PayWell Salary & benefits survey

Introduction

1

1. PayWell Macedonia 2013

Introduction

PricewaterhouseCoopers Macedonia conducted the survey during the period February 2014 – July 2014.

The PayWell 2013 Salary and Benefits survey report for Macedonia was released on 05 September 2014. As a result of our survey overall market data and industry sectorial reports are available. The survey covers all job positions and provides detailed information on the compensation and benefit policies used by companies active on the Macedonian market. The survey conducted had some of Macedonian's largest employers.

The depth and spread of the report, its tenure and the quality of organisations involved make PayWell 2013 a unique and valuable instrument aiming to aid overall remuneration and retention planning.

A total of 11 companies submitted information on their job positions, providing the qualitative and quantitative data necessary when considering changes to the 2014 compensation and reward offering for all key individuals.
