

Financial Statements Transformation Workshop

Course Curriculum

An 8-hour workshop will be focused on:

- Ukrainian GAAP vs IFRS
- Concept of financial statements transformation. Requirements for IFRS financial statements
- Transformation techniques
- MS Excel transformation exercise
- First-time adoption of IFRS
- Notes to financial statements. Mandatory disclosures in the Notes. Use of transformation spreadsheets

This workshop covers practical aspects of transforming financial statements using spreadsheets. Therefore every student is requested to bring a laptop for working on this practical question

Target Audience

Accountants, practitioners in international and Ukrainian accounting, who have basic theoretical knowledge in preparation of financial statements, and basic knowledge of IFRS.

Practical Focus

A major part of the workshop will be dedicated to a practical exercise of transforming financial statements under Ukrainian GAAP into IFRS financial statements.

Fundamental Principles Underlying Corporate Training Methodology:

- Environment of involvement at training sessions, active involvement of students in discussions
- Application of our relevant experience in consolidated reporting of local companies
- Use of custom tailored training materials and study question banks

Training Objective

Build knowledge and skills in transformation of financial statements in accordance with IFRS.

Duration

8 academic hours

The training as open session will be conducted from 9-30 a.m. to 5 p.m.

Certificates

Upon completion of the Financial Statements Transformation Workshop the students will be awarded Course Completion Certificates
CPD units: 8
