Kazakhstan Export Accelerator Programme CIIE 2021

Ministry of trade and integration of the Republic of Kazakhstan

QAZTRADE ACCELERATOR

Foreword

Azamat Askaruly

General Director JSC «Qaztrade» TPDC»

Dear colleagues,

JSC "QazTrade" Trade Policy Development Center" presents a catalog of products produced by 18 Kazakhstani food companies that are participating at CIIE 2021.

This catalog presents food industry products for potential business partners from the People's Republic of China. The catalog contains 18 profiles of various food product manufacturers. They produce sunflower and linseed oil, honey, wheat flour, beverages and compound feed for different types of animals.

We are confident that the products shown in this catalogue will be deservedly sought after in China for their high quality and uniqueness. We would like to thank you for taking the time to explore our products.

Introduction

food and beverage companies listed in this catalogue have been selected to participate in the program based on their products' potential and companies' export capabilities.

The companies can be classified into the following 7 product categories:

- **4** Milling industry products, starch and starch products
- **4** Beverages
- **3** Dairy products
- 2 Meat, canned meat and fish
- 2 Confectionery and honey
- 2 Vegetable Oils
- 1 Salt

The main component of the program is the business mission that includes participation in the **4th China International Import Expo (CIIE)** and business communication with potential partners.
