Unsecured Creditors

The Interim Receiver requested a list of creditors from the Debtors. The information requested was not provided. The Interim Receiver has prepared a list of unsecured creditors after conducting searches at the Saskatchewan and Alberta Personal Property Registry, Alberta Court of Queen's Bench, Saskatchewan Court of Queen's Bench, Federal Court and Equifax. The list of unsecured creditors prepared by the Interim Receiver is included as Schedule "A".

Plan of Action

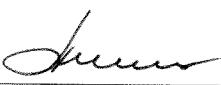

- The Interim Receiver took possession on October 10, 2012.
- We identified to the Debtors that a priority of the Interim Receiver was to conduct a cattle count, a feed inventory count and to prepare a list of equipment, and that it was our intention to commence our work on October 11. The cattle inventory count began on October 11 and 12, and was delayed by the debtor from October 13 to 16. The count resumed on October 17 and has been delayed again by the Debtors. In addition, the debtor has refused to allow the count of the feed inventory and the equipment listing.
- The Interim Receiver is not aware of any accounts receivable, as the Debtors have not provided a listing of the accounts, if any.
- Once the inventory counts are completed, the Interim Receiver will review options with respect to determining a future course of action.
- The Interim Receiver has engaged independent legal counsel, Jeff Lee and Michael Russell of McPherson Leslie Tyerman, Saskatoon, Sask.
- A website has been set up which will be updated regularly for the benefit of all interested parties. This website is www.pwc.com/car-scott.
