## ***PwC Azerbaijan held Talents Club Graduation Ceremony***

**On June 20, 2014** PwC Azerbaijan held a Graduation Ceremony of Talents Club II. Talents Club II graduates, representatives of partner companies and PwC leadership, as well as, several high level guests attended the ceremony and congratulated students wishing success in their further career path.

**PwC Talents Club** is a 6 month free program, established by PwC Azerbaijan in 2012 and uniting talented students of the 3rd to 5th year from various universities. This program provides students with fundamental knowledge in business, applied in real cases, and is aimed at professional development of the young people, preparing for career in business and public service. During a three-stage admission process, **17** the most talented students were selected out of **400 candidates** for PwC Talents Club second intake.

In total, the 50 academic hours of study program covered **20 weekly sessions, from Audit, Consulting to time management, soft skills etc.** Additionally, 6 teambuilding events were held. Classes were given by PwC Azerbaijan employees, as well as invited speakers and experts, in English.

At the end of the program, the Talents Club II members have been placed in the leading companies for internship and employment.

PwC is committed to further support the Azerbaijan youth in development of their professional skills and knowledge and improve their competitiveness from the outset of professional career in local and international markets. Information about upcoming intake will be available from August, 2014.

For all questions regarding admission to the Talents Club, please contact PwC's Academy Senior Supervisor Aynur Movsumova on (012) 497 25 15.
