Illustrative in nature

The sample disclosures in this illustrative annual report should not be considered to be the only acceptable form of presentation. The form and content of each reporting entity's annual report are the responsibility of the entity's directors/management and other forms of presentation which are equally acceptable may be preferred and adopted, provided they include the specific disclosures prescribed in the Singapore Companies Act, SGX Securities Trading Listing Manual and Singapore Financial Reporting Standards.

The illustrative financial statements contained in this annual report are not substitutes for reading the legislation or standards themselves, or for professional judgement as to fairness of presentation. They do not cover all possible disclosures required by the Singapore Companies Act, SGX Securities Trading Listing Manual and Singapore Financial Reporting Standards. Depending on the circumstances, further specific information may be required in order to ensure fair presentation and compliance with laws, accounting standards and stock exchange regulations in Singapore.

Similarly, the corporate governance disclosures illustrated in this annual report are not meant to be templates for all reporting entities. The board of directors/management for each reporting entity should formulate the corporate strategies and control measures tailored to the entity's particular circumstances and corporate governance processes. It therefore follows that corporate governance disclosures in annual reports will necessarily differ from one reporting entity to the other.

Guidance notes

Direct references to the source of disclosure requirements are included in the reference column on each page of the illustrative financial statements. Guidance notes are provided where additional matters may need to be considered in relation to a particular disclosure. These notes are inserted within the relevant section or note.
