

PayWell Macedonia Salary & Benefits Survey Report

2014 edition

PayWell Salary & benefits survey

Introduction

1

1. PayWell Macedonia 2014

Introduction

PricewaterhouseCoopers Macedonia conducted the survey during the period August 2015 – November 2015.

The PayWell 2014 Salary and Benefits survey report for Macedonia was released on 12 January 2016. As a result of our survey overall market data and industry sector report are available. The survey covers all job positions and provides detailed information on the compensation and benefit policies used by companies active on the Macedonian market. The survey conducted had some of Macedonian's largest employers.

The depth and spread of the report, its tenure and the quality of organisations involved make PayWell 2014 a unique and valuable instrument aiming to aid overall remuneration and retention planning.

A total of 5 companies submitted information on their job positions, providing the qualitative and quantitative data necessary when considering changes to the 2015 compensation and reward offering for all key individuals.

3. PayWell Macedonia 2014 - Report structure

PayWell report is a tool created to assist the HR professionals and companies' decision makers to develop competitive HR policies that attract, motivate and retain talents that support the business strategy.

PayWell report is structured in three different sections:

- Introduction, consisting of information on the survey methodology and data confidentiality;
- Compensation and benefits analysis report, providing information on the compensation and benefits systems and trends on the Macedonian market;
- Salary data report, providing salary statistics for each analyzed job.
