Link Leuthold is a Senior Manager in the PricewaterhouseCoopers LLP Advisory Practice in Seattle. Mr. Leuthold has more than twelve years of experience performing accounting and consulting services at PricewaterhouseCoopers. He has provided a wide variety of consulting services including, discovery assistance, forensic accounting, damage analysis, due diligence reviews, collateral monitoring, financial and operational analysis of troubled companies, business plan development and review, and formulation of refinancing and recapitalization plans. In addition, he has experience valuing a variety of small businesses and has performed stock option investigations.

Mr. Leuthold also has experience across a broad range of industries. Immediately prior to joining PricewaterhouseCoopers, he was a Director of Strategic Pricing for Concert, an AT&T/British Telecom joint venture that provided worldwide voice and data communications services to large multinational corporations, where he managed a team that was responsible for day-to-day, tactical pricing of complex business offers, as well as leading development of the Market Based Pricing Database which captured pricing for 26,000 price points worldwide.

Link is a CPA (currently inactive), and holds a Bachelor of Science degree in Business Management and Accounting from the University of Oregon.
