

28 September 2017

We kindly invite you to attend our tax breakfast titled: ***“The concept of improving voluntary tax compliance in Slovenia and the Netherlands and the role of tax advisors in the concept”***

PwC Slovenia, Cesta v Kleče 15, Ljubljana, 3rd floor

Tax experts from PwC Slovenia will present the tax function of the future and tax experts from PwC Netherlands will present horizontal monitoring in the Netherlands and how it is supported by the T3M methodology, whereas Darja Šinkovec of Financial Administration of the Republic of Slovenia will present legislation and practice within the context of the voluntary tax compliance in Slovenia with an emphasis on the experience with the concept of granting a special status to taxable persons.

The number of attendees of the tax breakfast is limited, therefore we kindly invite you to confirm your attendance as soon as possible.

Price of the seminar: free of charge
