

PwC invites you to be part of our IFRS Interactive Community

This portal in Spanish will offer you all the tools to help you move towards the International Financial Reporting Standards, allowing you to be up-to-date and in constant learning to keep on your path to IFRS.

iLearn! IFRS e-learning

Our digital training course offers you a practical and complete solution to learn all matters related to the IFRS:

- Financial instruments
- Financial statements
- Consolidation
- Assets
- Liabilities
- Profit and loss
- Equity
- Other topics

iInteract! Chats, Forums & Blogs

Periodically, an IFRS expert will be available on the Chat, exchanging information with all community members. This way, you will get your answers in real time.

Also, you will be able to give your opinion in the forums and blogs, as well as to propose new topics and state questions.

Up-to-date Technical Newsletters & News

You will receive the latest news from the accounting and IFRS world through our updates, technical newsletters and pocket guides. You will also find interesting links to expand your knowledge.

¡Certify your Knowledge! IFRS's Learning and Assessment Program

PwC Colombia and the Institute of Chartered Accountants of England and Wales – ICAEW, an international entity specialized on IFRS training and certification, have signed an exclusive alliance for Latin America for the Spanish online IFRS's Learning and Assessment Program. Thanks to this exclusive agreement you will be able to apply for this IFRS international knowledge certificate.

*This exam carries an additional cost, will be available online and in Spanish for all members of the IFRS Interactive Community.
