

Consulting on Labour Legislation, Personal Taxes as well as on Employment and Work of Foreigners

How we provide advice

We are committed to providing our clients with service that meets their requirements and exceeds their expectations. Our rich experiences in Slovenia may benefit your company to timely assess and minimize the tax risk. We are aware of importance of a timely and quality service and we provide it at a reasonable price. Experts that know the specifics of your industry can help you solve complex business and tax issues.

Areas of consulting

Our services include the following areas:

- ♦ ***Labour Legislation;***
- ♦ ***Employment and work of foreigners in Slovenia*** (work permit, residence permit, registration of work and residence);
- ♦ *Preparing and consulting on preparation of tax calculations of natural persons and legal entities considering the enforced methods of tax planning;*
- ♦ ***Tax audits*** with emphasis on the correct calculation of the salaries as well as other income from the employment relationship.

Way of providing consulting services

- ♦ *Telephone consulting, preparation of written explanations delivered by e-mail or by post;*
- ♦ *Meetings to discuss general aspects of problematic issues and to collect information for analysis to enable us to propose optimal solutions;*
- ♦ *Assistance in obtaining opinions and explanations from the government authorities and institutions;*
- ♦ *Representing clients in dealing with tax authorities;*
- ♦ *Assistance with tax audits by Slovene administration and other requests for information.*
- ♦ *Organization of seminars on new issues in legislation and on various topics requested by the client.*

PricewaterhouseCoopers is one of the world's leading providers of professional services.
