Korean Business Desk

PwC Indonesia는 2006년 인도네시아 회계법인 최초로 Korean Business Desk를 개설하여, 인도네시아에 진출하는 한국 기업들에게 특화된 서비스를 제공하고 있습니다.

In the last few years, there have been increasing numbers of investments made by Korean companies in Indonesia. In doing business in Indonesia, Korean companies face a number of challenges in many aspects of their business. These include the mechanics of how to set up a business, compliance with regulations and reporting requirements, and the unique business and market environment in Indonesia. We understand that Korean companies need a reliable and qualified firm to assist them in dealing with those challenges and ultimately in achieving their goals. We believe that PwC Indonesia has the skills and expertise required to assist Korean companies to do just that.

Driven by our commitment to provide distinctive services to our Korean clients, in 2006 we established a dedicated team, PwC Indonesia Korean Business Desk, and became the first accounting firm to have a dedicated team for Korean business. PwC Indonesia Korean Business Desk consists of people who are committed to deliver high quality services in the areas of Assurance, Tax and Advisory. Included in the team is a full time dedicated Korean Technical Advisor who will provide strong communication support to our Korean clients.

We work closely with Korean professional associations, including KOTRA, Korean Embassy, KAFA (Injaemo), KTA (trading industry), KERA (energy industry) and KFA (financial institutes). We also share experience and knowledge and collaborate with our PwC Korea colleagues, in order to ensure the most effective and efficient way of working together with our Korean clients and their head offices in Korea.

PwC Indonesia는 인도네시아 내 Korean Business의 리더로 성장해오면서, 그동안 가장 많은 수의 기업에 전문서비스를 제공하였고, 이를 토대로 다양한 산업과 기업들에 대한 방대한 지식과 경험을 보유하게 되었습니다. 이러한 PwC Indonesia의 전문적인 노하우는 다시 고객기업들에게 돌아가 새로운 부가가치로 재창출되고 있습니다.
