

Operating Model

Crucial elements to succeed

Pavel Dvornak | Senior manager

*Everybody is **talking** about it ... year over year*

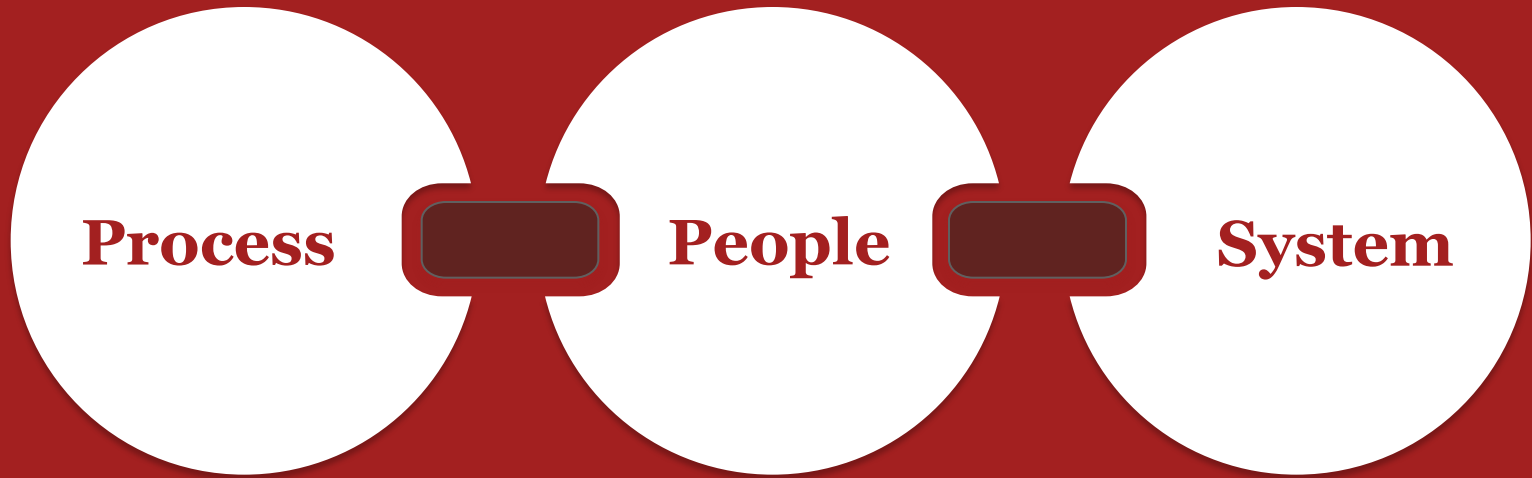

*There are **more ways** to approach key challenges*

We wait
and we
lose

We are fighting
fires everyday • and we
survive

We control the
situation and we
grow

*Understanding of your **operating model**
is the way to control the situation*

30% more in throughput with the same resources
