

Corporate income tax compliance services

Working with PwC

PwC can assist with the preparation or review of your annual corporate income tax (CIT) and transfer pricing returns. Our service level will be individually tailored to meet your requirements. The detailed scoping and service planning enables us to provide fixed fees, which offer clients value for money, while remaining realistic and sustainable over the duration of an assignment.

Benefits to your company

- Quality, timely and cost effective compliance services, meeting your needs.
- Assistance in identifying areas for tax savings.
- Raise your awareness of areas of CIT exposure.
- Suggest ways to improve your documentation to support your expenses.
- Free your resources from CIT compliance to focus on business strategic issues.
- Access to a team of over 150 tax and legal professionals with over 17 years of tax advisory experience in Vietnam.
- Risk mitigation.
