

In times of disaster

Fostering private & public partnership

In the past year we have seen many crisis and national disasters unfold. Both the public and private sector have in their own way come out to provide support and relief. However, what is apparent is many are still unprepared in disaster management.

What can be done to create better awareness and foster private and public partnerships?

PwC Malaysia together with MERCY Malaysia are organising a conference to increase awareness for a coordinated response amongst the public and private sectors in disaster preparedness and response.

Our speakers include:

- * Tun Musa Hitam, Chairman of Yayasan Sime Darby
- * Oliver Lacey-Hall, Head - Regional Office for Asia and the Pacific at United Nations Office for the Coordination of Humanitarian Affairs
- * Hamidah Naziadin, Group Chief People Officer of CIMB Group
- * Dato' Dr. Faizal, President of MERCY Malaysia,
- * Dato' Faiz Azmi, Chairman of PwC Malaysia
- * Ong Ai Lin, Senior Executive Director of PwC Malaysia

On top of that we will also have relevant speakers from the public and private sector to discuss and share their experience during disaster.
