Why PwC?

As a professional services firm committed to sustainability, our Sustainability & Climate Change teams in Malaysia, Singapore, Thailand, Indonesia, Philippines & Vietnam, together with our global PwC network of over 800 sustainability practitioners with over 20 years of global experience, will ensure that you get off on the right foot on your sustainability journey.

Our services include:

- ✓ Strategic sustainability
- ✓ Climate change and carbon management
- ✓ Sustainability assurance and reporting
- ✓ Tax and the regulatory environment
- ✓ Sustainability governance, risk and compliance
- ✓ Sustainable supply chain and operations

We have vast experience in delivering sustainability-related training courses to companies from a wide range of industries and with differing sustainability experience.

The Training Course

The GRI G4 Certified Training Course aims to prepare participants to understand and coordinate the GRI sustainability reporting process using the G4 Guidelines.

We have been a Certified Training Partner since 2011 and utilise an interactive approach using case studies and group exercises for effective learning.

Learning objectives

The GRI G4 Certified Training Course has three major learning objectives. Participants will be able to :

- ✓ Identify and understand the main features of the G4 Guidelines
- ✓ Recognise the tasks and decisions to be made during the reporting process to prepare a G4-based report focused on material Aspects
- ✓ Identify the content expected to be found in G4-based reports

To know more about PwC Malaysia's experiences in GRI, please visit <http://www.pwc.com/my/en/services/gri-index.jhtml>

What are past participants saying...?

"PwC has ensured that the materials are relevant to our context and have included exercises in each session to allow us to apply the principles immediately which have proved very useful."

"Credit goes to the PwC team for an interactive course with built-in exercises allowing us to apply the theory learnt"

"Overall, it was a good course that helped build a strong understanding of the GRI. Good discussions on materiality and identifying stakeholders."

"The exercises were very helpful to help people understand the challenges they might face in implementing a GRI G4 report in their own companies. Furthermore the exercises were developed to gradually align with the GRI reporting cycle."

Who should attend?

- ✓ Sustainability and CSR professionals
- ✓ Corporate communications practitioners
- ✓ Investor relations practitioners
- ✓ CSR and Sustainability report authors and contributors

Participants will receive:

- ✓ GRI G4 Certified Training Course Presentation Deck
- ✓ G4 Reporting Principles and Standard Disclosure booklet
- ✓ G4 Implementation Manual
- ✓ An overview of changes from G3.1 to G4
- ✓ Certificate of Attendance from GRI
