

## Looking for ways to be effective and strategic in the boardroom?

As a director, you must demonstrate your engagement in company issues, contribute to shareholder value creation, meet regulator requirements and mitigate risk to avoid liability.

To meet these evolving demands, you need access to the right information and best board practices.

## Want to connect with your peers?

DirectorConnect is a new community that allows you to stay connected to your peers, keep up-to-date on director-related news and obtain the perspective of PricewaterhouseCoopers professionals and others on relevant issues.

## Join DirectorConnect

### We offer directors:

- Invitations to PwC events for directors
- PwC's industry-specific, accounting, tax and advisory publications
- The latest news and information on regulatory developments and issues
- Our e-newsletter (delivered a minimum of six times a year) with links to the latest content of interest to directors available on our Website

### Benefits

- Learn how you can balance compliance with value creation
- Connect with your peers and share best practices
- Keep up-to-date on regulatory changes and issues
- Get connected to PwC professionals who can help you improve performance and manage risk

For information on DirectorConnect contact Judi Caplan Zelikovitz at 416 815 5046.
