Strike off defunct companies

The Companies Commission of Malaysia (“SSM”) has recently relaxed the requirements for defunct companies to apply for striking off their names from the Register from 3 March 2011 to 30 June 2011 (“Moratorium Period”).

Why should you take up this opportunity?

Additional advantages during the Moratorium Period:

- **Waiver** on penalties/compounds imposed by SSM on directors of defunct companies.
- **Subsidiary companies** may apply for striking off.
- **Less documentation** required.
- **No justifications** required.
