Photo Release: PwC Joins Hands with Thai SET to Host Press Briefing on “Reading Financial Statements for News Reporting”

Kajornkiet Aroonpirodkul, Assurance Partner of PwC Thailand (right) and Bordin Unakul, Executive Vice President and Head of its Corporate Services Division of the Stock Exchange of Thailand (left) exchanged gifts as they recently hosted the press briefing, entitled ‘Reading Financial Statements for News Reporting’ at the SET Building. The course was aimed at providing the essential knowledge required to understand a company’s financial health by explaining how companies formulate their financial documents and how business journalists should evaluate them.
