

## Accounting and Financial Reporting under Ukrainian GAAP

### Target audience

IFRS and local GAAP accountants, internal auditors and controllers, investment function experts, and software implementation professionals

### Training objective

Obtain fundamental knowledge of Ukrainian GAAP and build relevant practical skills in Ukrainian GAAP financial reporting to meet the reporting deadlines.

### Practical focus

The methodology framework addressed at the training course is reinforced through case studies.

### Certificates

Certificates of Completion will be issued upon successful completion of the training course.

### Duration and timing

8 academic hours (1 day)

The open training course is delivered from 9.30 a.m. to 5.00 p.m.

### Training in a corporate format

The training course may be delivered in a corporate format specifically for your organisation and may include an analysis tailored to your specific business needs.
