Plan of Action

- PwC, in its capacity as Receiver, took possession and control of the property described above on the 19th day of February, 2013.
- A website has been set up which will be updated regularly for the benefit of all interested parties. This website is www.pwc.com/car-scott
- The Receiver is not aware of any accounts receivable, as the Debtors have not provided a listing of the accounts, if any.
- The Interim receiver conducted a Court sanctioned Property Claims Process to establish ownership claims in the livestock in the possession of the Debtors. Of the 9 claims received, 2 were accepted by the receiver for a total of 76 animals. One of the claimants has appealed the receiver's response and the appeal is to be heard by the Court.
- The Receiver has taken possession of the livestock that it has been able to locate and these animals have been sold at auction.
- The Receiver has terminated all of the Debtors' land leases and paid all landlords per diem usage for the period covered by the Interim Receivership and the Receivership.
- The Receiver is currently dealing with the non-livestock assets of the Debtor that are a part of its mandate as set out in the Amended and Restated Receivership Order which may be downloaded from our website www.pwc.com/car-scott.
- A Statement of Receipts and Disbursements for the period October 12, 2012 to September 15, 2013 is attached as Schedule 'A'.
- The Receiver has engaged independent legal counsel of McPherson Leslie Tyerman, Saskatoon, Saskatchewan.
