

The place to go further

Currently we are looking for candidates to join our Advisory team at the following positions:

Consultants and Experienced Consultants

To pursue a career with PricewaterhouseCoopers, you are required to have a University Degree in Business Administration, Economics, IT or related areas and be fluent in Lithuanian and English.

As a Consultant or Experienced Consultant you are expected to have strong knowledge of organisational management concepts and principles, understand business processes and internal controls and have an ability to apply your knowledge and experience to our client's situations. In your daily job you will be working as part of the Performance Improvement Consulting team focusing on the analysis and improvement of the client's operations, processes, information systems while maintaining a sound internal controls environment.

Experienced Consultants must have previous work experience with an audit and/or consulting company in the fields of internal audit, business process analysis and improvement, quality management systems design and implementation, information systems requirement specification or similar practical experience in public sector or private companies.

We expect all candidates to be business minded, result oriented, computer literate and have good communication and inter-personal skills.

If you are interested in pursuing a career with us please e-mail to lina.gelumbauskaite@lt.pwc.com. Only short-listed candidates will be notified and invited for an interview.
