

Corporate Statutory Compliance and Incorporations*

Introduction

Our Corporate Support Services “CSS”, which employs among others, accountants, lawyers, and other qualified staff and engages selected external lawyers with extensive and specialised knowledge in corporate law and other business related matters, aims at delivering full support and solutions that combine the required experience with commercial insight thus adding value to the clients’ business.

Our objectives

Statutory compliance support is of utmost importance to clients throughout their business dealings. We are able to help enterprises to respond to these challenges and allow them to focus solely on the areas of their business which are key to profitable growth. We aim at understanding our clients’ business and the various factors that affect it, as well as keeping ourselves updated with local and international statutory and business developments. In this way, we can help our clients attain an excellent understanding of the implications of such issues on their business. Towards the same end, we constantly seek to develop our connections and knowledge.
