The Government has adopted the lists of goods that get stock quotes and world commodity exchanges to determine that the conditions of the controlled transactions meet the arm's length principle

The Cabinet of Ministers of Ukraine adopted a Resolution* regarding the lists of goods – 59 commodity groups (66 codes according to UCGFEA) which get stock quotes and 20 world commodity exchanges for each commodity group for the transfer pricing purposes.

Resolution becomes effective on the day of its publishing. It is expected to be published on 16.09.2016.

We will continue to monitor the situation and keep you updated on this issue.

* Resolution of the Cabinet of Ministers of Ukraine # 616 dated 08.09.2016.
