

MAGNESIUM PLANT
MAGNOLA METALLURGY INC. ("MAGNOLA")
Danville, Quebec, Canada

Call for Tender Notice

PricewaterhouseCoopers Corporate Finance Inc. has been retained by Magnola Metallurgy Inc. as process coordinator for the sale of plant assets.

Your company has been identified as a prospective acquirer that could potentially benefit from this unique opportunity.

Assets for sale mainly include:

- Diabon SGL Carbon HCL synthesis units
- HCL acid boiler
- 500 m.t/h MgO storage and repulping system and flocculation/coagulation system
- Chlorine storage and vaporization
- Magnesium TECHMO trucks
- Shunting trucks
- Magnesium furnaces and BROCHOT casting lines
- PANNAVIS Belt Filters
- GEO Slurry pumps
- US FILTER, Press filters
- STEARLING Chlorine compressors
- Air compressors and drying system
- Diesel generator 800 W
- 10 MW SOLAR Cogeneration units
- Natural gas compressor system
- JOHNSON steam boiler
- Rotary dryer
- BARMARC crusher
- Vacuum cleaning system
- STEDMAN crusher
- Pumping and evaporation system
- 23 m.t/h Pneumatic conveyor system
- 1500 m³ storage silos
- 29 m.t/h Pneumatic conveyor system
- Vacuum system
- Glycol heat exchangers 13 000kw
- Chlorine gas scrubber
- Cooling tower MARLEY
- Serpentine handling equipment
- Dissolution equipment
- Brine drying equipment
- Distribute control system
- Electric substation and equipment
- Machine shop machinery
- Tooling and equipment
- Handling equipment
- Office furniture and equipment, computer equipment
- Buildings to dismantle
- Overhead cranes
- Parts and accessories

Important date:

Tender offers must be received by 2:00 PM (EST) on Wednesday, February 4, 2009.

Call for tenders documents:

The tender documents, including a description of asset lots for sale, are available on the following website: www.pwc.com/car-magnola.

Asset inspection:

Plant visit for asset inspection will take place by appointment only at Magnola's location in Danville, Quebec, Canada.

Data room:

Access to a virtual data room containing more detailed information on assets for sale will be granted upon request. Additional technical documentation will be available on site during scheduled visits.

Offers considered:

Assets have been grouped into lots and sublots and offers may be tabled for lots and/or sublots.

For more information, to schedule a visit or to obtain access to the virtual data room, please contact:

Bernard Cormier

CALL FOR TENDERS

PricewaterhouseCoopers Corporate Finance Inc. (“PwC CF”), acting as process coordinator for Magnola Metallurgy Inc. (“Magnola”), solicits offers to purchase or put up for sale (“tenders”) the assets listed below, under the conditions and reserves stated herein and in the document entitled “Terms and Conditions of Sale”:

Description of Assets

- Lot 1 – Magnesium production machinery
 - 1.1 Diabon SGL Carbon HCL synthesis units
 - 1.2 HCL acid boiler
 - 1.3 500 m.t/h MgO storage and repulping system and flocculation/coagulation system
 - 1.4 Chlorine storage and vaporization
 - 1.5 Magnesium TECHMO trucks
 - 1.6 Shunting trucks
 - 1.7 Magnesium furnaces and BROCHOT casting lines

- Lot 2 – Plant machinery
 - 2.1 PANNAVIS Belt Filters
 - 2.2 GEO Slurry pumps
 - 2.3 US FILTER, Press filters
 - 2.4 STEARLING Chlorine compressors
 - 2.5 Air compressors and drying system
 - 2.6 Diesel generator 800 W
 - 2.7 10 MW SOLAR Cogeneration units
 - 2.8 Natural gas compressor system
 - 2.9 JOHNSON steam boiler
 - 2.10 Rotary dryer
 - 2.11 BARMARC crusher
 - 2.12 Vacuum cleaning system
 - 2.13 STEDMAN crusher
 - 2.14 Pumping and evaporation system
 - 2.15 23 m.t/h Pneumatic conveyor system
 - 2.16 1500 m³ storage silos
 - 2.17 29 m.t/h Pneumatic conveyor system
 - 2.18 Vacuum system
 - 2.19 Glycol heat exchangers 13 000kw
 - 2.20 Chlorine gas scrubber
 - 2.23 Cooling tower MARLEY
 - 2.34 Serpentine handling equipment
 - 2.35 Dissolution equipment
 - 2.36 Brine drying equipment
 - 2.37 Distribute control system

Lot 3 – Electric substation and equipment

- 3.50 Medium Average switchgear and 600 volts CCM (bldg 350)
- 3.51 Medium Average switchgear and 600 volts CCM (bldg 500)
- 3.52 Medium and low Average switchgear and 600 volts CCM (bldg 610)
- 3.53 Medium Average switchgear and 600 volts CCM (bldg 500H)
- 3.54 Medium Average switchgear and 600 volts CCM (bldg 710)
- 3.55 Medium Average switchgear and 600 volts CCM (bldg 620)
- 3.56 Medium Average switchgear and 600 volts CCM (bldg 800)
- 3.57 Medium Average switchgear and 600 volts CCM (bldg 910)
- 3.58 Medium Average switchgear and 600 volts CCM (bldg 213)
- 3.59 Electric power substation 230 KV

Lot 4 – Machine shop machinery

Lot 5 – Tooling and equipment

Lot 6 – Handling equipment

Lot 7 – Office furniture and equipment, computer equipment

Lot 8 – Buildings to dismantle

- 8.221 Cogeneration (includes building 221)
- 8.213 Cooling tower building
- 8.350 Ore preparation (includes 340 and 350)
- 8.420 Leaching (includes 410 and 420)
- 8.500 Drying
- 8.710 Casting building
- 8.720 Warehouse for finished products
- 8.800 Hydrochloric acid synthesis
- 8.910 Office building
- 8.960 Laboratory
- 8.232 Substation building

Lot 9 – Overhead cranes

Lot 10 – Parts and accessories

Tender Instructions

1. Assets may be inspected by appointment at the plant located in Danville, Quebec, Canada. A non-refundable fee of CA\$500 (plus taxes) is payable in order to be provided with access to all of the lots and sublots as well as the physical on site data room containing technical documentation.
To make an appointment, please contact Bernard Cormier at 514-205-5394.
2. Tenders must be accompanied by:
 - i) a deposit by way of a certified cheque or bank transfer payable to Magnola Metallurgy Inc. or by a bank standby letter of credit to its order payable on sight for a minimum of 30 days after the opening of tenders, for an amount representing no less than 10% of the amount of the tender (the "Deposit");
 - ii) the document entitled "Terms and Conditions of Sale" signed by the Tenderer.
3. PwC CF and Magnola reserve the right to waive compliance with one or more conditions stated in this Call for tenders and the document entitled "Terms and Conditions of Sale".
4. PwC CF and Magnola are not required to accept the highest nor any other tender whatsoever and reserve the right to dispose of the assets in any other manner.
5. Tenders shall be received until 2:00 PM (EST) on Wednesday, February 4, 2009, at the following address:

PricewaterhouseCoopers Corporate Finance Inc.
1250 René-Lévesque Boulevard West, Suite 2800
Montréal, Quebec, Canada H3B 2G4

The envelope must clearly be marked "Tender - Magnola". Tenderers shall not be present at the opening of the tenders.

6. To obtain access to the virtual data room containing a description of assets for sale, please contact Bernard Cormier at 514-205-5394.

January 9, 2009

PricewaterhouseCoopers Corporate Finance Inc.

TERMS AND CONDITIONS OF SALE

TO: PricewaterhouseCoopers Corporate Finance Inc. acting on behalf of Métallurgie Magnola Inc. ("MAGNOLA"), hereafter called "PwC CF".

FROM:

Further to the PwC CF call for tenders, the Undersigned offers to purchase or to sell on behalf of MAGNOLA, as stated in the attached tender (the "Tender"), the assets described hereinafter, in compliance with the following terms and conditions:

1. INCORPORATION OF THE CALL FOR TENDERS

1.1 The content of the Call for Tenders and the defined terms therein are an integral part of the present Conditions and Reserves.

2. PRECEDENCE

2.1 The present conditions and Reserves have precedence over any inconsistent provision of the Tender, unless the Undersigned offers a price in compliance with such conditions and reserves and a different price according to other conditions and reserves stated in the Tender.

3. ASSETS

3.1 The Tender covers the whole of the assets which are part of the lots(s) mentioned in the Tender as described in the inventory prepared by

MAGNOLA (the "Assets") and which was reviewed by the Undersigned (the "Inventory");

- 3.2 The Assets include only those items that are owned by MAGNOLA, notwithstanding any inclusion to the contrary in the Inventory;
- 3.3 It is acknowledged by the Undersigned that the quantities stated in the Inventory are provided for illustrative purposes without guarantee and the Undersigned is responsible for checking the content and quantity of the Assets.

4. AMOUNT

- 4.1 The amount indicated in the Tender shall prevail, and is payable cash of guaranteed by the issuance of a standby letter of credit at Closing, as hereinafter defined;
- 4.2 Any tax, assessment, contribution and any right whatsoever, inherent or consequential to the acceptance of the purchase offer or to the transfer of the assets are payable by the Tenderer in addition to the amount indicated in the Tender;
- 4.3 The Undersigned agrees not to request any adjustments to the amount tendered.

5. WARRANTY

- 5.1 The Undersigned hereby declares that he has inspected the Assets and that he shall rely entirely on his examination and investigation and acknowledges that the Assets are being sold without guarantee, whether legal or contractual, other than the capacity of the vendor to sell, at the Undersigned's own risk;
- 5.2 The Undersigned acknowledges that MAGNOLA and PwC CF are making no representation and are giving no warranty, either express or implied, as to their conformity to the description thereof in the Inventory, as to their compliance with any standard whatsoever (including an environmental

standard) in force from time to time with regard to the Assets, as to their merchantability and as to their fitness for the purpose for which they are intended. The Undersigned renounces to any claim whatsoever that could arise from any such representation or warranty;

- 5.3 It is further acknowledged by the Undersigned that neither MAGNOLA nor PwC CF may be held liable for any potential claim and/or lawsuit, including those related to government obligations of any type, regardless of the date of occurrence of the facts alleged in support of such claim and/or lawsuit;
- 5.4 The Undersigned may claim no compensation of any type from any person involved in the call for tender process for any costs and/or damages of any type;
- 5.5 In submitting the Tender, the Undersigned irrevocably acknowledges that MAGNOLA is not a professional vendor;
- 5.6 Any information provided by MAGNOLA and PwC CF with respect to the Assets is provided for the convenience of the Undersigned without representation or warranty as to the accuracy, completeness or preciseness of said information and the information provided by MAGNOLA and/or PwC CF is not part of the present Conditions and Reserves or the Tender.

6. WITHDRAWAL, ACCEPTANCE OR REFUSAL OF A TENDER

- 6.1 Where a Tenderer withdraws its Tender during the 48-hour period prior to the time set for the opening of the tenders until he is notified of the results of the tenders, the Deposit shall be cashed and kept by MAGNOLA as liquidated damages;
- 6.2 Notwithstanding any indication to the contrary in the Tender, MAGNOLA shall be entitled to accept or reject the Tender until the expiry of the fifteenth (15th) business day following the opening of the Tenders;
- 6.3 In the event the Tender is retained, PwC CF shall notify the Undersigned by faxing, mailing or emailing to the Undersigned a notice to this effect at the address stated on the Tender;

- 6.4 In the event the Tender is rejected, the Undersigned shall be notified by PwC CF by mail, and the Deposit enclosed.

7. DELIVERY, TAKING POSSESSION OF THE ASSETS AND OCCUPATION OF THE PREMISES

- 7.1 The Undersigned and MAGNOLA shall execute all of the appropriate documentation required by MAGNOLA in order to particularize and implement the accepted offer, the Deposit shall be applied in payment for much of the purchase price and the Undersigned shall pay the balance, or shall secure its payment to the satisfaction of MAGNOLA (the whole of the foregoing being the "Closing") no later than then (10) business days after the acceptance of the Tender, or such further delay agreed to by both parties;
- 7.2 Acceptance of the Tender means that MAGNOLA agrees that the Undersigned shall take possession of the Assets after the Closing in accordance with the timetable proposed by the Tenderer and accepted by MAGNOLA and/or PwC CF (hereafter the "Timetable"). The Timetable shall be determined to maximize the Assets delivery process under each Tender that is accepted;
- 7.3 The Undersigned accepts and agrees that the taking possession, removing and/or dismantling the Assets may be delayed or subjected to certain conditions required for the orderly dismantling of the whole plant;
- 7.4 The Undersigned shall take possession of the Assets and become owner thereof at the Danville Plant at a time agreed to by MAGNOLA and PwC CF and shall be evidenced by a receipt prepared for this purpose by a representative of MAGNOLA and remitted by the Undersigned; arrangements may be entered into with MAGNOLA with respect to the time period required for the removal of the Assets from the plant. The Tender must indicate the time period suggested, as the case may be;
- 7.5 The Undersigned shall take possession of all the Assets include in the lot(s) covered by the Tender, without exception. If some of the Assets contain or constitute contaminants or dangerous waste or products, the Undersigned

shall dispose of them in compliance with the laws and regulations relating to their transportation and disposal;

- 7.6 Subject to MAGNOLA's prior agreement, the Undersigned shall occupy the premises in compliance with all relevant laws and regulations and shall preserve the cleanliness and safety of the premises;
- 7.7 The Undersigned is responsible for any loss or deterioration to the premises and property located therein caused by the staff of the Undersigned or by third parties he will admit on the premises to take possession, remove or dismantle the Assets, and the Undersigned shall hold MAGNOLA and PwC CF harmless from any claim for damages to the property;
- 7.8 The Undersigned shall take possession of the Assets in their current state and location, at his own expense and MAGNOLA and PwC CF have no responsibility in this regard. The Undersigned is responsible for all work to dismantle or move the Assets in order to take possession of them and must comply with current standards and applicable laws and regulations;
- 7.9 If the Undersigned fails to take possession of the Assets, or fails to meet all of the terms and conditions set out in its Tender, the Undersigned authorizes MAGNOLA to cancel the acceptance of its Tender and to keep the Deposit, or, as the case may be, the purchase price by way of liquidated damages.

8. DEFAULT

- 8.1 In the event the Undersigned fails to comply with any one of his obligations hereunder, he shall indemnify MAGNOLA and PwC CF for any damage incurred by them now or in the future as a result of such default, without prejudice to any other right and recourse of MAGNOLA and PwC CF;
- 8.2 In particular, the Undersigned shall, upon request, reimburse MAGNOLA and PwC CF for any expenses incurred by MAGNOLA following the Undersigned's failure to take possession of the Assets within the prescribed time limit, in addition to the confiscation of the Deposit, as the case may be;

- 8.3 The Undersigned agrees that any amount payable to MAGNOLA and PwC CF under the present agreement shall bear interest at a rate of 12% per year starting on the due date of such amount.

9. MISCELLANEOUS

- 9.1 In the event that, for whatever reason, MAGNOLA is unable to deliver to the Undersigned all Assets or a significant portion thereof, MAGNOLA may cancel its acceptance of the Tender and the Undersigned shall recover the Deposit, without further recourse by either party;
- 9.2 MAGNOLA and PwC CF shall only provide to the Undersigned the documents that are available in the virtual and physical data rooms. Documents are made available to Tenderers without representation or warranty by MAGNOLA or PwC CF as to what is included or not. The Undersigned has prepared the Tender on the basis of his own review, does not assume knowledge by MAGNOLA and/or PwC CF and does not have any recourse against MAGNOLA and/or PwC CF for inaccurate, incomplete or missing information;
- 9.3 The Undersigned agrees that the information available in the data rooms is sufficient and that his Tender will not be subject to additional verification and/or validation after the deadline for filing Tenders, notwithstanding any provision to the contrary in the Tender. Accordingly, no price adjustment based on such verification or validation will be considered;
- 9.4 As the case may be, the Undersigned must be able to justify his ability to carry out all of the terms and conditions of his Tender within five (5) business days following a request to that effect;
- 9.5 It is acknowledged by the Undersigned that, if any property in a lot is claimed by another Tenderer, the dispute shall be resolved by MAGNOLA, subject to the Undersigned's right to ask for third party arbitration at his expense.

10. ADDITIONAL CONDITIONS AND RESERVES APPLICABLE TO OFFERS TO SELL THE ASSETS FOR THE ACCOUNT OF MAGNOLA

- 10.1 No offer to sell the Assets for the account of MAGNOLA will be considered unless it provides for the payment of minimum net proceeds of sale to MAGNOLA and a method of calculation of the net proceeds of sale beyond that amount;
- 10.2 At Closing, the Undersigned shall remit to MAGNOLA a standby letter of credit payable on sight for a minimum period of one hundred and eighty (180) days, for an amount equal to 115% of the minimum amount the Undersigned has agreed to remit to MAGNOLA, which letter shall be issued by a recognized financial institution and the wording of which shall be consistent with the rules and standard practices of the International Chamber of Commerce and, upon receipt of this letter by MAGNOLA, the Deposit shall be returned to the Undersigned. If the Undersigned fails to remit the said standby letter of credit to MAGNOLA within the stated delay, MAGNOLA may, in addition to its other rights and remedies, cancel its acceptance of the Tender and keep the Deposit that accompanied the Tender as liquidated damages;
- 10.3 The Undersigned shall inform PwC CF in writing, within ten (10) business days of acceptance of his Tender, of the terms and conditions of sale of the Assets (the "Plan"), how long the premises are to be occupied, the estimated sales costs;
- 10.4 The Undersigned shall pay to MAGNOLA the amounts due and shall submit a written report each month including the items sold, the sale price and all costs incurred during the month. This report should be submitted not later than the 10th of the following month;
- 10.5 In the event the Undersigned fails to submit the written report or make the payment provided in paragraph 10.4, MAGNOLA shall demand payment of the standby letter of credit, without prejudice to its right to require the Undersigned to submit the monthly reports and pay any other amounts due to MAGNOLA;

10.6 In the event the Undersigned fails to take possession of the Assets within the prescribed time limit or to follow the Plan, MAGNOLA shall, in addition to its other rights and remedies, cancel its acceptance of the Tender and demand payment of the standby letter of credit by way of liquidated damages.

11. ADDITIONAL CONDITIONS AND RESERVES APPLICABLE TO OFFERS TO PURCHASE ALL OR SUBSTANTIALLY ALL OF THE LOTS, DISMANTLE THE PLANT AND RESTORE THE SITE

11.1 The Buyer shall be responsible for all costs of whatever nature from the date of Closing;

11.2 The Undersigned shall agree, with MAGNOLA and PwC CF, to a specific timetable to dismantle the plant and restore the site, which shall not last more than eighteen (18) months from the date of acceptance of the Tender;

11.3 At Closing, the Undersigned shall remit a standby letter of credit payable on sight or nineteen (19) months or a performance bond for \$2.5 million to guarantee the performance of all of the work within the specified period;

11.4 The Undersigned shall lease the site from MAGNOLA for the term of the above-mentioned specific timetable (see 11.2) for \$1. The lease shall be executed as part of the Closing;

11.5 The work shall be performed under the full responsibility of the Undersigned in compliance with all statutes and regulations applicable from time to time with respect to construction, labour, health and safety and in a manner that avoids the occurrence of any safety and environmental risk;

11.6 It is acknowledged by the Undersigned that the post-restoration state of the site shall be consistent with the specifications received by the Undersigned from MAGNOLA and shall be consistent with environmental requirements as stated, in particular, in the *Environment Quality Act*. (R.S.Q., c. Q-2) and regulations applicable to land used for industrial purposes, class "C" and the Undersigned undertakes to deliver the site leveled and clean. The specifications may be obtained, on request, starting on April 14, 2008.

MAGNOLA VIRTUAL DATA ROOM INDEX

Note:

All documents included in this index are also available for consultation at Magnola's plant located in Danville, Quebec, Canada.

The following documents are only available on site at the plant:

- inventory of assets included in sublots 2.20, 2.34, 2.35 and 2.36;
- information on buildings included in lot 8;
- inventory of assets included in lot 10; and
- additional technical documents related to the assets.
