Managerial Skills Development Training 'Be a complete manager'

15 October 2014

What is the purpose of this training?

How to complete everything in such a short period? (prioritization, delegation)?

Where am I wrong, how can I help myself, and how am I impeding the achievement of the objectives? (self-management)

What can be learned from corporate business? ... and "local" management is also "proper"!

How to manage a team properly? - to be a "boss", yet a friend?

Who is it for?

Daily challenges for managers become bigger and becomes much harder to find the right answer and solution to the various questions and problems. We welcome all current and future managers, all who want to upgrade their knowledge in order to improve their managerial skills.
