Building relations
Creating value

PwC Integrated Service

We start by getting to know our clients. Not just the large national and international enterprises, but government and not-for-profit-organizations, and medium-sized and smaller enterprises too. We listen to them, so that we can supply sector-specific services and seek tailored and innovative solution.

Assurance Services

- Audits in accordance to IAS or other generally accepted auditing standarts
- Compilation of financial statements in accordance to IFRS or other recognized accounting standarts (US/UK GAAP)
- Financial and accounting reviews and investigations
- Independent controls and systems processes
- Internal audit
- Regulatory consulting
- Training in IFRS, Statutory Accounting Rules and other related topic

Our success in meeting today's business challenges rests on the way we approach our work and the quality of our teams of experts.

Advisory Services
