

# The PwC Insurance Summit, presented by the Financial Times

**November 10 | 2020**

“Pitts Bay Road in Bermuda is a who’s who of global insurance –  
*The Financial Times* 12/23/2019”

## Bermuda’s leading insurance forum

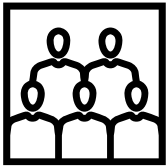

The PwC Insurance Summit is recognized as the premier industry forum in Bermuda for the insurance and reinsurance sector. The one day summit brings together the leading voices in the industry and **over 250 industry professionals**.

PwC has hosted the flagship insurance and reinsurance forum on the island for 14 years. In 2018 the firm partnered with **The Financial Times** to present its annual summit, offering attendees a dynamic and engaging new format with a highly distinguished lineup of speakers.

## Our Agenda

- Re/insurance executives, decision makers, regulators and thought leaders participate in keynotes and panel discussions to provide cutting edge analysis on the main business issues that the insurance industry should consider in 2020 and beyond as well as the most effective strategies to deliver growth.
- We offer a full day of programming with engaging keynotes and panel discussions on a variety of topics.
- There are multiple networking opportunities throughout the day and we conclude with a drinks reception.
