The new order regulates public hospital emergency admission units and departments.

The Order defines the notion of "own staff" as medical and auxiliary staff fully carrying out their activity in the specialised unit or department.

The above definitions contribute to the interpretation of article 101 paragraph 5 of Law no. 95/2006 that emergency admission unit physicians and chief nurses cannot receive sponsorship for participating in conferences, congresses or other types of events from companies engaged in the sale of pharmaceuticals, sanitary materials or medical equipment.
