

# Effective Employee Mobility

Are you considering:

- Assignments of employees to or from Slovakia?
- Adopting a new assignment policy?
- Setting up an assignment strategy?
- How to plan and control assignment costs?
- Options for handling expatriate payroll and compliance requirements?
- Ways to communicate about an employee's tax issues and the implications while the employee is on assignment?

Challenge old ways of doing things through the PwC International Mobility Centre:

Contact us and we can help you to effectively manage the processes and the costs related to employee assignments.

## Bratislava

Nám. 1. mája 18, 815 32 Bratislava
