Ornjira is a Partner of PricewaterhouseCoopers in Bangkok, Thailand. She worked for a major international law firm for 9 years before joining a legacy firm in 1995 and became a tax and legal partner in 1997.

She was the head of financial services industry in our tax practice. She is the engagement tax partner for many multinational banking, insurance and securities clients. She advises multinational companies and financial institutions on solutions to various transactions, e.g. financial derivative products, debt restructuring, capital market, mergers & acquisitions, public raising fund program, loan refinancing, leasing, claim payment.

She also has extensive experience with tax compliance and operational tax risk review and merger & acquisitions deal over multinational companies. Her engagements involve tax compliance review, tax return review, assistances in tax investigation by the Revenue Department. Her specialized areas of practice are corporate income tax and VAT on both domestic and cross-border transactions and specific business tax.
