Albert A. Vondra currently leads the Advisory Practice in the three-state Lake Erie market and is based in the Cleveland office. He has 29 years of experience in public accounting, including a two-year international assignment in Athens, Greece. He has extensive experience in accounting, financial reporting and disclosure, auditing and forensic investigations of publicly held and private companies. He also has extensive experience in analyzing financial and economic commercial damages.

His clients have covered a variety of industries including manufacturing, automotive, public utilities and construction, high technology, financial institutions, law firm services, health care, real estate, services and distribution, not-for-profit and others.

Mr. Vondra has a broad business background in directing audit/review engagements, fraud investigations, internal control reviews, quality assurance reviews of internal audit departments, acquisition and merger reviews, comfort letters, business valuations, economic and financial analysis, purchase price disputes, dispute analysis and expert testimony. His skills and experiences have been applied as an expert witness, arbitrator and consultant in the context of legal proceedings and has testified in over 60 proceedings before various triers of fact in mediations, arbitrations, bench trials and jury trials.

He has published numerous articles in the areas of accounting, auditing and dispute analysis and authored his firm's national guidelines in conducting arbitration engagements involving complex accounting disputes. His publications have appeared in professional journals such as *Harvard Business Review*, *Journal of Accountancy*, *Ohio CPA Journal*, *Financial Executive* and many others
