

## **About PricewaterhouseCoopers-China/Hong Kong/Singapore**

The China, Hong Kong and Singapore firms of PricewaterhouseCoopers operate on a combined basis, subject to local applicable laws. Taken together, we have over 470 partners and 13,000 staff.

PwC-China/Hong Kong/Singapore provides a wide range of services to help organizations solve business issues and identify and maximize opportunities. Our industry specialization enables us to identify trends and help customize solutions for our clients' sectors of interest. Each line of service has highly qualified, experienced partners and staff who are leaders in their professions. These resources, combined with the resources of the PwC global network, allow us to provide the support our clients need wherever they may be.

## **What is the China Sourcing Initiative?**

China's strong economic growth has created promising career opportunities in the professional services arena. To attract overseas talent to PwC-China and Hong Kong, the PricewaterhouseCoopers global network of firms launched the China Sourcing Initiative (CSI) in 2007. Dedicated recruiting professionals located in the UK, the US and Australia recruit experienced individuals for PwC-China and Hong Kong who have international experience and valuable local Chinese knowledge and language skills. This initiative provides high calibre professionals the opportunity to work for a global brand.

If you have any questions about CSI, please contact us at: [c.s.i@us.pwc.com](mailto:c.s.i@us.pwc.com)

## **Who do we look for?**

The ideal candidate is:

- highly proficient in speaking Mandarin or Cantonese, with writing and reading proficiency as an added advantage;
- willing to work in China or Hong Kong;
- able to successfully interact with PwC professionals and clients using creative problem solving skills;
- able to work effectively as a member of a professional team, and function well with independent responsibilities;
- able to apply his/her expertise across industries and be eager to develop his/her talent and knowledge base;

- flexible and adaptable to a dynamic work environment;
- highly motivated and interested in taking ownership of his/her professional growth and development.
