## *On-line access to the Unified State Register of Legal Entities and Private Entrepreneurs has become available*

On October 5, 2011, on-line access to the Unified State Register of Legal Entities and Private Entrepreneurs ("USR") became available on the USR's website (<http://irc.gov.ua/ua/Poshuk-v-YeDR.html>). This possibility was set forth by Order of the Ministry of Justice dated 19 August 2011 No. 2009/5.

Searching for information about a legal entity can be performed by entering the code or the full name of the entity to the research field. Private entrepreneurs can be located by entering the name and the individual tax number of such a person. The search is free of charge.

Please note that the database sometimes is not fully operational, but it is expected to be fully operational soon.

We will keep you updated on further developments in this matter.
