Audit Committee Forum

Michael Voisin

Partner

Linklaters

Michael Voisin is a capital markets specialist, with an emphasis on sophisticated financial products including repackagings, securitized and OTC derivatives, investment fund products (including CPPI products), CDOs, regulatory capital raising for financial institutions, note and warrant programs. His particular specializations include: equity derivatives (including investment fund derivatives), longevity derivatives, hybrid (multi-asset class) derivatives, clearing of derivatives, proprietary financial indices and synthetic products.

His recent activities include: advising on the drafting of the Claim Resolution Agreement; advising ISDA on the 2011 ISDA Equity Derivatives Definitions; developing Linklaters knowledge relating to the eurozone crisis; advising on OTC derivatives clearing relating to LCH.Clearnet and CME Europe as well as the proposed ISDA/FOA Addendum.
