfolio Balance Outstanding (Euros)	# of Loans	Comments
8 agents over 4 countries	Not all subsidiaries appear to be using third party collection agents	6,371,052	13,978	Some service providers may have more than one loan portfolio. All have been contacted by interim management and appear to be working with them to evaluate the portfolio.
In house	Team Capital	8,054,342	15,870	May contain numerous other subsidiary loans.

- Reviewing banking records available to date for DVB and compiling a list of cash transfers to other entities (many controlled by Mäki) or appear irregular requiring further investigation as summarized below;

- Providing a list of these irregular transactions to Finnish counsel to commence legal collection and recovery actions;
 - Re-directing the mail for the Nordic Subs; and,
 - Establishing meetings with the external accounting firms in an attempt to ascertain the financial position of each subsidiary.
- Reporting on the above for review with the Receiver as to securing assets, cash balances, collections made or underway, status reports on their activities, and updates on current findings.
 - The new boards and interim management encountered numerous obstacles in their efforts to carry out the mandate established by the Receiver such as:
 - Books and records were not situated at the premises;
 - Staff were evasive, inconsistent in their explanations and most eventually become totally absent;
 - External accountants were initially reluctant to meet and share financial information due to the Police investigation for alleged personal tax evasion of certain of the individuals associated with the subsidiaries;
 - IT equipment was non-functioning and appeared to have been tampered with; and,
 - Databases of loan portfolios were in multiple locations and in possession of third party service providers all of whom were initially reluctant to cooperate.

41. The Receiver is of the view that the new boards and interim management have performed well in persevering to secure assets and available records. While the task is not fully complete, they have managed to circumvent the many obstacles.

42. The Receiver continues to work with its Finnish counsel to ascertain the merits of appointing new boards to the majority owned subsidiaries and this is in progress.

MCO

43. The Receiver retained independent legal counsel in the UK to consider its options for dealing with the UK subsidiary. The relevant UK laws are similar to those set out above for the Nordic Subs.

44. The Receiver made a similar assessment in arriving at its determination of the appropriate course of action in the UK again bearing in mind that such action would be subject to approval of this honourable court in consideration of the rights of all of the stakeholders of RTF:

- MCO is a virtual office with no premises or employees but considered the needs to secure available records of MCO;
- The Receiver conducted corporate registry searches in the UK and determined that Mäki was appointed to the Board on November 21, 2013 after the previous board, consisting of Mr. Stefan

Johnson, Mr. Gord Reykdal and Mr. Antii Ritoven, had resigned. Mr. Ritoven resigned in mid-2012, Mr. Reykdal resigned in mid-2013 and Mr. Johnson resigned in the fall of 2013 after WLP was placed in administration. The Receiver is advised that the appointment of Mäki was done without any notification to RTF;

- Mäki had previous interaction with the Office of Fair Trade in the UK and is currently under investigation in Finland; and,
- The requirement in the UK for only one director on the Board and residency not required.

45. Based upon the above, the Receiver considered it urgent that it take control of MCO by appointing its own nominee to the board who in turn could appoint interim management to investigate and secure assets and records.

46. Similar considerations to those for the Finnish subsidiaries in making such an appointment was made and the following temporary and initial appointment in respect of MCO was made, subject to court approval:

Name	Background
Mr. Stefan Johnson (Chairman)	See background provided above.

47. Similar to the situation with the Nordic Subs, Mr. Johnson is in the process of stepping down to be replaced by Mr. Atherton and Mr. Whelan.

48. Mr. Atherton and Mr. Whelan were also appointed by Mr. Johnson as interim management at the Receiver's request. The new board and Interim management have undertaken the following steps:

- Undertook further possession and custody matters, such as:
 - Determining that MCO was a virtual company, did not occupy any premises, no employees and its assets consist primarily of loan portfolios residing with various service providers;
 - Meeting with DHR (a loan collection company that had control over the loan portfolio as a result of the WLP administration) and corresponding with the administrator of WLP to obtain the current loan portfolio database and accounting for collections;
 - Contacting Digital Financial Services UK, who appear to be the current loan administrator (retained by Mäki), and requesting that they cease their activities until further documentation can be obtained by Interim management confirming their appointment and contract;
 - Determining that MCO, after November 2013, had entered into a service agreement with Wisteria Ltd. for its accounting function and connecting with them for information to ascertain the financial position and understand recent transactions;

- Confirming that Wisteria, from time to time, receives payments from debt collectors and advising them to provide those payments to interim management for deposit into a bank account controlled by them; and,
 - In discussions with the Receiver to develop a strategy to take control of any balances in the fraudulent accounts at the UK banks.
- Reporting on the above for review with the Receiver as to:
 - Listing of the current loan portfolio balance as at November 15, 2014, which can be summarized as follows;

Subsidiary Name	Currency	Capital Investment	Portfolio Balance Outstanding	Age of Portfolio
MCO Capital	British Pound	6,282,920	As yet to be determined	2013

- Listing of recent bank transactions provided by Wisteria Ltd. that account for the receipts and disbursements from their accounts as directed by Mäki, some of which may require further investigation and future legal action which are summarized below.

National Bureau of Investigations

49. On November 6, 2014, the National Bureau of Investigations of Finland (“NBI”) attended the DVB premises in Helsinki Finland and advised interim management that they had “raided” the DVB offices on November 4, 2014 and taken Maki and 2 others into custody on suspicion of personal tax evasion, money laundering and fraud.
50. Interim management, together with the Receiver’s counsel, attended at the NBI’s offices on November 11, 2014 and determined that the NBI had seized a significant amount of information relating to the Finnish subsidiaries as well as assets valued at approximately 4.5 million Euros which may be property of one or more of Nordic Subs. The NBI also had taken control of the records from the external accountants of the Nordic Subs.
51. The NBI advised interim management that they would grant them access to the seized information, as needed.
52. The NBI requested the Receiver file with them a “complaint letter” outlining the quantum of any losses suffered by RTF to the subsidiaries, the share structure of RTF, capital invested by RTF, and a general complaint of possible criminality against the incarcerated parties prior to November 21, 2014, being the next hearing in respect of the apprehension of the individuals.
53. On November 20, 2014, the Receiver, through its Finnish counsel, provided a letter (a copy of which is attached without its appendices as Appendix 7) to the NBI simply stating the facts as known at the time.
54. The Receiver is seeking the Court’s authority to cooperate with the NBI and provide information as appropriate to assist the NBI, subject to legal advice.

Future Course of Action and Next Steps

55. Complete a review of the financial position of each subsidiary to ascertain assets available for repatriation to RTF as shareholder.
56. Pending the outcome of this review, determine whether it is advisable to take control of the majority owned subsidiaries.
57. Assess potential collection service providers who can act on behalf of the subsidiaries to monetize the various loan portfolios on an economic basis, including consideration of an outright sale of these loan portfolios.

58. Investigate the availability of funds that may be held with numerous banking institutions in the UK as a result of the loans made by MCO in 2010 and work to seize any available funds.
59. Pursue with local counsel, recovery of any irregular cash transfers to entities controlled by Mäki and others.
60. Upon securing sufficient records, conduct a historical review of records to trace cash transfers and consider further recovery actions.
61. Any other activities required pursuant to the October 8, 2014 Order or required to preserve the assets of RTF.

Statement of Receipts and Disbursements

62. It is premature at this time to prepare a Statement of Receipts and Disbursements as there are no substantive transactions other than professional fees incurred as set out below:
 - a) Counsel in Finland has been paid a retainer of 10,000 Euros (approximately \$15,000);
 - b) Canadian counsel has been paid approximately \$10,000;
 - c) The Receiver has incurred approximately \$80,000 in fees from October 8 to November 30, 2014;
 - d) Interim management were retained on the basis of their previous salaries at CSF UK (approximately \$100/hr). These costs will be paid as operating costs from collections made by the subsidiaries.

Conclusion

63. The Receiver respectfully requests that this Honourable Court grant an Order that:
 - a) Approves the Receiver's activities to date;
 - b) Approves the form of Receiver's Certificate to be attached to the Receivership Order and the Receiver's Certificate granted;
 - c) Approves the Receiver's appointees to the boards of MCO and certain of the Finnish subsidiaries as well as the interim management appointments by such boards;
 - d) Provides its advice and direction as to how the Receiver is to deal with obtaining immediate access or control of the remaining RTF records held at CSF;

- e) Authorizes the Receiver to cooperate with the NBI subject to legal advice; and,
- f) Authorizes the Receiver to undertake its future course of action.

All of which is respectfully submitted this 3rd day of December, 2014.

The principal sum evidenced by this certificate is payable on demand by the Lender with interest thereon calculated and compounded [daily][monthly not in advance on the _____ day of each month] after the date hereof at a notional rate per annum equal to the rate of _____ per cent above the prime commercial lending rate of Bank of _____ from time to time.

3. Such principal sum with interest thereon is, by the terms of the Order, together with the principal sums and interest thereon of all other certificates issued by the Receiver pursuant to the Order or to any further order of the Court, a charge upon the whole of the Property, in priority to the security interests of any other person, but subject to the priority of the charges set out in the Order and in the *Bankruptcy and Insolvency Act*, and the right of the Receiver to indemnify itself out of such Property in respect of its remuneration and expenses.

4. All sums payable in respect of principal and interest under this certificate are payable at the main office of the Lender at (City), (Province).

5. Until all liability in respect of this certificate has been terminated, no certificates creating charges ranking or purporting to rank in priority to this certificate shall be issued by the Receiver to any person other than the holder of this certificate without the prior written consent of the holder of this certificate.

6. The charge securing this certificate shall operate so as to permit the Receiver to deal with the Property as authorized by the Order and as authorized by any further or other order of the Court.

7. The Receiver does not undertake, and it is not under any personal liability, to pay any sum in respect of which it may issue certificates under the terms of the Order.

the Board of Directors for each of the above-listed Finnish subsidiaries of RTF.

It is the position of RTF that any shareholders' resolutions appointing you as the sole director of the above-listed Finnish subsidiaries of RTF is invalid since RTF as shareholder did not participate in the decision or vote in favour of your appointment as director.

It is the position of RTF that any actions, decisions or activities you have undertaken as the alleged sole director of the above-referenced subsidiaries of RTF are likewise invalid.

Please immediately cease any representation or activities on behalf of the above-referenced subsidiaries.

For your information, RTF as the sole shareholder of DVB Investment Oy, Peerdisk Oy, MVC Investment Oy, Streamflood Oy, Creditmarket Oy and Perintätoimisto Team Capital Oy has, as of the date of this letter, passed a Unanimous Shareholder's Resolution to elect a new Board of Directors for these companies. The Board of Directors for these companies are William Johnson, as Chairman, and Steven Atherton. Paul Whelen has been elected Deputy Board Member. Our client expects you to co-operate with the new Board.

1 TUTKINTAPYYNTÖ INVESTIGATION REQUEST

RTF Financial Holdings Inc.:in ("RTF") selvittäjällä on vakava epäily koskien nähtävästi vilpillistä RTF:n tytäryhtiöiden johdon, henkilökunnan ja entisen väitetyin hallituksen jäsenen toimia. RTF oli aikaisemmin lainannut tytäryhtiöille merkittäviä määriä (RTF:n asiakirjojen mukaan yhteensä 75 miljoonaa Kanadan dollaria kaikille tytäryhtiöille; DVB Investment Oy:n toimitetun tilinpäätöksen per 31.12.2013 mukaan 40 miljoonaa euroa) jatkaakseen liiketoimiaan kussakin toiminnoissa. Pääasialliset epäilyt voidaan tiivistää seuraavasti:

- tytäryhtiöiden raportoinnissa RTF:lle on ollut merkittäviä puutteita viime vuosina;
- kaikkien tytäryhtiöiden hallitukset vaihtuivat oikeudettomasti ja sääntöjen vastaisesti niin, että Tuomo Mäestä tuli ainoa hallituksen jäsen kyseisissä yhtiöissä;
- RTF:lle ei ole suoritettu sovittuja korkomaksuja;
- keskeisten asiakirjojen ja yhtiöiden muun omaisuuden luvaton poisvienti;
- selviä ei-markkinaehtoisia liiketapahtumia oikeudettomasti valitun hallituksen jäsenen Tuomo Mäen omistamien yhtiöiden kanssa;
- vaikuttaa siltä, että sijoittajien varoihin kohdistuu yleistä väärinkäyttöä luvattomiin toimintoihin kuten esimerkiksi tietokoneohjelmien kehitykseen ja varojen siirtoja ulkopuolisiin yhtiöihin; ja
- yhtäkkinen ja selittämätön johdon ja työntekijöiden poissaolo sekä heidän kieltäytymisensä tehdä yhteistyötä hiljattain valitun uuden hallituksen kanssa.

The Receiver of RTF Financial Holdings Inc. ("RTF") has serious concerns over the apparent irregular conduct of the management, staff and the former purported board member of the subsidiaries of RTF to which RTF had previously advanced significant funds (CDN \$75 million per RTF records to all subsidiaries; 40 million Euros owing to RTF on the December 31, 2013 filed financial statements of DVB Investment Oy) to carry on business in their respective localities. The main concerns can be summarized as follows:

- *there has been a significant lack of reporting over the past year from the subsidiaries to RTF;*
- *there was an unauthorized and improper replacement of directors for all the subsidiaries with Mr. Tuomo Mäki;*

- *failure to make scheduled interest payments to RTF;*
- *unauthorized removal of key records and other company assets;*
- *apparent non-arm's length transactions with entities owned by the purported director, Mr. Mäki;*
- *there appears to be general misuse of investor funds into unauthorized activities such as software development and transfers to unrelated entities; and,*
- *sudden and unexplained absence of all management and staff and their refusal to cooperate with the newly appointed board.*

2 TAUSTAA BACKGROUND

2.1 RTF:n selvitystila *Receivership of RTF*

Court of Queen's Bench of Alberta nimitti 8.10.2014 PricewaterhouseCoopers Inc.:in ("PWC") RTF:n selvittäjäksi (receiver) ("Selvittäjä"). Kopio määräyksestä on tämän tutkintapyyntöön liitteenä 1 (Liite 1).

Tuomioistuimen määräyksen mukaan: "PWC on täten määrätty Selvittäjäksi, ilman vakuutta, koskien kaikkea RTF:n nykyisiä ja tulevia varoja, sitoumuksia ja omaisuutta kaikissa eri mahdollisissa muodoissa olevaa ja missä tahansa sijaitsevaa, sisältäen kaikki niistä johtuvat toimenpiteet sisältäen, selvyyden vuoksi, kaikki edellä mainitut varat, sitoumukset, omaisuuden ja toimenpiteet jotka voivat olla vilpittömän mielen mukaisten vaatimusten (trust claims) kohteena (yhdessä "Omaisus")."

Selvittäjä on oikeutettu ja valtuutettu muun muassa:

- ottamaan haltuunsa ja pitämään määräysvallassaan Omaisuutta ja ryhtymään mihin tahansa ja kaikkiin Omaisuudesta johtuviin toimenpiteisiin;
- palkkaamaan asiamies avustamaan Selvittäjää hänen oikeuksiensa ja velvollisuuksiensa käyttämisessä;
- saattamaan vireille, nostamaan syyte ja jatkamaan syytteen ajamista missä tahansa tai kaikissa asioissa ja puolustamaan RTF:ää kaikissa vireillä olevissa tai tämän jälkeen vireille saatetuissa asioissa.

On October 8, 2014, PricewaterhouseCoopers Inc. ("PWC") was appointed by the Court of Queen's Bench of Alberta to act as receiver ("Receiver") of RTF, a copy of this order is attached as Appendix 1.

According to the court order: "PWC is hereby appointed Receiver, without security, of all of RTF's current and future assets, undertakings and properties of every nature and kind of whatsoever, and wherever situate, including all proceeds thereof including, for greater certainty, any of the aforementioned assets, undertakings, properties and proceeds which may be the subject of trust claims (collectively, the "Property")."

The Receiver is empowered and authorized, among other things:

- *to take possession of and exercise control over the Property and any and all proceeds arising out of or from the Property;*
- *to engage counsel to assist with the exercise of the Receiver's powers and duties; and,*
- *to initiate, prosecute and continue the prosecution of any and all proceedings and to defend all proceedings now pending or hereafter instituted with respect to RTF.*

2.2 Suomen tytäryhtiöt ***Finnish subsidiaries***

RTF osti kokonaan tai osuuden alla mainituista tytäryhtiöistä 31.12.2009. Näiden tytäryhtiöiden osakkeet hankittiin virolaiselta yhtiöltä Cof Capital Oü:ltä ("Cof"), osakauppakirjan mukaisesti. Kauppa maksettiin RTF:n osakkeilla, jotka muodostivat 59% RTF:n osakepääomasta. Näiden osakkeiden arvioitu arvo oli 30 miljoonaa Kanadan dollaria.

Tämän seurauksena, RTF sai haltuunsa seuraavat kokonaan omistetut tytäryhtiöt Suomessa:

DVB Investment Oy ("DVB")
Peerdisk Oy
MVC Investment Oy
Streemflood Oy
Creditmarket Oy
Perintätoimisto Team Capital Oy

RTF sai myös haltuunsa seuraavat enemmistöomistetut tytäryhtiöt Suomessa:

Vippitori Oy

RTF Finance Oy
PDV Investment Oy
FOC Capital Oy
TEC Trust Equity Capital Oy.

Lisäksi RTF hankki MCO Capital Ltd:n, kokonaan omistettu tytäryhtiö Yhdistyneessä Kuningaskunnassa.

Kaikki tytäryhtiöt yhdessä ("Tytäryhtiöt") muodostavat enimmän osan RTF:n omaisuudesta.

Selvittäjä pyysi entistä Tytäryhtiöiden hallituksen jäsentä, Stefan Johnsonia laatimaan lyhyen taustaselvityksen Tytäryhtiöiden toiminnoista. Kopio on liitteenä.

Osana Tytäryhtiöitä koskevaa lisäselvitystä, Selvittäjä matkusti Suomeen ja Yhdistyneeseen Kuningaskuntaan 26.-31.10.2014 tavatakseen tuolloista johtoa (Mäkeä), sekä Tytäryhtiöiden työntekijöitä. Tämän ajanjakson aikana Selvittäjälle muodostui epäilyjä Tytäryhtiöiden päivittäisistä toiminnoista ja lukuisista pyynnöistä huolimatta, Selvittäjälle ei annettu mitään merkittävää taloudellista tai liiketoiminnallista tietoa Tytäryhtiöistä koska Mäki tai työntekijät eivät olleet yhteistyöhalukkaita.

Mäen kanssa pidettyjen tapaamisten aikana, Mäki kertoi Selvittäjälle siirtäneensä vuoden 2013 aikana noin 1.400.000 euroa DVB:n pankkitililtä brittiläisen, Mäen määräysvallassa olevan Credit on Demand ("COD") nimisen yhtiön pankkitilille.

Mäki kertoi myös, että DVB oli maksanut enakkona 807.560 euroa "Billgateen", joka on maksuohjelmistosovelluksen nimi, ja joka väitetään olevan Mpoli Oy nimisen yhtiön kehittämä ja omistuksessa. Mpoli Oy on Mäen määräysvallassa.

Selvittäjä tarkisti rutiininomaisesti jokaisen Tytäryhtiön kaupparekisteriotteet ja havaitsi 28.10.2014, että Mäki oli syyskuussa 2014, ilman RTF:n hyväksyntää, rekisteröinyt itsensä ainoaksi hallituksen jäseneksi kaikkiin Tytäryhtiöihin korvattaan näin edelliset hallitukset.

Tämän oikeudettoman toimenpiteen ja yllä mainittujen muiden epäilyjen johdosta, Selvittäjä päätti nimittää uuden hallituksen ("Uusi Hallitus") 5.11.2014 kokonaan omistetuille tytäryhtiöille. Tämän lisäksi Selvittäjällä on työn alla vastaava prosessi osittain omistettujen tytäryhtiöiden osalta.

Uusi hallitus ryhtyi välittömästi toimiin turvatakseen varoja ja asiakirjoja sekä selvittääkseen Tytäryhtiöiden taloudellisen tilan. Koska Tytäryhtiöiden ensisijainen liike-

toiminta oli lainaustoiminta internetin välityksellä koskien lyhytaikaisia, pääomaltaan pieniä lainoja, ovat tärkeimmät tietolähteet varojen arvojen ylläpidon selvittämiseksi sähköiset lainaportfolioiden tietokannat sekä tiedot siitä, minkä palvelujen tarjoajat ovat hallinnoineet saatavakantoja.

Uusi Hallitus tapasi 6.11.2014 DVB:n työntekijöitä kerätäkseen tietoa sekä varmistakseen varojen turvaamisen. Uusi Hallitus katsoo, ettei heidän kanssaan oltu valmiita tekemään tehokasta yhteistyötä heidän yrityksissään selvittää Tytäryhtiöiden taloudellisia tietoja. Uusi Hallitus havaitsi työntekijöiden rajoitetun keskustelun aikana, sen mikä vaikuttaa olevan omaisuuden peukalointia ja poissiirtämistä, erityisesti tietokantojen, palvelimien/kovalevyjen, tallentavan laitteen ja yrityksen omistaman ajoneuvon osalta.

Mainitusta ajankohdasta lukien, Uusi Hallitus on ollut turhautunut puutteellisten tietojen ja lainaportfoliosta vastuussa olevan henkilökunnan ja palvelujen tarjoajien puutteellisen yhteistyön johdosta. Uusi hallitus jatkaa työn tekemistä turvatakseen Tytäryhtiöiden varat muun muassa vaihtamalla pankkiyhteyksiä sekä etsimällä lainaportfolioiden taseita identifioituilta palveluntarjoajilta.

Johtuen puutteellisista tiedoista, Selvittäjän on liian aikaista arvioida RTF:lle aiheutuneen vahingon määrää.

Toimitamme tämän kirjelmän Keskusrikospoliisille ja pyydämme, että Keskusrikospoliisi selvittää onko syytä aloittaa asiassa tutkinta.

RTF acquired whole and part ownership of the under-noted subsidiaries on December 31, 2009. The shares of these subsidiaries were acquired from Cof Capital Ou ("Cof"), an Estonian Corporation, pursuant to a Share Purchase Agreement. The consideration given was shares of RTF representing 59% of the issued share capital of RTF at an estimated share value of CDN \$30,000,000.

As a result, RTF acquired the following wholly owned subsidiaries in Finland:

*DVB Investment Oy ("DVB")
Peerdisk Oy
MVC Investment Oy
Streemflood Oy
Creditmarket Oy
Perintätoimisto Team Capital Oy*

RTF also acquired the following majority owned subsidiaries in Finland:

*Vippitori Oy
RTF Finance Oy
PDV Investment Oy
FOC Capital Oy
TEC Trust Equity Capital Oy.*

Further, RTF acquired MCO Capital Ltd., a wholly owned subsidiary in the UK.

All subsidiaries together (the "Subsidiaries") represent the vast majority of the assets of RTF.

The Receiver requested of a former director of the Subsidiaries, Mr. Stefan Johnson, for a brief history on the activities of the Subsidiaries, a copy of which is attached as Appendix 2.

As part of its investigation into the Subsidiaries, from October 26 to 31, 2014, the Receiver travelled to Finland and the UK to meet with the incumbent management, Mr. Mäki, and employees of the Subsidiaries. It was during this time that the Receiver developed concerns over the operations of the Subsidiaries on a day to day basis and, despite repeated requests, was not given any meaningful financial or operational information from the Subsidiaries without effective cooperation from Mr. Mäki or the employees.

During its meetings with Mr. Mäki, the Receiver was advised by Mäki that during 2013 he had transferred approximately 1.4 million Euros from DVB's bank account to a UK company controlled by himself named Credit on Demand ("COD").

Mäki also advised that DVB advanced 807,560 Euros to "Billgate" which is the name of a payment solution software system developed and purportedly owned by Mpoli Oy, a company controlled by Mr. Mäki.

As part of its normal course, the Receiver searched the registries for each of the Subsidiaries and on October 28, 2014 determined that Mäki had, without the consent of RTF, registered himself as the sole director of all the Subsidiaries in September 2014 in substitution of the previous boards.

In view of this unauthorized action and the other concerns noted herein, the Receiver undertook to appoint a new Board of Directors ("New Board") on November 5, 2014 for the wholly owned subsidiaries and the Receiver continues to assess the merits of a similar process for the partially owned subsidiaries.

The New Boards immediately undertook to secure the assets and records, and determine the financial condition of the Subsidiaries. As the primary business of the Subsidiaries was the online lending of small value short term loans, the key records necessary to preserve the value of the assets are the electronic loan portfolio databases as well as records of which service providers were administering the portfolios.

On November 6, 2014, the New Board met with the employees of DVB to gather information and ensure the assets were secured. It appears to the New Board that they were not receiving effective cooperation in their attempts to investigate the financial information of the Subsidiaries. It was during the limited interaction with the employees that the New Board identified what appeared to be tampering with and removal of assets, specifically the databases, server/hard drives, a recording device and a company owned vehicle.

Since this time, the New Board has been frustrated with the lack of availability and cooperation from personnel and service providers that should have control of the loan portfolios. The New Board continues working to secure the assets of the Subsidiaries such as changing the banking authorities and seeking loan portfolio balances from identified service providers.

Due to the lack of available information, it is too early for the Receiver to quantify the amount of losses that RTF have suffered.

We provide this letter to the National Bureau of Investigation and request whether, in its view, there is cause for investigation by it.
