State registration certificates for legal entities and individual entrepreneurs are abolished

On May 7th 2011 the Law of Ukraine "On Amendments to Certain Legislative Acts of Ukraine Concerning the Abolition of the State Registration Certificate for Legal Entities and Individual Entrepreneurs" came into effect.

From now on, newly established legal entities and individual entrepreneurs will no longer receive state registration certificates from the state registrar.

Instead, the state registrar will issue an Excerpt from the Unified State Register ("Excerpt"), which would confirm the state registration of a legal entity or an individual entrepreneur.

We will keep you informed about further developments on this matter.
