PwC Azerbaijan's F1 Marshals Team: Three Years of Drive

On 27-29 April 2018. This year, PwC Azerbaijan's Marshals Team celebrated the third year of success, leading during the 2018 Azerbaijan Grand Prix the Sector 1 consisting of **42 marshals**. As in the previous two years, the team demonstrated the outstanding performance and a great team spirit.

This year the team was led by a young and dedicated Chief, former sportswoman, Inara Namaliyeva, from our HC Team. Also, two members of PwC Azerbaijan - the People and

Organisation's Leader, Rena Rzayeva and IT Leader, Namig Hajiyevev, also contributed to the success of Azerbaijan GP: Rena was the Chief Observer and Namig was in the Scrutineering Team.

The most dramatic moment of the race happened in our sector when two Red Bull drivers' crashed into each other. The situation was well handled by our marshals who cleared the track and assisted the drivers in a short period of time. Along with the F1 race, three cars from the F2 races were recovered by our team.

"Helping and supporting each other, finding solutions to problems together is what makes us stronger as a team and individuals. For the past three years, the F1 experience has given us a great opportunity to test ourselves, get out from our comfortable zone and do important things for the country. I am very proud that our team has demonstrated in real life all the PwC values and Purposes"- mentioned Country Managing Partner of PwC Azerbaijan, Movlan Pashayev.
