

Harlequin Boutique Hotel Limited, a Bankrupt
(“HBHL”)

Update to Creditors

6 March 2026

Dear Creditors,

We are writing to provide an update on the status of the HBHL matter.

In our previous update of 11 March 2025, we noted that:

On 25 October 2024 we filed an Application and supporting Affidavit in the matter BRI4/2017 In the matter of the Bankruptcy of Harlequin Boutique Hotel Limited. The said Affidavit exhibited a copy of the Report of the Trustee and the Application sought, inter alia, the Court’s approval of the said Report so that the Trustee could commence distributions in accordance with the claims as adjudicated therein.

A copy of the Affidavit and exhibited Report was posted to the HBHL case website on 25 October 2024. The report (shown as Exhibit GP6, starting on page 109 of the document) provided a comprehensive update on all case matters to 30 August 2024 and the immediate next steps following court approval of the Report. To further aid accessibility we have extracted the Report and posted a copy as a standalone document on the case website.

We are pleased to inform you that the matter has now been listed to be heard by the Court on 30 March 2026. The Court has advised that the matter will be heard in-person at the Supreme Court.

We will provide an update on the result of the hearing after 30 March 2026.

Yours faithfully,

Dr. Grenville Phillips
