Temporary residence permits available for spouses of foreign employees

On 20 October 2011, the Law of Ukraine N 3773-VI "On legal status of foreigners and stateless persons" (the Law) was finally signed by the President of Ukraine. The Law grants the right to apply for temporary residence permits (TRPs) in Ukraine to new categories of foreign nationals, including non-working spouses of holders of Ukrainian TRPs.

The main documents necessary for the procedure are the marriage certificate, and a copy of the TRP of the initial holder.

According to the preliminary information, the Law comes into force from the date of its official publication. We are monitoring publication of the official text of the Law, and we will inform you about upcoming changes.
